## POST EVENT REPORT FOR SEMINARS, WORKSHOPS, STTP AND FDP

Title of the program : Digital Product Design  
Name of the convener : Dr. M. Easwaramoorthi  
Name of the coordinator : Mr. T. Venkateshan

Department of Mechanical Engineering, Nandha Engineering College had organized 4 Day "Digital Product Design" on 31.03.2022 to 03.04.2022 at Nandha Engineering College, Block-7. The resource person for the program Mr. Bharanithar had chaired the session. In his inspirational speech, he shared his experiences in the Career guidance with Faculty members.

### The major topics covered

- Digital Product Design - Workshop

The main objective of this seminar is to

- Provide Knowledge about the topic
- Provide unique lifetime skill
- Explore topic in more depth

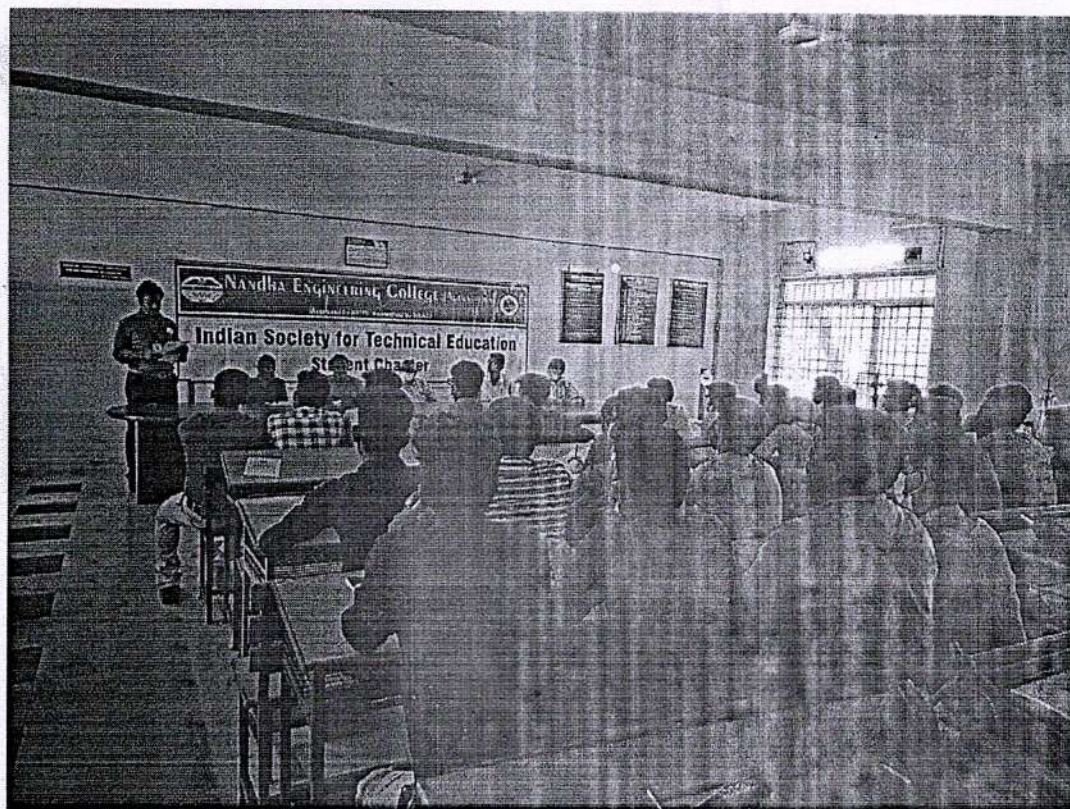

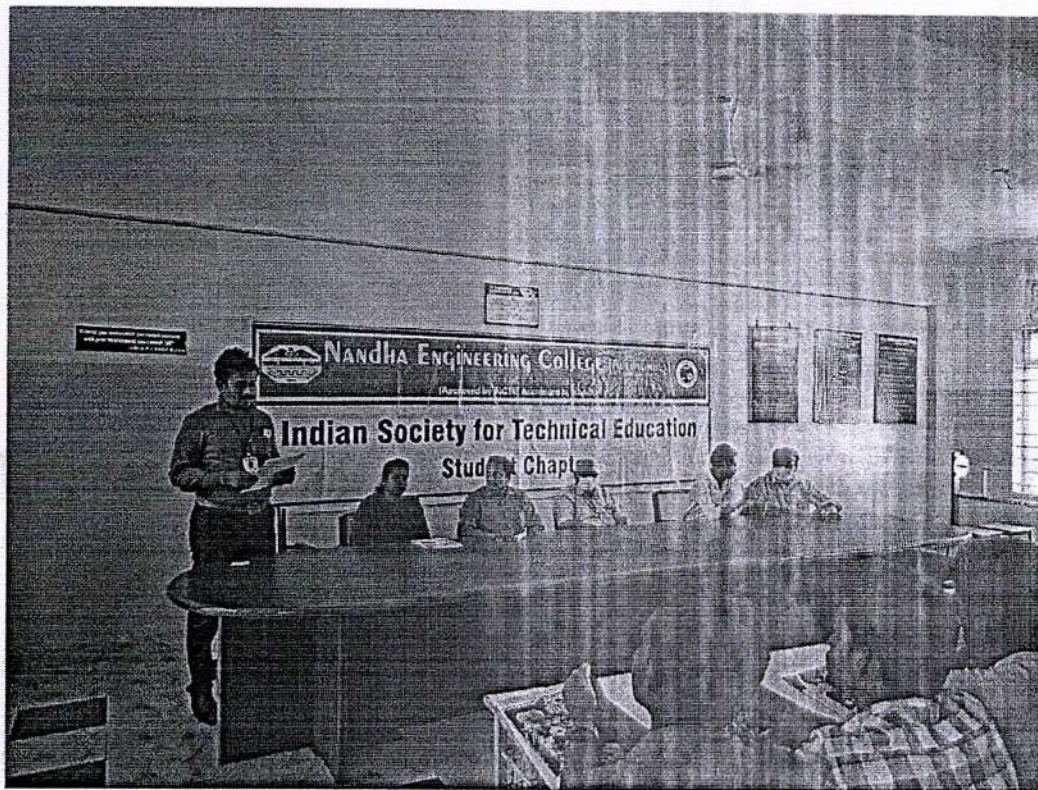

Total Number of Participant : 80

Name of the Resource person : Mr. Bharanithar  
Designation : Manager, CADD Centre  
Address for communication : ERODE

Title of the program : Seminar  
 Name of the convener : M.Easwaramoorthi  
 Name of the coordinator : M.Sengottaiyan

Department of Mechanical Engineering, Nandha Engineering College had organized One Da "3DPrinting Applications in Automobile Component Manufacturing" on 3.01.2022 in online mode. Th resource person for the program was Mr.Charth Chandar Natarajan, Co-fonder, Max CADD, Founde the thing company. In his inspirational speech, he shared his experiences in the Career guidance wit Faculty members.

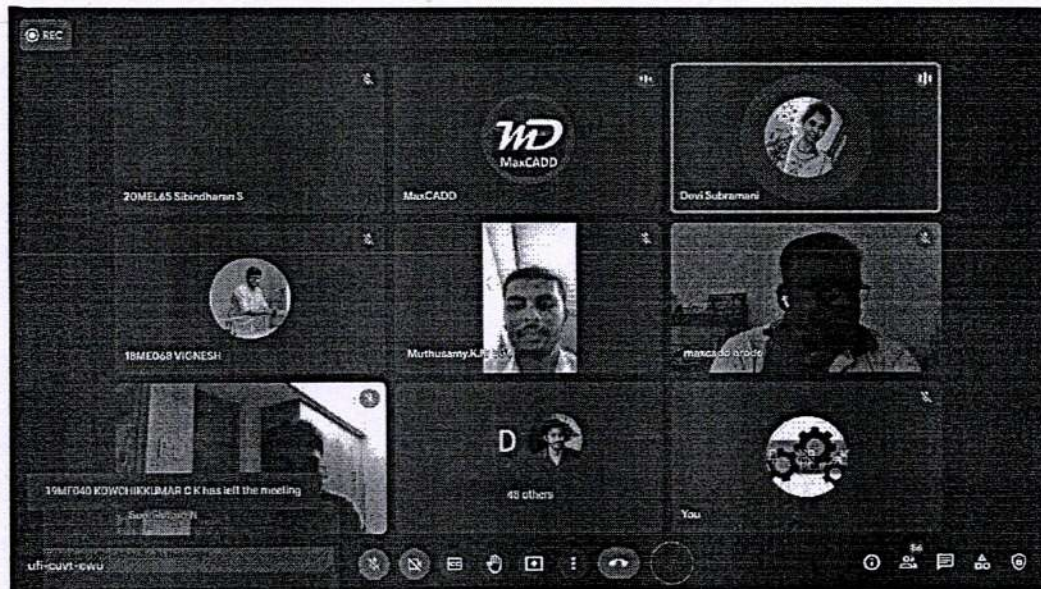

**The main objective of this seminar is to**

- Provide Knowledge about the topic
- Provide unique lifetime skill
- Explore topic in more depth

Total Number of Participant : 87

### CHIEF GUEST MESSAGE

I am very glad to note that, "Virtual National Conference on Advances in Engineering, Technology and Management (NCAETM-2022)" organized by the department of Mechanical Engineering, Nandha Engineering College, Erode will be held on May 20, 2022. The national conference will cover and highlight, discuss and share the information. Engineers play a key role in the development of countries. They contribute to and enable initiatives that drive economic progress and inspire the changes that improve our quality of life. Currently, the manufacturing industry is facing unprecedented challenges due to globalization and as a result, the business environment is characterized by complexity and continuous change. As such, this Conference is timely and an excellent opportunity for stakeholders to establish meaningful collaborations around the world. I look forward to an excellent meeting with great engineering minds from the Caribbean, sharing exciting and innovative presentations and ideas. I take great pride in welcoming all participants of the Conference and I am sure that each one of you will identify subjects of his/her interest and will benefit from many fruitful and enriching interactive discussions. My best compliments to the conference chief patron(s), Conference Patron, Conference Convener, Conference Coordinator and their organization team for all dedicated efforts and wishes for the successful conduct of the conference.

Dr. P. Navaneethakrishnan,  
Prof/ Mechanical and  
Chief - Coordinator /Planning  
Kongu Engineering College  
Perundurai, Erode-638060
