Research Policy

Nandha Engineering College (Autonomous) is committed to serve the society by conducting state of art research on par with the national and international standards. Our college creates an open platform to foster academic excellence and to pursue scholarly research activities. Researchers will abide by the research policy of the Institute in accordance with the two key principles namely, Quality and Ethics. They are also responsible for ensuring that the research practices are carried out in conformance with the Anna University research policy.

Academic Research

1. Norms for Doctor of Philosophy (Ph.D.)

- I.1. Candidates should enroll and register at Nandha Engineering College on getting provisional registration letter from Anna university and renew their registration during second week of January / July every semester. For full time scholars, every day attendance is preferred.
- I.2. Candidates should present his / her progress of research in the review meeting once in six months during third week of January / July and submit the Half Yearly Progress Review Report to the department in which they have registered. The schedule for the review meeting would be prepared and announced by the concerned department.
- I.3. The faculty after the award of Ph.D., shall get the guideship within 3 years. A supervisor, at any point of time, can guide 8 scholars at the maximum (including joint supervisor-ship). However, the number of full-time scholars to the supervisors can be limited by the institution time to time based on the infrastructure availability. Prior approval / permission should be obtained when there arises a need to guide more than the stipulated number of scholars under special / extraordinary / circumstances.
