PUBLICATIONS - AY - 2016 - 2017

S. No.	Name of the teacher	Title of the paper	Title of the proceedings of the conference	Name of the conference	National / International	Year of publication	ISBN/ISSN number of the proceeding	Affiliating Institute at the time of publication
1	N R Monika	Planning and scheduling of commercial building using primavera p6 -case study	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1,ISSN:2348-2079, pp.1016 - 1019, April 2017	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
2	N R Monika	Experimental investigation of pervious concrete with addition of fibre	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
3	K L Ravisankar	An experimental investigation on concrete by partial replacement of fine aggregate by copper slag and coarse aggregate by ceramic waste tiles	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
4	K L Ravisankar	Experimental investigation of no fine concrete partially replaced with cement by silica fume as coarse aggregate by Ceramic tiles	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
5	S Gnana Venkatesh	An Experimental Study on Fly Ash Bricks with Addition of Cement	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
6	P Karthika	Experimental Study on Strength Properties of Concrete by Partial Replacement of Fine Aggregate with Furnace Slag	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
7	P Karthika	Assessment of Thermo shock Effect on Structural Element by ANSYS	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
8	A Abdul Hameed	Experimental Investigation of Coarse Aggregate With Steel Slag In Concrete	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
9	K Selvi	An Experimental Study on Structural Behaviors of Treated Bamboo Reinforced Concrete Beams	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
10	P Shankar	The Structural Behaviour of Scrap Reinforced Concrete Using Waste Metal	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1	First International Conference on Recent Innovations in Engineering , Technology And Management	International	2016-17	ISSN:2348-2079	Yes
11	Dr E K Mohanraj	Impacts of Road Safety Initiatives	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1		International	2016-17	ISSN:2348-2079	Yes
12	S Gnana Venkatesh	Experimental Study on Properties of Pervious Concrete	International Journal of Intellectual Advancements and Research in Engineering Computations, Volume 5, Issue 1		International	2016-17	ISSN:2348-2079	Yes
