VISION OF THE DEPARTMENT

To achieve excellence in Computer Science and Engineering education to meet the ever growing needs of the society.

MISSION OF DEPARTMENT

Computer Science & Engineering Department is committed

- To ensure quality in major areas of Computer Science and Engineering keeping pace with the latest developments.
- To create the ability in the students to design, develop and test world class software systems.
- To promote life-long learning in core and emerging areas.
- To inculcate strong ethical values and leadership abilities in the minds of students so as to work towards the advancement of the society.

PROGRAM SPECIFIC OUTCOME

- Ability to understand the principles and working of hardware and software aspects in a computer system
- Ability to demonstrate knowledge in mathematical models, algorithms and software development methodologies
- Ability to develop practical competency in programming languages and open source platforms
- Ability to provide a foundation for higher studies, research and entrepreneurship

PRINCIPAL

I am delighted to note that the Department of Computer Science and Engineering has added a pearl to its academic success by publishing the newsletter for the academic year 2020–2021, which is a compilation of achievements that were planned and executed. It is significant to highlight that the focus of the newsletter is on the interdisciplinary elements and applications in the recent trend of the stream. The Computer Science and Engineering department of Nandha Engineering College has expanded significantly in recent years and keeps sustaining its expansion. The department's multifaceted expansion is witnessed in the newsletter. I heartily congratulate all the staff and students of the Department of Computer Science and Engineering and wish them all success.

CEO

Newsletter is an amalgamation of all the events held in the department and it plays an instrumental role in providing a greater exposure of the achievements accomplished by the students and the faculty. Being a part of a team that works to highlight the abilities of faculty and staff is always a pleasure. The Department of Computer Science and Engineering has consistently worked to stay one step ahead of the competition, and the results are now available for all to see, demonstrating the department's expansion. The department newsletter is to uplift and encourage faculty and students. This newsletter has made a sincere effort in this approach by highlighting specific parts of the college through the CSE department in order for readers to better understand and appreciate the department. I congratulate the CSE Department and specially the Newsletter Committee members for their efforts in bringing out the Newsletter. I wish the team all success.

HOD MESSAGE

It is a great feeling of joy to witness the excitement surrounding the publication of the Computer Science Department's yearly newsletter. The Newsletter will certainly aid the aspiring engineers a broad platform to showcase their technical knowledge and to pen down innovative ideas. This newsletter aims to cultivate strong technical skills in students and faculty by bringing forth their hidden talents. I want to convey my sincere gratitude to the Editorial and Design teams for their invaluable work in making the newsletter intelligible. I extend my congratulations to the faculty, staff, and students who worked tirelessly to publish this newsletter.

# AICTE GRANT FOR MODERNIZING CLOUD BASED VIRTUAL COMPUTING LAB FOR OPEN SOURCE SOFTWARE TESTING AND RESEARCH

Dr.S.Arumugam, **CEO**, Nandha Engineering College, and **Dr.N.Rengarajan**, Principal, Nandha Engineering College, inaugurated the **Cloud Computing Research Center** in our college for the benefit of research scholars through a grant of **Rs.9.14 lakhs** received from **AICTE**.

ACADEMIC WEBINAR ON "PREPARE YOURSELF IN PANDEMIC FOR CORPORATE CLOUD TECHNOLOGIES"

The Department of Computer Science and Engineering, Nandha Engineering College organized an academic webinar on "Prepare yourself in Pandemic for Corporate Cloud Technologies" on 29-05-2021 through online mode. The resource person for the program was Mr.Samraj Krishnakumar, Technical Lead, Exterro R&D Pvt. Ltd., Coimbatore.
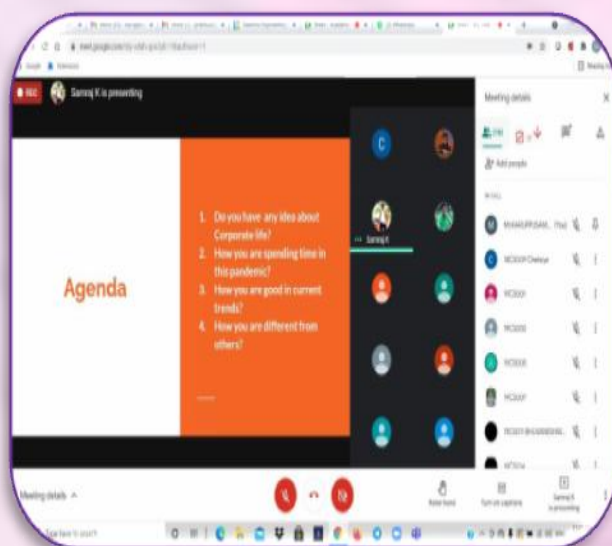

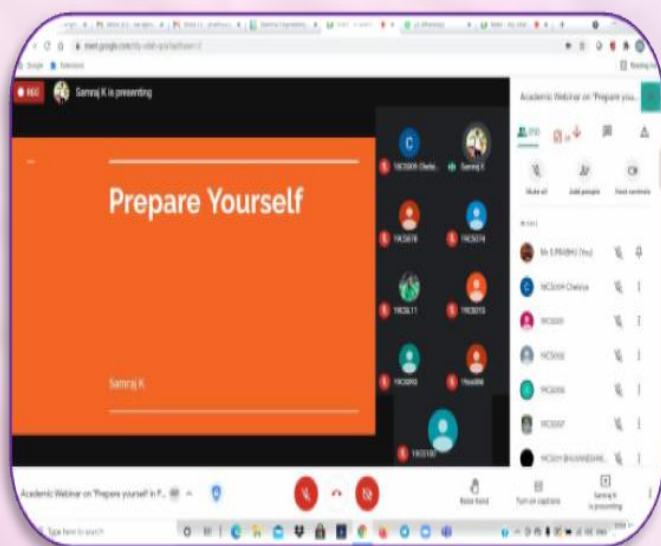

The main objectives of the seminar

 ➢ Do you have any idea about corporate life?
 ➢ How you are spending time in this pandemic?
 ➢ How you are good in current trends?
 ➢ How you are differed from others?

 A total of 120 students participated in "Prepare yourself in Pandemic for Corporate Cloud Technologies Programme".

CAREER IN CYBER SECURITY

The Department of Computer Science and Engineering, Nandha Engineering College organized a One Day Academic Webinar on "Career in Cyber Security" on 25-02-2021 through online mode. The resource person for the program was Mr.Viswanathan.G, Security Analyst, Ernst & Young, Chennai.

**Resource person share about objective of cyber security and the student's participation in the seminar**

Mr.Viswanathan.G, Security Analyst, Ernst & Young, Chennai

A total of 118 students participated in cyber security academic webinar and benefitted.

INDUSTRIAL SEMINAR ON HADOOP AND SECURITY IN CLOUD

The Department of Computer Science and Engineering, Nandha Engineering College organized an online Industrial Seminar on "**Hadoop and Security in Cloud**" on 10-02-2021. The resource person for the program was Mr. P. Mohan, Lead Storage, NSM, DLF Cybercity Gardens, Chennai.
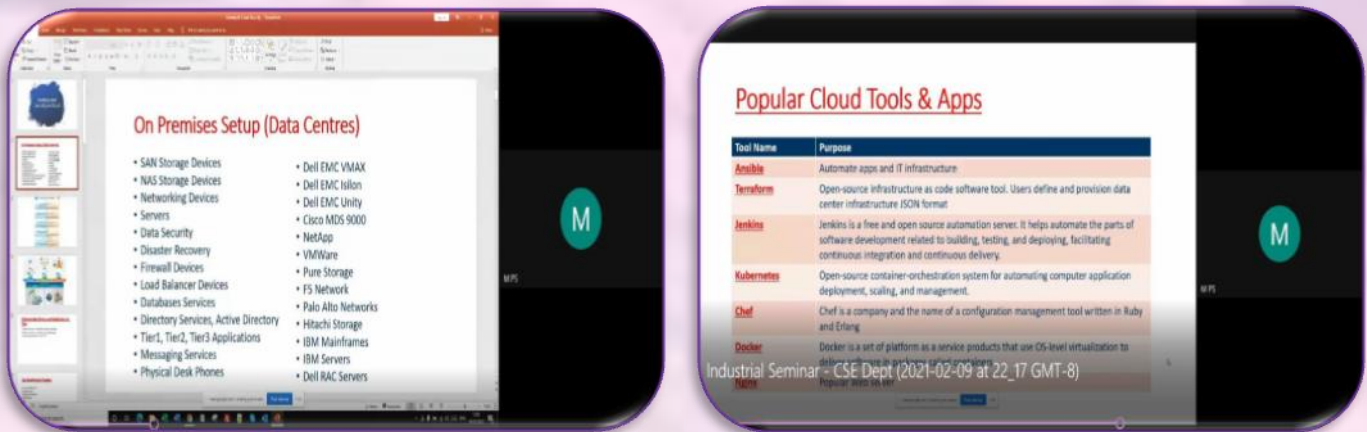

Popular Cloud Tools and Its Applications in different Sectors were clearly explained by Mr. P. Mohan, Lead Storage, NSM, DLF Cybercity Gardens, Chennai
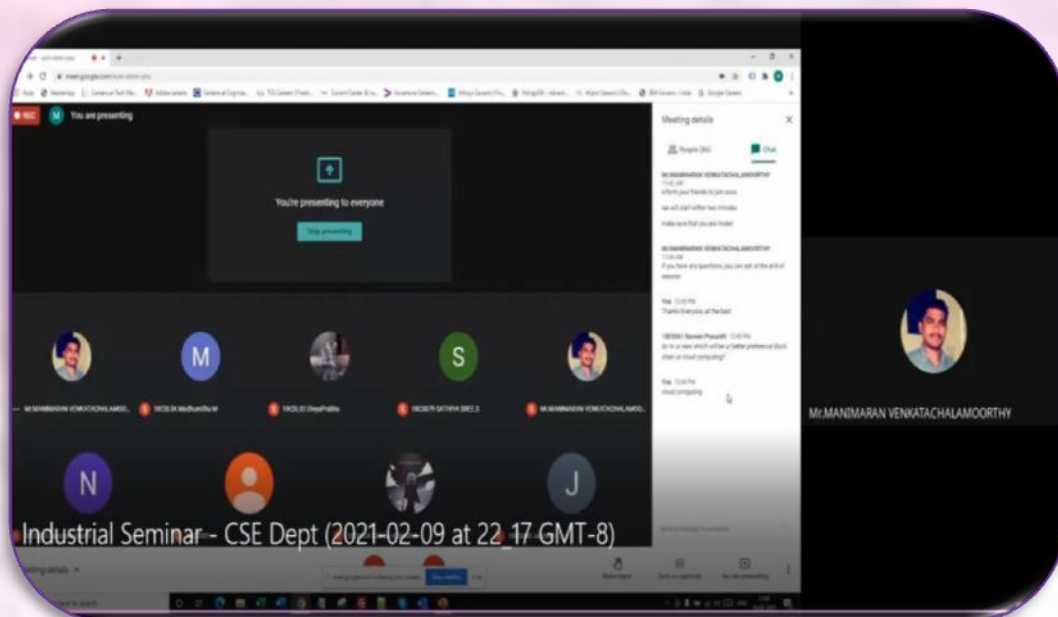

Participants interacted with the resource person during the seminar

A total of 94 students participated in the industrial seminar and updated their knowledge on Hadoop architecture (Map Reduce and HDFS) and on security implementations in cloud.

AICTE SPONSORED
SHORT TERM TECHNICAL PROGRAMME ON
DATA SCIENCE WITH R TOOL (PHASE- I)

The Department of Computer Science and Engineering organized a six day Short Term Technical Programme on **"Data Science with R Tool (Phase- I)"** through Google Meet online platform. Thiru.S.Nandhakumar Pradeep Secretary, Sri Nandha Educational Trust and Thiru.S.Thirumoorthi, Secretary, Nandha Educational Institutions felicitated the Programme. This programme was coordinated by Dr.D.Vanathi Prof/CSE and Prof.P.Uma AP/CSE.
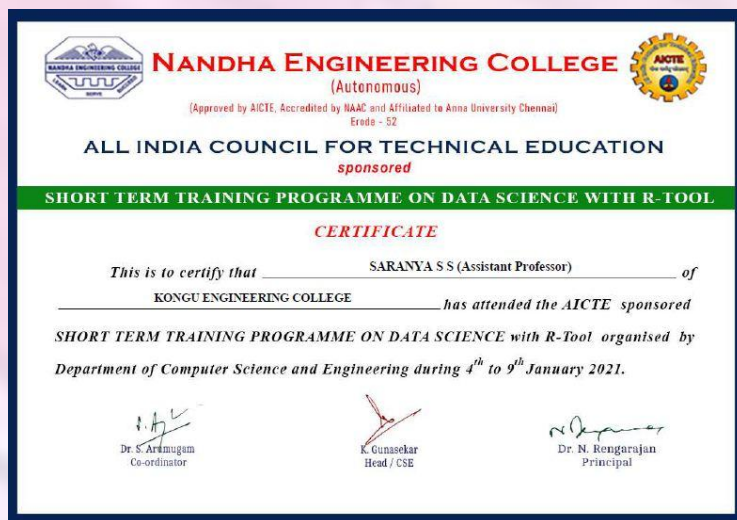

The training covered entire Data Science Pipeline from Data Gathering, Data Manipulation, Exploratory Data Analysis, Model Planning, Model Building, Machine Learning Algorithms and Data Visualization. A total of 60 faculties attended the programme and got benefited.

WEBINAR ON "INDUSTRY ACADEMIA CONNECT"

The Department of Computer Science and Engineering, in association with Department of Information Technology, Nandha Engineering College organized an online Webinar on "**Industry Academia Connect**" on 18-08-2020. The Resource Person for the program was Mr. Udaya Shankar, Lead-South India, NASSCOM, Co-Founder Maatram Foundation & Evangelist, Strategist and Educationalist, Chennai, Tamilnadu.

Mr. Udaya Shankar, Lead-South India, NASSCOM, Co-Founder Maatram Foundation & Evangelist, Strategist and Educationalist, Chennai, Tamilnadu.
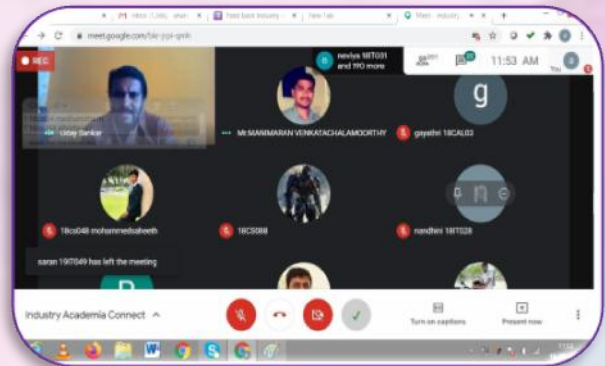

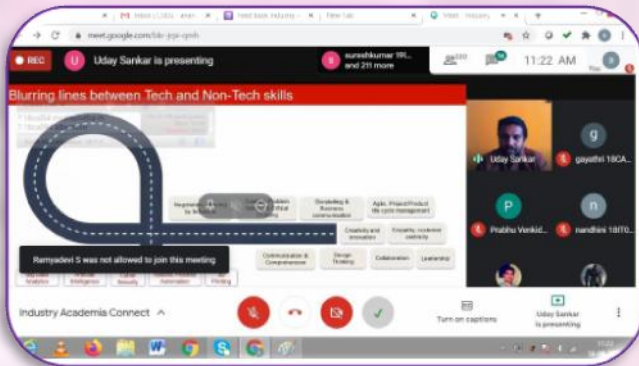

Mr. Udaya Sankar, Lead South-India NASSCOM, delivered his presentation on Industry Academia Connect for the students from CSE & IT Departments

A total of 275 students benefited and learnt the need for learning top technologies such as Big Data Analytics, IoT, Machine Learning, Cloud Computing, Block chain, Cyber Security in detail.

NATIONAL LEVEL SEMINAR ON HOW WILL THE FUTURE WORKPLACE BE?

The Department of Computer Science and Engineering organized a National level Seminar on **How will the future workplace be? Let us explore together** on 14.8.2020. The Chief Guest Mr. Charles Godwin P - HR Leader - Zoho Corporation, Chennai inaugurated and gave Keynote Speech on the Seminar. He discussed on smart machines as our co-workers, work for purpose and passion, not just money, and work-life challenges.

Mr. Charles Godwin P, HR Leader
Zoho Corporation

Nearly 200 Participants attended the session and they learnt about Best Job options in the future like Data Science, one of the hottest sectors, Data Analyst, Block chain Developer, Digital Marketer, Cloud Computing Professional, Artificial Intelligence and Machine Learning Expert, Manager (MBA), and Software Developer.

INTERNATIONAL LEVEL WEBINAR ON "TABLEAU FOR DATA VISUALIZATION"

The Department of Computer Science and Engineering, Nandha Engineering College organized an International Webinar on "**Tableau for Data Visualization**" on 17th July, 2020. The Resource Persons of the Webinar Venkat Ramana Goud Kuna, Senior Technical Lead, Global Knowledge Technologies, Bangalore, explained the main objectives of the workshop.
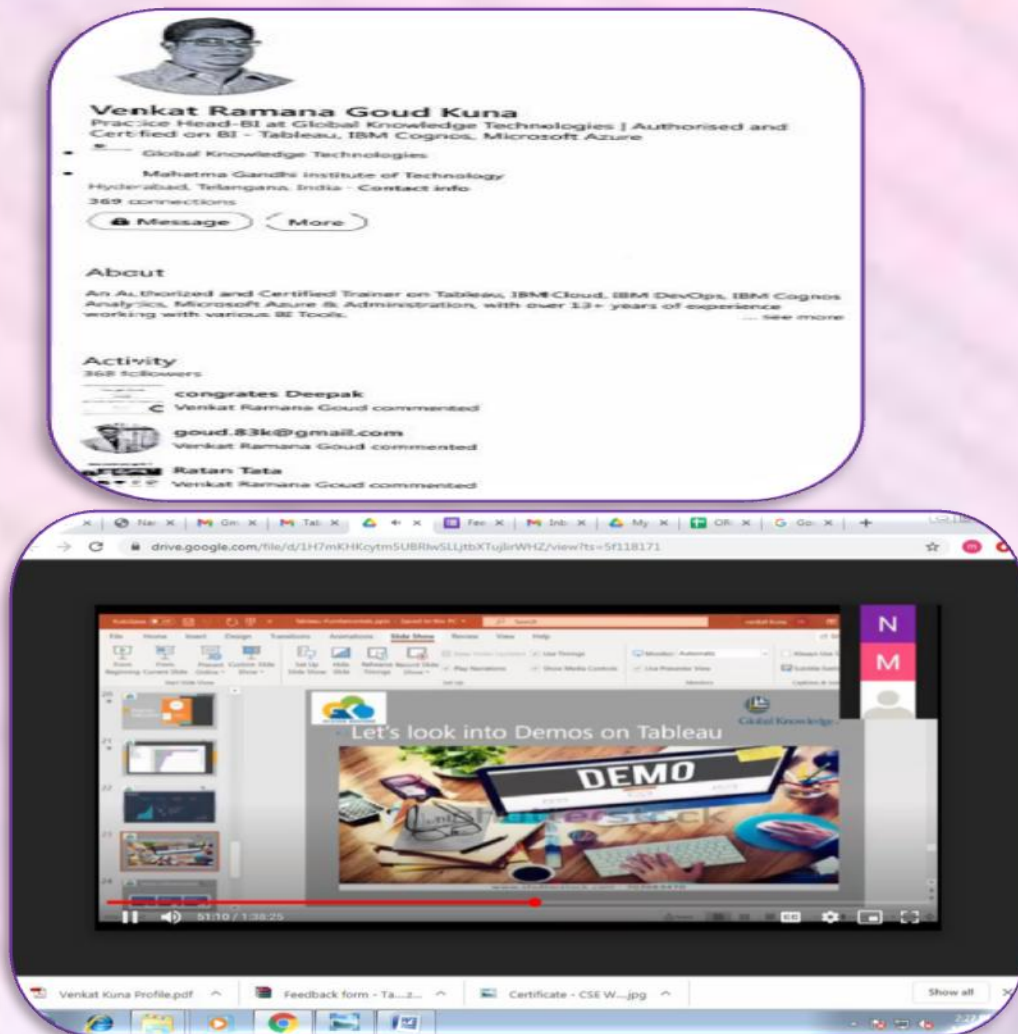

Presentation by the Resource Person

The resource person made the students understood that data is one of the most important missions of the 21st century and said they proudly wore the mantle of "data geek". "We Use Our Products" was the core company value. Further he said, "We're not just listening to our customers' needs. We're living them. We'll never stop listening to customers and we'll never stop seeing the world from their point of view".
