NANDHA ENGINEERING COLLEGE
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
NEWSLETTER

VISION

- To achieve excellence in Computer Science and Engineering education to meet the ever growing needs of the society.

MISSION

- To ensure quality in major areas of Computer Science and Engineering keeping pace with the latest developments.
- To create the ability in the students to design, develop and test world class software systems.
- To promote life-long learning in core and emerging areas.
- To inculcate strong ethical values and leadership abilities in the minds of students so as to work towards the advancement of the society.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

- To transform the graduates as experts in computing profession to satisfy the needs of the core computer technology industry.
- To enable them to pursue higher studies and explore new paths in teaching and research.
- To empower the graduates to be able to offer innovative solutions to real life problems.
- To help the graduates to keep abreast of the latest trends in computer technology and ready for life-long learning process.
- To ensure that the graduates practice professional ethics in the Software Industry and possess the necessary soft skills for working in diverse cultural and interdisciplinary teams.

MESSAGE

PRINCIPAL

It is a great pleasure to observe the expressions of students who had contributed to various events . Nandha engineering college, Computer science and engineering department has grown abundantly in the recent past. It continues to sustain its growth. People reading this newsletter will realize the tremendous changes that are happening in the CSE department. The newsletter is presenting a glimpse of the multidimensional growth of the department. The department has been actively involving in various activities that have been brought to unveil the hidden talents of the Students and staff. The highly qualified and dedicated staff members have always stood with the department and have carried out their duties with a great level of commitment.

CEO

It is always a pleasure to be a part of a team which strives to bring out the talents of students and staff. Computer science and engineering department has always been striving to keep itself ahead of the competition and the results are now for everyone to witness the growth of the department. The purpose of the department newsletter is to inspire and motivate students, staff and other friends in the college. This newsletter has made an earnest attempt in this direction and brought out certain aspects of the college through CSE department to the eyes of the public so that they may understand and know the department even better. I am sure the CSE department will scale even greater heights in the years to come and serve many.

HOD

It is my pleasure to congratulate the team that has taken the initiative for producing this newsletter of Computer science and engineering department. It is great to find a considerable number of achievements, awards and events that certainly prove that our staff and students are skilled enough to express their talent. Reading this newsletter would definitely be an inspiration and motivation for all students and staff to contribute even more to the forthcoming events.

CSIR SPONSORED NATIONAL LEVEL WORKSHOP

CSIR sponsored national level workshop on "Application of Artificial Intelligence for Combating Crimes" held on 23.08.2017 & 24.08.2017.

Dr.T.Purusothaman, ASP/IT, GCT, Coimbatore was the Chief Guest for the Function. He also handled the Session in Artificial Intelligence on 23.08.2017.

CSIR SPONSORED NATIONAL LEVEL WORKSHOP

**Mr.V.J.Manikandan, CEO,
JP Software Services,
Virudhachalam & Mr.S.Sankar Raj,
Founder and Director, Prompt
Infotech pvt. Ltd, Coimbatore
handled the Session on
24.08.2017.**

AICTE SPONSERED FACULTY DEVELOPMENT PROGRAMME

Mrs.Syed Ali Fathima.S.J, A.P./CSE,
Kumaraguru College of Technology, CBE.
Ms.Saranya, A.P./CSE,
Kumaraguru College of Technology, CBE.
Dr.C.N.Marimuthu, Prof. & Dean/ECE,
Nandha Engineering College, Erode.
Ms.Monica Subashini, ASP
School of Electrical Engineering,VIT
Dr.T.Senthilkumar, A.P./CSE,
Amrita Vishva Vidyapeetham, Coimbatore.
Mr.S.T.Satheeshkumar, Prof. & Head/ECE,
Nandha Engineering College, Erode.

WERE HANDLED THE SESSIONS

WORKSHOP

**Workshop on
Designing IoT
Projects Solutions
Using Arduino"**
held on **22.02.2018**

**Mr. Shiva Kumar,
Executive Engineer,
Shiv Robotics, Erode
handled the practical
session using Arduino
Kit for IoT Projects.**
