DR RENGARAJAN N

PRINCIPAL

The two major qualities of a truly educated individual are the ability to think with clarity and intellectual inquisitiveness. Today the value based education is the only help for synthesizing the moral fabric of individual and sure the young Department of Civil Engineering offers the value based education in all aspects.

I'm sure this edition is the great effort to showcase their efforts.

I wish all them the very best

EMC CENTER OF ACADEMIC EXCELLENCE "DATA SCIENCE AND BIG DATA ANALYTICS"

In Nandha Engineering College, Erode, a ceremony was held to provide Center of Academic Excellence in Data Science and Big Data Analytics to the Department of IT and MCA by EMC which is a one of the biggest computer storage company. The function was head by the Mr. Abhijit Sreenivas is the EMC Academic Alliance Manager for Industry and College relations in India, Australia, Newzland and Srilanka and also worked as the Assistant Vice President (south) for Planman Consulting. Along with him, the function was presided by Principal of Nandha Engineering College, Dr. N. Rengarajan, Dr. N. Shanthi, Dean, Department of CSE and Mr. C. Siva, Head of the Department of IT and MCA.

Mr. Abhijit motivated the students and shared much information such as competition for jobs, ways to furnish students, and how to make their moves in their carrier. Nearly 15 lakhs of students passed out each and every year. But, only 4 lakhs of job vacancies are available.

To get a job among 15 lakhs students they have to give their specialization to the companies. The students have to specify himself / herself by doing additional certification courses such as ethical hacking, cloud, big data, backup and recovery. This certification course makes the resume valuable. Finally, he said to make resume more valuable is the kind of projects done in final year.

At the end of the ceremony, Certificate for Center of Academic Excellence in Data Science and Big Data Analytics is handed over to the Principal of Nandha Engineering College, Dr. N. Rengarajan.

ASSOCIATION INAUGURAL FUNCTION

The inaugural function of Chimera was held on 30th September 2016. The Chief Guest of this function was **Mr. S.Karthic, Business Head, SAN Techno**

Solutions. The office bearers were introduced by Head of the Department and the Chief Guest was honored by Dr. N. Rengarajan, Principal.

Chief Guest Mr. S.Karthic, Business Head , SAN Techno Solutions delivers the Chief Guest address.

INTRA-DEPARTMENT MEET

Interdepartmental meet was conducted on behalf of the Master of Computer Application Association on 30th September 2016. Various events like Debugging, Paper Presentation, and Multimedia presentation were conducted to the students which were very useful to expose the talents. The guest distributed certificates and prizes to winners of various competitions.

Our Department Students presented their papers in Intra Department Meet

WORKSHOP

Department of MCA Conducted one day workshop on 27.12.2016 titled "Android Apps Development" by Ms. Sangeetha P, Android Developer, Coimbatore**.**

During this training, she gave a over view about Android operating system. She also explained the applications of Android, merits and its demerits. She gave a hands-on training about installing and configuring of Android in the system.

- In Designing side, she basically Started with how to design and developing an efficient Android Application.
- In developing side, he basically taught how to code in java for application development and

its syntax. She was clearly explained with example and sample Applications were created by students and worked on hands-on experience.

At the end of the workshop, she trained the students how to deploy the applications in Mobile phones.

Students are also deploying their own applications developed by them during the hands-on.

Inauguration of "Android Apps Development" workshop

She encouraged the student to undergo the projects in Android environments.

SYMPOSIUM'17

The Symposium 2017 of Chimera was held on 11th February 2017. The Chief Guest of this function was Mr. N.Arun, Senior Engineer, Siemens, Coimbatore was honored by Dr. S. Rengarajan, Principal.

Various events like Technical Quiz, Paper Presentation, Brain storm, Multimedia fest and

internet things were conducted to the students which were very useful to expose the talents. The guest distributed certificates and prizes to winners of various competitions coming from various colleges.

INDUSTRIAL SEMINAR

Association of MCA Conducted Industrial Seminar on the topic "DIVERSE PLATFORMS OF MOBILE APPLICATION" on 22.02.2017 by **Ms. P. SANGEETHA, M.C.A.,** Android & PHP Developer , Anchara Technologies, Coimbatore for the PG II and III students. He taught about Mobile Development platforms and its applications and updating the technicall knowledge. At the end of this seminar students gain knowledge about practical issues and latest technologies in backend side. Finally he gave tips to prepare the placement, importance of basic knowledge in programming languages, scope of projects, Resume preparation, group discussion skills and surviving in IT companies.

TECHNICAL CLUB

Association of MCA Conducted Hands on training on the topic "ANDROID APP DEVELOPMENT"" on 22.02.2017 by **Ms. P. SANGEETHA, M.C.A.,** Android & PHP Developer , Anchara

Technologies, Coimbatore for the PG II and III students. He taught about Mobile App development, working with Android studi and updating the technical knowledge. He gave a more practical session to App development.

WORKSHOP

Association of MCA Conducted Workshop on the topic "Visual Studio.NET Framework" on 18.03.2017 by Mr. K.Naveendiran, XML Executive , Amplexor India Pvt. Ltd., Chennai and has been organized for the second year PG students. He gave a lectured about Visual Studio Environment , how to development the project using .NET environment, etc.Finally he gave tips to prepare aptitude, verbal for written exam, Group discussion, and personality development and Resume preparation.

PAPER PUBLISHED / PRESENTED

- K.E.Eswari has presented a paper titled "A Bigdata Approach for Student Result using Mapreduce" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Sambasivam has presented a paper titled "Opinion Targets Extraction Using Word Allignment From Online Reviews" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- N.Zahira Jahan has presented a paper titled "Robust Execution of Packet Flow in Routers to Prevent DDOS Attack using Trace Back" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- C.Mani has presented a paper titled "Improving Word Similarity By using PPMIC With Estimates Of Word Polysemy" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha

Engineering College ,Erode, on 25th March 2017

- C.Navamani has presented a paper titled "A Cooperative Clustering Protocol for Energy Saving of Mobile Devices with WLAN and Bluetooth Interfaces" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Jagadeesan has presented a paper titled "Performance and Cost Evaluation of an Adaptive Encryption Architecture for Cloud Database" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Navinkumar has presented a paper titled "Implementation Of increasing packet Delivery Ratio using Lifi Technology" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- M.Aarthi has presented a paper titled "Secure Deduplication with efficient and reliable convergent key management in cloud computing" in the International Conference on "Recent Innovations in Engineering,

Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017.

- P.Aarthi has presented a paper titled "Performance and Cost Evaluation of an Adaptive Encryption Architecture for Cloud Database" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- N.Aasifa has presented a paper titled "Cluster Based Certificate Revocation for Mobile Ad Hoc Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- D.Ambili Roja has presented a paper titled "Cluster Based Certificate Revocation for Mobile Ad Hoc Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- K.Balamani has presented a paper titled "Opinion Targets Extraction Using Word Allignment From Online Reviews" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha

Engineering College ,Erode, on 25th March 2017

- B.T.Bhagesh has presented a paper titled "Robust Execution of Packet Flow in Routers to Prevent DDOS Attack using Trace Back" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- K.Bhuvaneshwari has presented a paper titled "Cluster Based Certificate Revocation for Mobile Ad Hoc Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- M.V.Bibin has presented a paper titled "Measurement Based Roadside Content Delivery System" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- M.Dhatchana Moorthy has presented a paper titled "Cluster Based Certificate Revocation for Mobile Ad Hoc Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha

Engineering College ,Erode, on 25th March 2017

- K.Dhivyabharathi has presented a paper titled "Pickup And Delivery Schedule By KYC Document Verification using Biomatric Scanner" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- C.Dineshkumar has presented a paper titled "A Bigdata Approach for Student Result using Mapreduce " in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- A.Gokulnath has presented a paper titled "Secure Data Transmission using Visual Cryptography" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Gowsalya has presented a paper titled "Robust Ad-Hoc Sensor Routing (RASER) Protocol for Mobile Wireless Sensor Networks " in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by

Nandha Engineering College ,Erode, on 25th March 2017

- C.Gowthaman has presented a paper titled "An Effective Character Multi Role Identification Model using K-Relation Graph Clustering in Visual image Datasets" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- M.Hajmohammed has presented a paper titled "Generative Location Sensitive recommendations" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- L.Hemalatha has presented a paper titled "Privacy Conserving Statistics Analytics for Smart Homes" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- C.Ilamia has presented a paper titled "Auto Sensor Deployment and Local Coverage-Aware Recovery Schemes for Smart Environments" in the International Conference on "Recent Innovations in Engineering, Technology & Management"

Organized by Nandha Engineering College ,Erode, on 25th March 2017

- T.Imthiyaj has presented a paper titled "A Cooperative Clustering Protocol for Energy Saving of Mobile Devices with WLAN and Bluetooth Interfaces" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- G.Janani Sri has presented a paper titled "Hp All in One Requirt" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- N.Karthiga has presented a paper titled "On Energy Hole and Coverage Hole Avoidance In underwater Wireless Sensor Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Kavitha has presented a paper titled "Buffer Dimensioning Of DTN Replication-Based Routing Nodes With Hierarchical Routing Scheme" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by

Nandha Engineering College ,Erode, on 25th March 2017

- G.Kiruthika has presented a paper titled "Finding End to End Communication for Discovery System in Manet using Anonymous Supernode" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- V.Kunalakshmi has presented a paper titled "Leveraging Social Networks for P2P Content-Based File Sharing in Disconnected MANETs" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Malliga has presented a paper titled "Coupling and Cohesion Enabled Information Transaction in Cloud Computing" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- T.Manjula has presented a paper titled "Application Offloading Based on R-OSGi in Mobile Cloud Computing" in the International Conference on "Recent Innovations in Engineering, Technology & Management"

Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Marimuthu has presented a paper titled "Implementation Of increasing packet Delivery Ratio using Lifi Technology" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- T.Mohanasundaram has presented a paper titled "Security and Privacy Enhancing in Multi Cloud" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Pavithra has presented a paper titled "Self-Servicing Mesh Router for Mobile Mesh Networks with Missed Node Detection" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- K.Priyatharshini has presented a paper titled "Toward A Statistical Framework for Source Anonymity in Sensor Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha

Engineering College ,Erode, on 25th March 2017

- R.Rangeswaran has presented a paper titled "Computer Hardware Purchase And Sales" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- A.Rinshad has presented a paper titled "Efficient Steganography In Encoded Video Streams Using Motion Vector Difference" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Saraswathi has presented a paper titled "Secure Distributed Deduplication Systems with Improved Reliability" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- T.Sathishkumar has presented a paper titled "Multimodal Fusion For Video Search Re Ranking" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Sethupathi has presented a paper titled "Scene Text Recognition In Images By Character Descriptor And Structure Configuration" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- A.Shakila Banu has presented a paper titled "Enhanced Scalable and Secure Sharing of Personal Health Records in Cloud using Attribute-Based Encryption Model " in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Sharma has presented a paper titled "Mobile Crowd Sensing" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- M.Sri Soundharyaam has presented a paper titled "Session Based Low Overhead Privacy-Preserving and Secure Communication Protocol in Adhoc Network" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- R.Suganya has presented a paper titled "Efficient Broadcasting in Mobile Ad hoc Networks" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- P.Umarani has presented a paper titled "The Odd-Even Turn Model For Adaptive Routing With Node Failure Scenario" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- D.Uvarani has presented a paper titled "Improved Secure Personal Web Search Temporal Behavior Search Over Reranking with Catch Service Model" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha

Engineering College ,Erode, on 25th March 2017

- A.Vijaya Lakshmi has presented a paper titled "Mining Web Graphs for Recommendations Identification for Query Suggestion with Efficient Search Re-ranking" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- T.Vinoth has presented a paper titled "Defending Against Energy Draining Attacks in Wireless Sensor Networks With Secure Synchronization" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Mangaiyarkarasi has presented a paper titled "Multivariate Statistical Model for Change Detection in Images with image Classification" in the International Conference on "Recent Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

- S.Sakthi has presented a paper titled "Improving Word Similarity By using PPMIC With Estimates Of Word Polysemy" in the International Conference on "Recent

Innovations in Engineering, Technology & Management" Organized by Nandha Engineering College ,Erode, on 25th March 2017

SKILL UPGRADATION-FACULTY MEMBERS

- K.E.Eswari was attended FDP on "Data Science and Big data Analytics "at Karunya University, Coimbatore, on 18.07.2016 to 22.07.2016

- K.E.Eswari, was attended Seminar on "Global Perspectives of Data Science with OSS Tools: R & Python" at Nandha Engineering College, Perundurai Organized by CSE Department on 29th & 30th August 2016.

- S.Sambasivam and S.Jagadeesan had attended an seminar on "A Day with Professional" organized by CLD, Nandha Engineering College, Erode on 20th September 2016.

- K.E.Eswari, C.Mani and S.Sambasivam had attended an seminar on "Banking " organized by CLD, Nandha Engineering College, Erode.

- K.E.Eswari, N.Zahirajahan, C.Navamani, R.Navinkumar were attended SERB Sponsored seminar on " Climate Smart Agriculture: Multi-Disciplinary Approaches using IoT, Cloud and Big Data " organized

- by Kongu Engineering college, Erode on 17th December 2016.
- K.E.Eswari, C.Mani, N.Zahirajahan, C.Navamani, R.Navinkumar and S.Jagadeesan were attended Workshop on "Mobile Apps Development" organized by Nandha Arts & Science College, Erode on 27th December 2016.
- S.Jagadeesan was attended seminar at Tech Mahindra, Chennai held on 14th, 15th and 16th February 2017.
- C.Mani was attended 51st Annual Convention of "Computer Society of India, CSI-2016" held on 23rd, 24th and 25th January 2017 at Hotel Le Meridien, Coimbatore.

SKILL UPGRADATION – STUDENTS

- 25 Nos. of Third years are participated in "Innovation day 2016" organized by Nandha Engineering College, Erode.
- 5 Nos. of Third years are participated in "Abhimaan 2.0" National level technical Symposium organized by Angel College of Engineering and Technology, Tirupur on 27th August 2016.
- 10 Nos. of Third year and second year students are participated in "Artifex'16" National level technical Symposium organized by MCA of Velalar College of

- Engineering and Technology on 30th September 2016.
- 75 Nos. of Second year and Third year MCA Students are particapted in the Intradepartment Meet organized by MCA department on 30th September 2016.
- 13 Nos. of Third year and second year students are participated in "Techbash' 2016" National level technical Symposium organized by Sri Shakthi Institute of Engineering and Technology, Coimbatore on 6th and 7th October 2016.
- 4 Nos. of Second year students are participated in "Futura'16" National level technical Symposium organized by MCA of Bannari Amman Institute of Technology, Sathy.
- 25 Nos. of Second year students are participated in "Sports Day 2017" organized by Nandha Engineering College, Erode.

AWARDS & ACHIVEMENTS –FACULTY

- K. E. Eswari has awarded for 100% Result Producer in the subject "Database Management Systems" in the Academic year 2016-2017.

- S.Jagadeesan awarded for 100% Result Producer in the subject "Mobile Computing" in the Academic year 2016-2017

- K.E.Eswari has awarded for 100% Result Producer in the subject "Scripting Language Programming" in the Academic year 2016-2017.

- N.Zahira Jahan has awarded for 100% Result Producer in the subject "Dynamic Programming" in the Academic year 2016-2017.

- C.Navamani has awarded for 100% Result Producer in the subject "Software Project Management" in the Academic year 2016-2017.

- R.Navin kumar has awarded for 100% Result Producer in the subject "Software Testing" in the Academic year 2016-2017.

- K.E.Eswari and N.Zahira jahan awarded the "Best Spirit Award" organized by Top Engineers, Top International Educational Trust on 26.03.2017 at Pondicherry.

- C.Navamani, S.Jagadeesan and R.Navin kumar awarded the "Best Faculty Award" organized by Top Engineers, Top International Educational Trust on 26.03.2017 at Pondicherry.

- K.E.Eswari, N.Zahira Jahan, C.Navamani, S.Jagadeesan and R.Navin kumar awarded the "Best Faculty Award" by Indian Academic Researchers Association (IARA Award), Tiruchy.

- K.E.Eswari has conducted the Seminar on "Big Data Analytics " at Sri Vasavi College, Erode on 24.09.2016

- K.E.Eswari and N.Zahira Jahan had conducted the Hands on Training on "R Programming" at Nandha College of Technology, Erode.

- K.E.Eswari and N.Zahira Jahan had conducted the Short Term course on "Data Science and Big Data Analytics" at Nandha Engineering college, Erode on 30.12.2016 to 04.01.2017.

AWARDS & ACHIVEMENTS - STUDENTS

- Dhivyabharathi.K and Ambiliroja of Final year students won the I Prize on Paper Presentation in the Technical Symposium organized by the MCA Department of Vellalar College of Engineering and Technology on 30th September 2016.

- T.Mohanasundaram and A.Gokulnath of Final year students won the I Prize on Technical Quiz Contest in the Technical Symposium organized by the MCA Department of Vellalar College of

Engineering and Technology on 30th September 2016.

- K. Kavitha of Third year student won the I Prize on DEBUGGING Contest in the Technical Symposium organized by the MCA Department of Angel college of Engineering and Technology on 27th August 2016.

- K. Kavitha and S.Sakthi of Final year students won the II Prize on Paper Presentation Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- M.Aarthi and K.Kunalakshmi of Final year students won the I Prize on Paper Presentation Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- A.Shakilabanu of Final year students won the I Prize on Code Debugging Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- A.Shakilabanu and G.Kiruthika of Final year students and K.Nandhini Second year student won the I Prize on Debugging Contest in the Intradept Meet organized by the MCA Department of Nandha

Engineering College on 30th September 2016.

- A.Shakilabanu and N.Gnavel of Final year students and K.Nandhini Second year student won the II Prize on Debugging Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- R.Marimuthu and T.Jeeva of Final year students won the I Prize on Multimedia Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- S.Pravin and D.Paul Dinakaran of Second year students won the II Prize on Multimedia Contest in the Intradept Meet organized by the MCA Department of Nandha Engineering College on 30th September 2016.

- C.Seenivasan, A.Dhanasekar, K.Aravinth Raj, G.Vignesh, A.Sasidharan, N.Sridharan, R.GokulPrasath, R.Jayakumar, G.Pragadeswaran, P.Arun and R.Sudhakar of second year students won the I prize in Kabaddi on Sports day 2016 organized by Nandha Engineering College, Erode.

- Aravinthraj K of second year students won the I prize in Pole Vault on Sports day 2016

organized by Nandha Engineering College, Erode.

- S.Krishnan, C.Seenivasan, M.Jayavel, R.Saravanan, G.Sethupathi of second year students won the II prize in Football on Sports day 2016 organized by Nandha Engineering College, Erode.

ALUMNI INTERACTION

- M.Kishok Kumar (2012-15), Software Engineer, Aagna Solutions Pvt Ltd, Chennai
- Sangeetha.P (2011-2014), Software Engineer, Achara Technologies, Coimbatore .
- Sampathkumar T T, (2007-2010), Senior Systems Engineer, Infosys Ltd., Trivandrum.
- R.Karthik (2012-2015), Web Developer, Vinayak InfoTech, Chennai.

PLACEMENT ACHIEVEMENTS

- During the Academic year 2016-2017, produced 98% of career settlement in ON drive and OFF drive in various MNC companies like TECH MAHINDRA, MAXIT, SAN TECHNO, etc.
