RECOMMENDATIONS OF THE INSPECTION COMMITTEE

Conditional Affiliation is recommended. ~~Most of the~~ provide a satisfying the following differences.

1. ✓ The principal does not have the requisite qualification. This was reflected last year also [New principal appointed, as ^{she per} AICTE Norms]
2. Poor infrastructure in terms of space, non-licensed software, cramped classrooms & laboratories.
3. Most of the faculties are only UG qualified. No. professors; Staff attrition rate is high.
4. The committee in its preliminary observation found that excess fees is charged in form of the word 'other fee'. This needs further investigation. If found true the excess fees may be ~~reimb.~~ aya.
