Sub: 10Nos. Student Membership – India Chapter of ACI

Dear Sir,

We are welcome 10 Nos. of students of your college as Students Members of the India Chapter of American Concrete Institute.

S.NO.	FIRST NAME	LAST NAME	MEMBERSHIP NOS.
1	Deepika	Subramani	SM.2021.172
2	Devashree	Shanmugam	SM.2021.173
3	Kaviya	Ravichandran	SM.2021.174
4	Monisha	Ravikumar	SM.2021.175
5	Ritheha	Jayaprakash	SM.2021.176
6	Srilakshmanan	Ganesan	SM.2021.177
7	Sugeshkumar	Girishkumar	SM.2021.178
8	Vasanthakumar	Shanmugam	SM.2021.179
9	Venkatesh	Pichaimuthu	SM.2021.180
10	Ravi Kant	Prajapati	SM.2021.181

Membership cards enclosed along with this letter.

Be with us to fulfill our mission to improve the quality of concrete in India with the motto "Progress through knowledge". We publish a quarterly journal "Concrete India", which is complementary to our members.

We would like to invite technical articles on your expertise in profession for the benefit of professional fraternity. Soft copy of "Concrete India" Journal (Quarterly) will be mailed to your registered email Id.

We shall keep you informed about our activities for your active participation.

Thanking you,

With regard,

Ujwala Pilankar
Office Superintendent
For India Chapter of ACI

To

Director (Membership),
The Institution of Engineers (India),
8 Gokhale Road,
Kolkata - 700020

Dear Sir,

Sub: Submission of Demand Draft for Students membership registration regarding

In Nandha Engineering College (Autonomous), a batch of 184 students wishes to join IEI [The Institution of Engineers (India)] through the Students Chapter. The details of the Students chapter are as follows:

Students Chapter code: 638052/NEC/MC
Mechanical Engineering (Third year, 2019-20)
Amount retained in Students Chapter/ student: Rs. 264
Students count - 184

Further, we are enclosing following documents:

- (i). Demand draft No: 728701 dated 10.07.2019 (for Rs. 43,424)
- (ii). Students name list
- (iii). Department level faculty adviser

In this regards, a kind request is made to enroll the listed students as members and permit us to issue the membership cards.

Thanking You

Topic: "How to Write an Effective Business Plan"

IEEE SB and Department of EEE jointly organized a program on "How to Write an Effective Business Plan" on 29.03.2021. Dr.S.Arumugam, CEO and SB Counsellor gave a keynote address about the business plan. Prof.P.Krishnagandhi, SB Coordinator shared best knowledge regarding business plan writing and demonstrated successful business canvas model of Uber, Gillette, Google, Facebook, VISA. The topics discussed in this webinar were What is the Business plan?, Why business plan?, Demonstration on Business Canvas Model of Uber, Gillette, Google, Facebook, VISA, and shown own lean canvas business model (Solar Powered Wheel Chair using the Internet of Things (IoT)). The participants interacted and raised the queries on business plan writing and its elements. The speaker answered to all the queries with examples. Thus the session became very more informative and interactive. The program ended with warm thanks and the meeting was hosted by Dr.K.Sadagopan, Chief Librarian.

INDIAN SOCIETY FOR TECHNICAL EDUCATION

(Under the Societies' Registration Act XXI of 1860)

ISTE/Students Membership/ TN-202

Dated : 18/11/21

Dear Sir / Madam

Sub : Despatch of Students Membership cards

Ref: Your letter along with details of students and DD for students membership fee - Regarding.

Please find enclosed herewith 569 No. (From 3801 To 4369) Students Membership Cards of your Institute. These Cards may kindly be distributed among the student concerned after writing name and address of the student on the reverse of the card and getting signature of students and faculty advisor. Kindly get it laminated & issue to respective student from the funds available with you to preserve it safely. The student membership fee currently is as follows:-

S.No.	Courses	Membership Fee			
		Basic + Admission fee + GST = Total fee			
1	BE/B.Tech/ B. Pharma/HMCT etc (4 years Duration)	200	+ 50	+ 45	= 295/- (Including one time Admission fee of Rs.50/- & GST @ 18%)
2	B. Arch. (5 years Duration)	250	+ 50	+ 54	= 354/- - do -
3	Diploma Level Courses in Engg & Tech. (3 years Duration)	150	+ 50	+ 36	= 236/- - do -
4	MBA (2 years Duration)	100	+ 50	+ 27	= 177/- - do -
5	MCA (3 years Duration)	150	+ 50	+ 36	= 236/- - do -

For Membership forms, Students Chapter formation criteria, awards for students, various activities for the students and distribution of share etc., please visit our website.

It is requested that the list of the students may kindly be sent in a soft copy in excel format to enable us to expedite and process students cards early.

Kindly acknowledge the receipt of the above.

Encl: Students Membership Cards. (Total No. 569)

To,

The Principal
Nandha Engg. College

Report

A Lecture Meeting titled "ELECTRIC VEHICLES TECHNOLOGY, POLICY AND BUSINESS" was organized by SAEINDIA Southern Section Erode Division on 2nd Aug 2019, Saturday at Nandha Engineering College, Perundurai. Student & Faculty members from other colleges like Kongu Engineering College, Velalar College of Engineering and Technology, K S R college of Engineering.

Speaker: **Mr. S Shanmugam** Chairman SAEISS Director Design Desk (India) Pvt. Ltd., Chennai

A welcome address was delivered by **Dr. M. Easwaramoorthi** Dean of the Department/Nandha Engineering College and Secretary/SAEISS ED followed by introduction about the speaker.

Mr. S Shanmugam started his lecture by introducing the latest technologies adopted Electric Vehicles. Then he was explaining the **Electric Vehicles Technology, Policy and Business**. He also covered new technologies used to store the energy in battery, which are going to come in near future. He advised student and faculty community to upgrade them by attending various activities of SAEINDIA. He played few videos related to Electric vehicle Technology. Finally he gave motivation talk related to skills to be acquired by the students to meet the future challenges and upcoming technologies of mobility engineering

Dr. N. Rengarajan Principal - Nandha Engineering College thanked the speaker and all the participants and presented the memento to **Mr. S Shanmugam** as a token of gratitude.

Digital Learning Activities

Letter of Appreciation

This letter of appreciation is awarded to **E.K.MOHANRAJ** for his/her efforts in disseminating and supporting the learners of the Swayam NPTEL Local Chapter **NANDHA ENGINEERING COLLEGE**, as a Single Point of Contact (SPOC) during the Jan-Apr 2020 semester. The support provided by the SPOC was critical in ensuring a smooth completion of the various academic activities in the COVID-19 impacted semester.

As per the data at our end, the details related to **NANDHA ENGINEERING COLLEGE** are as given below.

This is indicative of the activeness of the SPOC in supporting and disseminating the information within the local chapter. We want to extend our sincere appreciation to the SPOC for all the effort and support extended throughout the semester.

Number of candidates registered	Number of candidates passed (based on assignment scores)
210	201

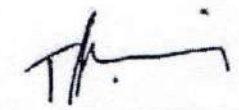

This calculation is per the modified pass criteria.

- If average assignment score $\geq 40/100$ (which is also one condition for certificate eligibility), we will issue a modified Pass certificate.
- If this score $< 40/100$, this certificate will not be issued.

We will calculate the Average Assignment score as follows:

Average of the best 3/6/8 assignments for courses of duration 4/8/12 weeks (or as announced apriori in the course in case of changes)

Academic seminar on Industrial Revolution in Electrical and Electronics Engineering

Department of Electrical and Electronics Engineering, Nandha Engineering College had organized One Day Industrial seminar program on **'Industrial Revolution in Electrical and Electronics Engineering'** on 30-08-2019 at Conference hall. The resource person for the program was Dr.T.Gunasekaran,, Program Director Telecom, Higher College of Technology, Oman.

The main objective of this seminar is to

- I. Motivate the students to know about Industrial Revolution in Electrical and Electronics Engineering
- II. To know the field opportunities in industry

He explained about various technology involved in electrical & electronics and opportunities Students know about the advanced technology in the field of power system. All other concepts with technology advancements was explained to the students

A total of 82 students was participated in the Academic seminar Programme to expand their knowledge.

One day workshop on Hands on Training on Linear Integrated Circuits

Department of Electrical and Electronics Engineering, Nandha Engineering College had organized One Day Industrial seminar program on **"Hands on Training on Linear Integrated Circuits"** on 07-03-2020 at block 4 LIC Lab. The resource person for the program was Mr.JAGATHAGURU MARIMUTHU, Managing Director, Illuminen Technologies,Coimbatore.

The main objective of this seminar is to

- I. Motivate the students to know about Linear Integrated Circuits
- II. To know the concept of real time experiments

He explained about various technology involved in linear integrated circuits opportunities Students know about the advanced technology in the field of ICs. All other concepts with technology advancements was explained to the students

A total of 78 students was participated in the workshop Programme to expand their knowledge.

Department of Mechanical Engineering, Nandha Engineering College had organized One Day “Industrial seminar on Industry Ready Engineers: Road Map for Skill Sets with industry perspective” on 29-05-2021 at Online. The resource person for the program was Mr. Frederick Emmanuel, Design Engineer, Onward Technologies, Bangalore had chaired the session. In his inspirational speech, he shared his experiences in the Career guidance with Faculty members.

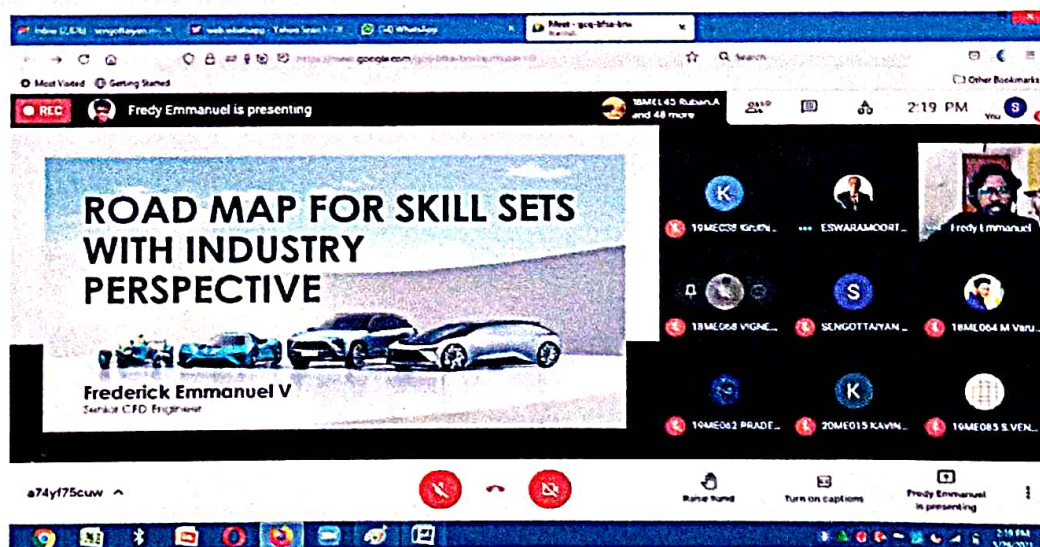

The major topics covered

- Skill requirement in Industry
- how to develop technical skill

The main objective of this seminar is to

- Provide Knowledge about the topic
- Provide unique lifetime skill
- Explore topic in more depth

ALUMNI INTERACTION ON SaaS ECOSYSTEM AND ITS OPPORTUNITIES

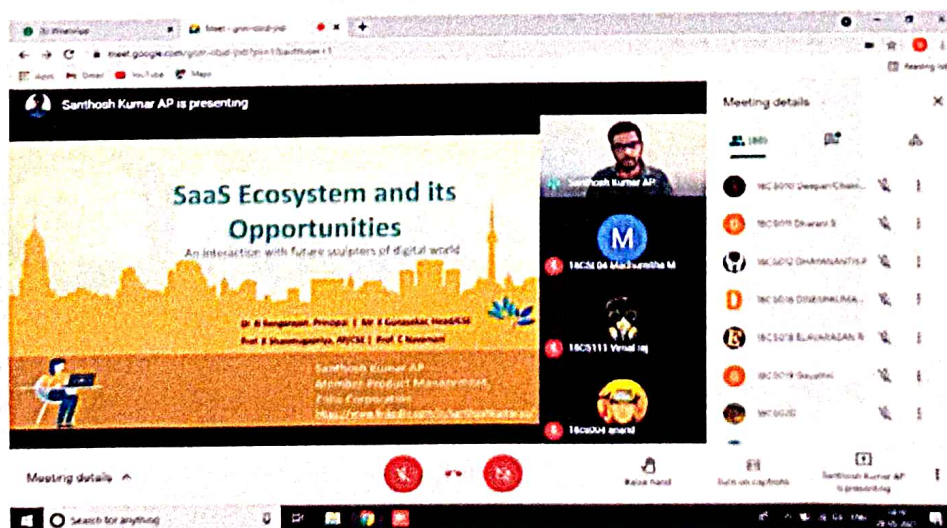

Department of Computer Science and Engineering, Nandha Engineering College had organized Alumni Interaction on “SaaS Ecosystem and Its Opportunities” on 29-05- 2021 at Google Meet. The resource person for the program was Mr.A.P.Santhosh Kumar, Member-Product Management, Zoho Corporation, Chennai. He is an eminent person to give key noted regarding cloud opportunities and suggestions.

The main objective of this interaction is to

- I. Motivate the students to become experts in cloud environment
- II. Explore different types of Cloud Environments
- III. Advantages of SaaS
- IV. SaaS Skillset
- V. Opportunities of SaaS

He explained what SaaS (Software as a Service) is and what are the advantages of SaaS. He gave detailed knowledge on what are the Indian SaaS companies with more than 1 million annual revenue. Impact of SaaS Ecosystem provides statistical analysis of SaaS implemented industries with others. At last he explained what are the skill sets needed to implement SaaS in an Organization and what are the career opportunities are available for freshers and he answered all the queries raised by our third year CSE students.

A total of 117 students was participated in this interaction to expand their knowledge.

WEBINAR ON INDUSTRY ACADEMIA CONNECT

Department of Computer Science and Engineering, in association with Department of Information Technology, Nandha Engineering College had organized an online Webinar on "Industry Academia Connect" on 18-08-2020. The resource person for the program was Mr. Udaya Sankar, Lead-South India, NASSCOM, Co-Founder Maatram Foundation & Evangelist, Strategist and Educationalist, Chennai, Tamilnadu.

The main objective of this webinar is to reduce the technological gap between the industry and academics. It includes the following topics

- I. How does NASSCOM work?
- II. IT-ITes SSC: Developing the Digital Talent Roadmap.
- III. Education & Training Ecosystem
- IV. Building India's Digital Talent Stack
- V. Top Technologies
- VI. Blurring Lines between Tech and Non-Tech Skills

He first explained about how NASSCOM is working for Students, Professionals, Colleges, Learners, Job Seekers and Industry People. The need for Digital Talent Development that includes Job Standard, Future Skills, Apprenticeship Program was discussed among the participants. The importance of Curriculum Alignment, Faculty Training, Assessment Programs & Certifications and Skill Building Programs were strongly insisted to participants in order to reduce technological gap between industry and academia in future. The need for learning top technologies such as Big data Analytics, IoT, Machine Learning, Cloud Computing, Blockchain, Cyber Security was discussed in detail.

Academic seminar on Electronic product design

Academic webinar on experience on light tracker subsystem design for use in light communication held on 18.05.2021 on Google meet. Dr. S. Natarajan, Professor, Department of ECE VelTech Rangarajan Dr. Sagunthala R&D Institute of science and technology Chennai explained The tracking functionality in standard photovoltaic trackers and also delivered his project idea on light communication and provided a platform to the students to develop projects and instructed students to get fund for the projects. He further added about possible light communication in everyday's life. The session was very interactive with students and faculty.

He motivated faculty to apply for funded projects and also he added information about some of the government and private funding agency. He pointed out how to apply and get a fund for worthy projects. Faculty and students questions were answered at the end of the session. The event was organized by Mr. T. Jayachandran and Mr.M.Srinivasan Assistant Professor Department of ECE. More than fifty students attended this seminar and got benefit

Industrial seminar on Embedded systems in Industrial Automation

Industrial Seminar on “Embedded Systems in Industrial Automation” was successfully conducted by Department of Electronics and Communication Engineering. Mr.V.Sasikumar, Managing Director and Mr.Arunkumar, Manager, MIKROSUN Technology are invited as resource persons to deliver their knowledge and share their experiences in the embedded systems in Industrial Automation. They explained the concepts which come under the embedded systems in Industrial Automation in a very clear manner which are very helpful for the students career opportunities in that field. This Industrial seminar makes many students to change their interests into the embedded systems in Industrial Automation. He added for machine control, the embedded automation system is used to perform a range of tasks within industrial equipment, such as maintaining fluid flow rates in a CNC machine, controlling assembly line speeds, and automatically adjusting gear ratios in motor driven processes. Many manufacturing systems already feature programmable logic controllers (PLC) that can communicate at the I/O level. Many faculty members has cleared their doubts in that field which are also useful for students and the resource persons has cleared their doubts very well

Topic: "Startup – An opportunity for Career Enhancement"

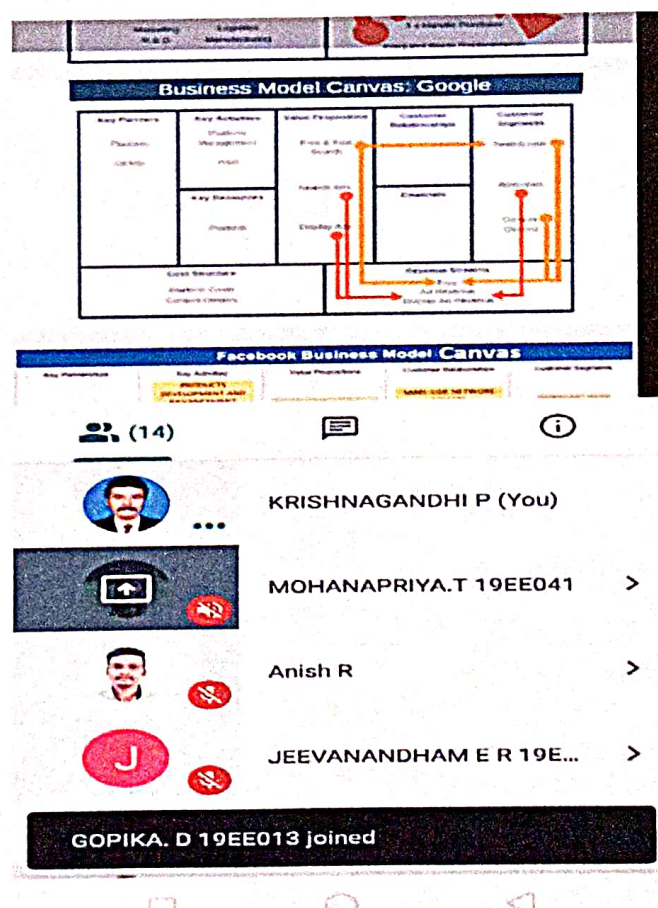

IEEE SB and Department of EEE jointly organized a program titled on "Startup – An opportunity for Career Enhancement" on 16.03.2021. Dr.S.Arumugam, CEO and SB Counsellor gave a keynote address about the start-up and its initiatives. Prof.P.Krishnagandhi, SB Coordinator shared best knowledge regarding start-up idea validation, reason for startup failure and demonstrated on startup registration. The topics discussed in this webinar were How to start Start-up?, Idea Validation Techniques, Why fails start-up?, and start-up Registration. The participants asked the questions and queries on how start start-up and registration. The speaker answered to all the queries with examples. Thus the session became very more informative and interactive. The program ended with warm thanks and the meeting was hosted by Dr.K.Sadagopan, Chief Librarian.

SAFETY CLUB & SOCIAL CLUB: "HELMET AWARENESS PROGRAMME"

Venue: Police Station, Perundurai

Date : July 06, 2017

Neyam social club of Mechanical Engineering Department in Nandha Engineering College organised a helmet awareness rally along with students of the Nandha Engineering College, Faculty members, Traffic police. The rally was flagged off by Perundurai R.T.O, Mr.P.Venkatramani. The event was chaired by Chairman of Nandha Educational Trust Mr.V.Shanmugan, Principal of Nandha engineering college, Dr.N.Rengarajan. The rally started from the perundurai police station on two-wheelers which passed through, Bus stand, Anna Silai, Regional Transport Office and concluded at the college.

During the rally, the students spread the message of obeying traffic rules by wearing helmets, by two-wheeler riders as well as pillion riders. Students also displayed placards and posters regarding road safety. The regional transport officer Mr.P.Venkatramani and the motor vehicle inspector Mr.Kannan told the students about ill-effects of not following the traffic rules and regulations and motivated them to keep their vehicle documents with them while commuting. They also encouraged the students to tell their family members to follow traffic rules to avoid accidents. The college management and the principal appreciated the efforts of the students, staff and the traffic police for conducting the motivational rally for safe driving.

Helmet Awareness Rally” from Nandha Engineering College to Perundurai on 02.07.2019

Neyam social club of Mechanical Engineering Department in Nandha Engineering College organised a helmet awareness rally along with students of the Nandha Engineering College , Faculty members, Traffic police. The rally was flagged off by Mr.S.Rajakumar, DSP ,Erode Rural Subdivision, The event was chaired by Perundurai R.T.O, Mr.P.Venkatramani ,Chairman of Nandha Educational Trust Mr.V.Shanmugan,Principal of Nandha engineering college,Dr.N.Rengarajan. The rally started from the college gate on two-wheelers which passed through perundurai police station, Bus stand, Anna Silai, Regional Transport Office and concluded at the college.

During the rally, the students spread the message of obeying traffic rules by wearing helmets, by two-wheeler riders as well as pillion riders. Students also displayed placards and posters regarding road safety. The ADCP and the ACP (Traffic) told the students about ill-effects of not following the traffic rules and regulations and motivated them to keep their vehicle documents with them while commuting. They also encouraged the students to tell their family members to follow traffic rules to avoid accidents. The college management and the principal appreciated the efforts of the students, staff and the traffic police for conducting the motivational rally for safe driving.

CULTURAL CLUB

Students will develop a series of challenging physical obstacles an individual must navigate usually like running, climbing, jumping, crawling and balancing. They can test the coordinators and teamwork of people giving the restrictions in this unique game of body and mind. Students can test their physical and mental abilities to the peak. At the end of the course the students will be physically and mentally free and also it leads to have confidence in their teamwork

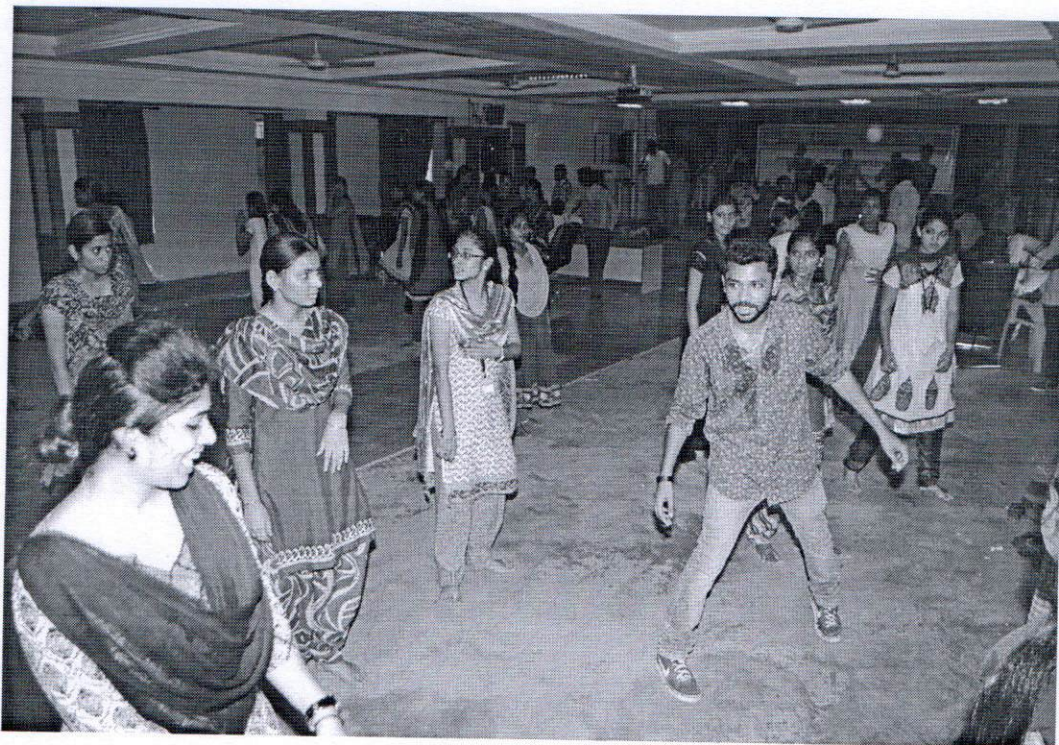

ACTIVITIES

- Develop creativity and imagination by responding to problems in movement or music
- Learn new words and concepts through songs and movement (learning in body parts by sing "Head, Shoulders, Knees, and Toes").
- Explore the many ways in which a body can move (finding different ways to get to the other side of a line without stepping on it).
- Develop large motor skills (moving to music and participating in other creative movement activities).
- Improve balance, coordination, and rhythm through dancing and other movement activities (playing "Follow the Leader").
- Improve small motor skills (learning finger plays and playing musical instruments).

FINE ARTS CLUB

The main objective of Fine Arts Club is to encourage the students in various arts activities and to improve the imagination skill in Entertainment. Fine arts help the students develop their leadership abilities. Students will be able to express their thoughts, feelings and creativity through the various visual art forms from two dimensions to three dimensions. They can formulate questions and responses clearly and precisely based on relevant information and research and to come to well reasoned conclusions and solutions and effectively express concepts in concrete form. Students skillfully create artistic form using techniques and methods appropriate to the intended result and understand that the meaning of a work of art is conditioned by the manner in which it is exhibited or otherwise presented and distributed.

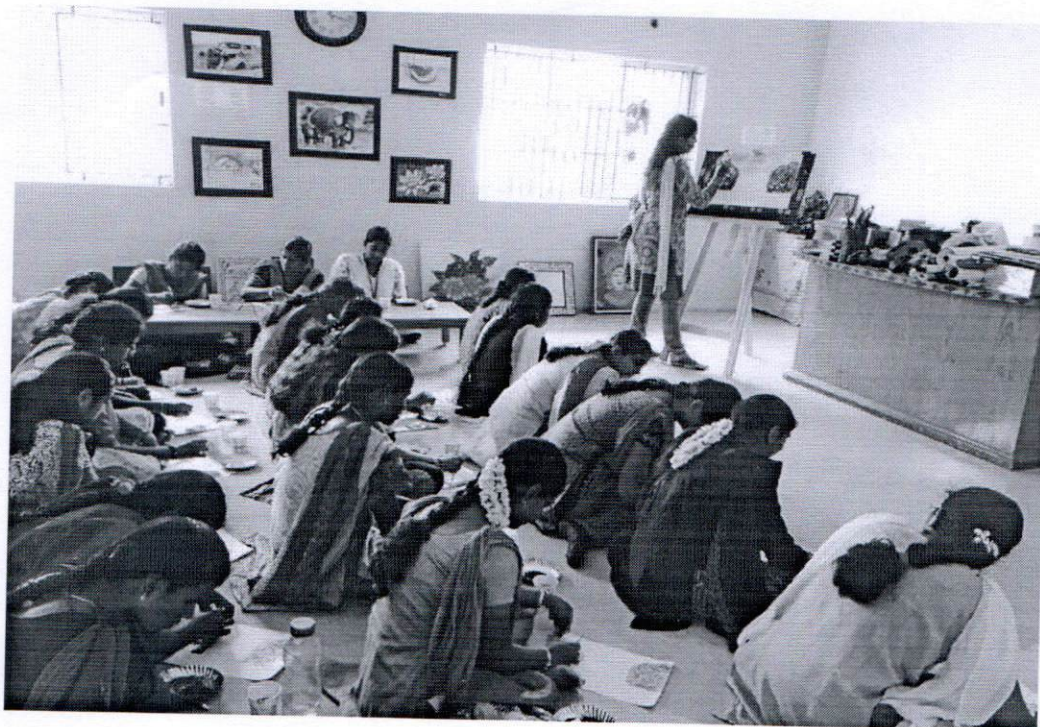

ACTIVITIES:

- Painting
- Drawing
- Crafting
- Modeling
- Face Painting
- Rangoli

MUSIC CLUB

Music club gives the understanding of basic music teams and get to know type of instruments and to know about types of music and sounds of music, the flow and fast tempo and to recognize high and low pitch. The outcome of the music club is to be able to identify musical teams and instruments, select different sound format tempo and pitch according their situation. It helps to do the replication of existing performance, team work and perform in group events

ACTIVITIES

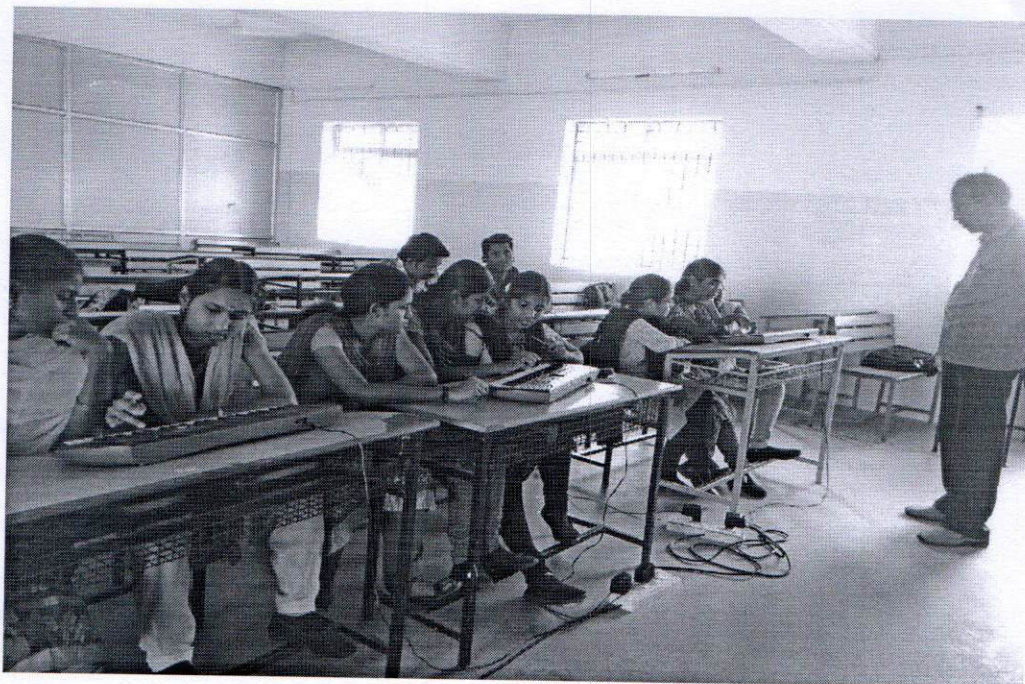

- General music theory
- Learn the different types of music instruments
- Training classes for Guitar
- Training classes for Keyboard
- Training classes for drums and vocal

PHOTOGRAPHY CLUB

Photography Club is a blend of people who want to capture and create beauty. The club aims to create the opportunities for every student to discover the artist within themselves. It also gives them the platform to paint their dreams into reality.

Photography is a wonderful hobby and has proved to be very popular among the students. This club focuses on taking and collecting fine photographic shots and participating in photographic competitions. Students can also learn many of the technicalities involved in digital as well as film based photography. The aim of the club is to promote photographic interest within the university and provide a place for anyone with an interest in photography to meet and exchange ideas and share experiences. The club organizes various lectures, demonstrations, and competitions. It is our practice to welcome everyone with an interest in photography, regardless of their experience.

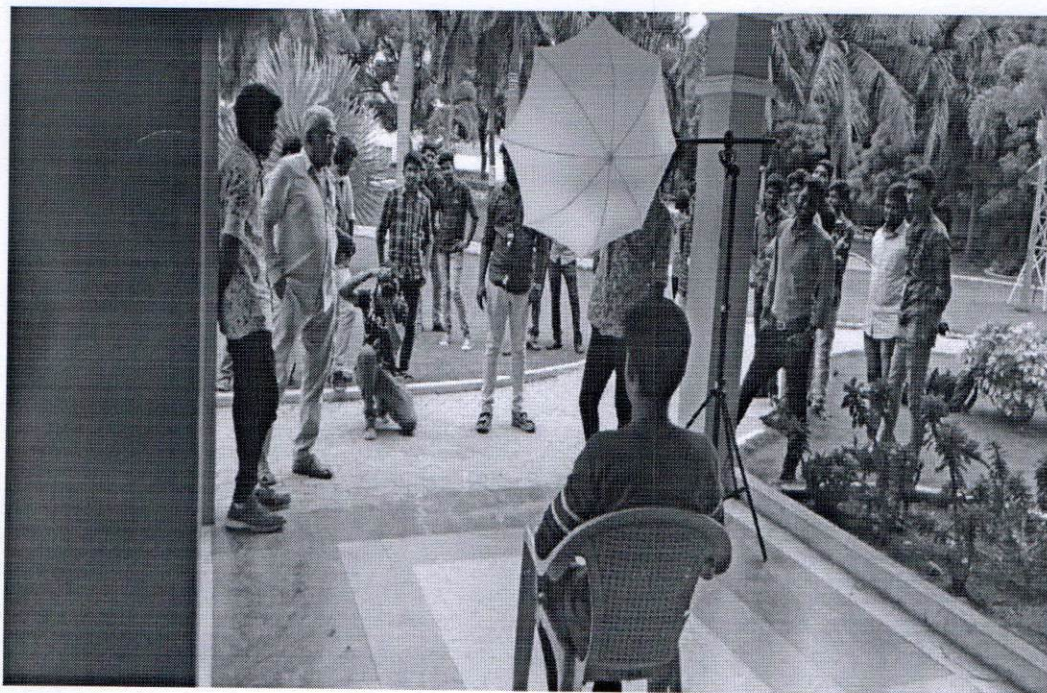

The main purpose / objectives of this club

- To train the students to have child's eye for observation, an artist's taste for beauty and a poet's expression for emotion which would thereby emulate technical concepts and ideas into reality.
- To encourage students to express their thoughts and emotions through art or photography
- To make students to learn the transformation of technical facts into real-time applications
- To enable an artistic approach of patience and trigger shooting mind by arranging photographic related gathering and exchange their knowledge, with the help of events such as workshops, exhibitions and photography tours.
- To inculcate the habit of imagination of concept transformation to implementation.
- To Develop Photographic Skills among Students and to empower them to become young Short film makers , photographers which would increase their analyzing and sensing skills.
- To create an atmosphere for the students to discover, develop, deploy and express their Creativity in Photo & video , capturing & editing skills.
- To Provide & train Students in using Graphics & editing tools and software which would make unique in their profession.

NATIONAL SERVICE SCHEME CLUB

National Service Scheme provides the students an opportunity to understand the community; identify its needs and problems as well as the solutions in which they can be involved by assuming social and civic responsibilities. NSS also provides students with the opportunity to apply their education in finding practical solutions to the problems faced by the individuals and the community at large. NSS aims at arousing social consciousness of the youth with an overall objective of personality development through community service. NSS enables students to participate in various programmes of social service and national development, and to help the community.

ACTIVITIES

- Temple Cleaning and Village cleaning
- Digital awareness, Voters / Election Awareness camp
- Tree Plantation programs
- Blood Donation Camp
- Public Education
- Awareness Rally

YRC CLUB

The Youth Red Cross Society aims to inspire, encourage and initiate at all times, all forms of humanitarian activities so that human suffering can be minimized, alleviated and even prevented. The main purpose of organizing the Youth Red Cross is: Informing youth members and others the roles and responsibilities of the Red Cross and encourage them to contribute. To create an awareness on the care of their own health and that of others. Understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfill the same. To enable the growth and development of, spirit of service and sense of duty with dedication and devotion in the minds of youth. To foster better friendly relationship with all, without any discrimination.

ACTIVITIES

- Awareness programmes
- Practice of Health habits
- Organizing blood donation camps.
- Organizing a talent hunt programme among orphanage students and visually challenged people.
- Activity related to civic responsibilities and acting accordingly with humanitarian concern

TREE PLANTATION CLUB

Planting trees is the ideal approach to support nature. It additionally helps other living species, including people, in many ways. Trees give us oxygen, food, shelter, and many more. They are natural air filters and noise safeguards. When trees are planted, the biodiversity of that area is improved. It improves the development of species and saves their depletion or extinction. The tree likewise gives products of the soil. The club create interest in tree planting and maintenance, gives exposure to the importance of conserving forest and improves student outdoor, recreational activities.

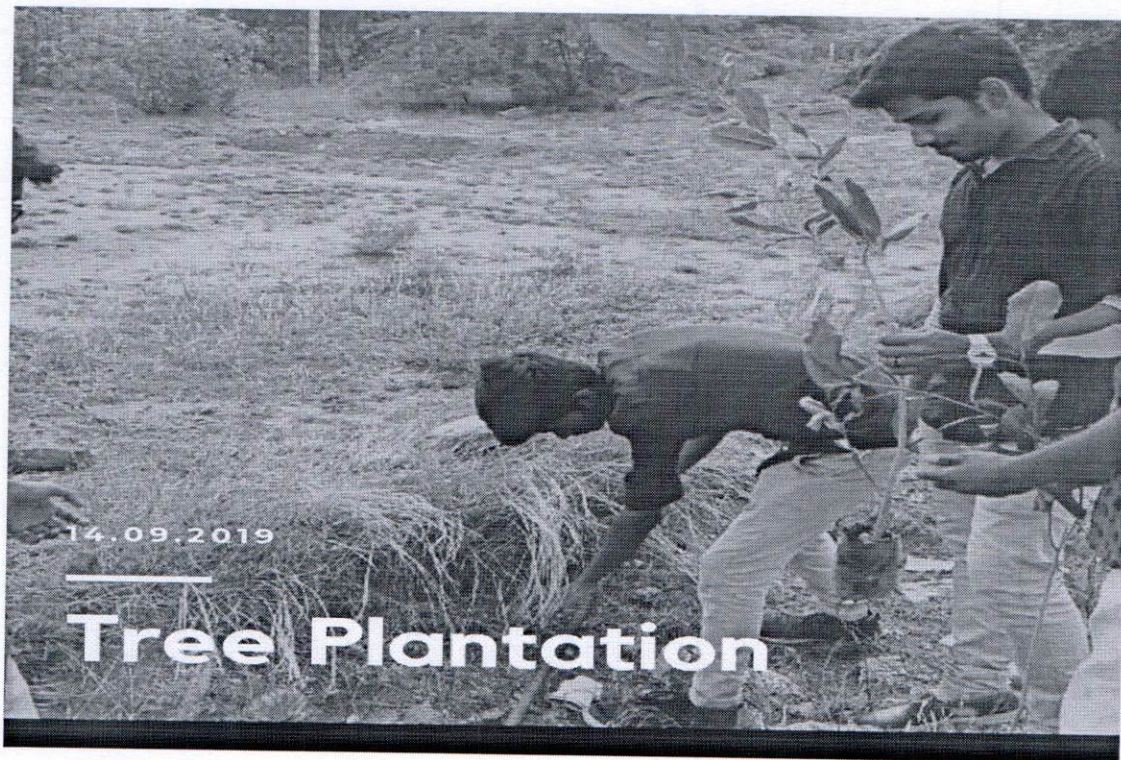

ACTIVITIES

- Tree planting around the village playground
- Find the location of waste water and planting trees to utilizing the waste water
- Tree maintenance
- Awareness program about conserving rain forest
- Giving Saplings to public on their requirements

ROAD SAFETY CLUB

Potential hazards can range from bad road behavior to road dynamics or even bad infrastructure. Behaviour such as drunk-driving, exceeding speed limits and general rash driving contributes significantly to road accidents. Furthermore, ignoring road signs which provide important information – such as crossroads or intersection can also be the leading cause in vehicular accidents. Even maintenance of the vehicle plays an important role in road safety. For instance, many car accidents are the result of the tire blowouts – which occur when the tires are underinflated and driven beyond their operational life.

In some cases, environmental factors, such as rain, fog or smog may hamper visibility. These are notorious for causing pile-ups on the highway. Other factors such as rain can cause a phenomenon called hydroplaning, where the vehicles traveling at high speeds start sliding uncontrollably because the tires are pushed off the ground by a thin film of water on the road. In conclusion, all these dangerous situations can be easily avoided if road rules are strictly followed and vehicles are well-maintained. Most importantly, drive within the speed limits and avoid using phones.

ACTIVITIES

- Programme to educate road users about traffic rules, traffic regulations and related matters.
- Event to develop skills among the students for interacting with various traffic situations.
- Knowhow to assist in the enforcement of traffic rules
- To train and work in a volunteer forum for aiding Trauma Care activities.

TREKKING CLUB

Students of today are leaders of tomorrow. The future leaders are expected to carry a large burden of solving myriad issues some of which cannot be foreseen today. Problem solving requires not only intellectual skills but toughness, perseverance, team building, communication skills and many more. This is evident from the sudden rise in health issues amongst young people. Rise in Diabetes, BP and heart diseases amongst young people has become very common. India will soon become the Diabetes capital of the world. Regular exposure to tough situations in an exciting environment can improve resilience and many of these skills. Further, the continuous physical activity in pristine environment will improve metabolism and health. This leads to being amidst natural environment can give major rejuvenation for the mind and body. Besides, people come closer and bond better with each other as they have union of purpose. Club imbibes basic human values like humility, being down to earth, respect for Mother Nature, leadership and organizing skills can develop during treks. Club allows to undergo physical hardships during treks can prepare one to handle career and domestic pressures with much ease.

ACTIVITIES

- Trekking at hills area
- Forest walk
- Treasure Hunt Hiking
- Rock climbing training camps.

SPORTS CLUB

The Sports club is committed to provide a healthy sporting habit among the students. It helps to learn teamwork at work, coordination among diverse cultural & ethnic groups and mainly infuses discipline & instills the value system in one individual. Value of time, precision & competitiveness are the major learning points apart from communication, coordination & teamwork. This club promotes our sports activities to help students maintain health and fitness. We offer both indoor and outdoor games. Our indoor games include chess, table tennis, carom and more. We have a well-maintained playground for games like basketball, volleyball, football, badminton, cricket and athletics.

At the end of the course the students can identify the student leadership and self confidence, Gain experience in organizational leadership, event management and business processes and develop their body both physically and mentally.

ACTIVITIES:

- Indoor games
- Outdoor games
- Conduct intra and inter-meet competition

Open Source Club

Open Source club was inaugurated in the department of Computer Science and Engineering on 31st AUGUST 2013. Open Source club helps students to learn about, contribute to, and create open source projects. Many students have little understanding or experience with open source, so there is need for initial activities to be very introductory. The main motive is to develop many open source projects by the student's community.

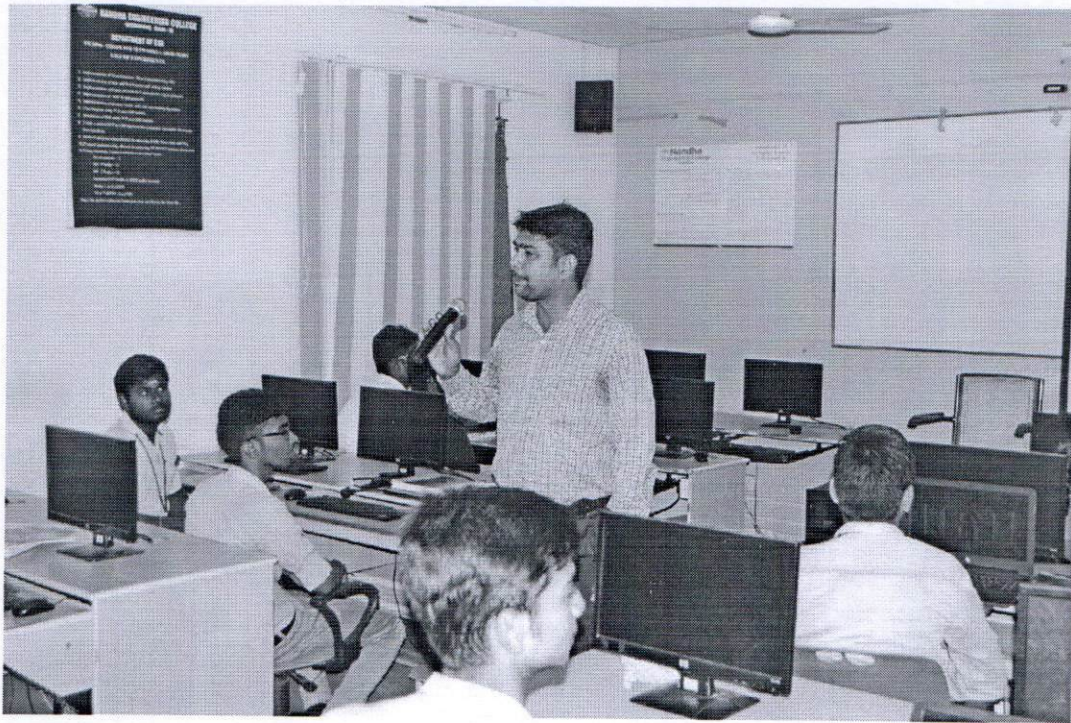

Activities:

Seminar/ Training on

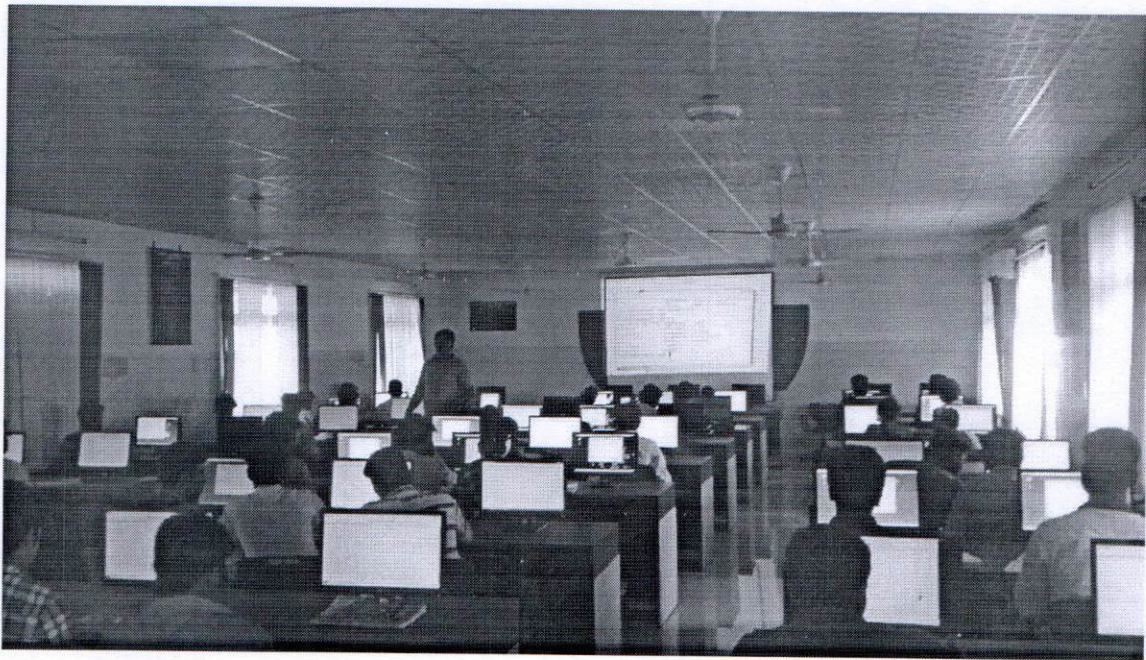

- ✓ Introduction to Open Source Software
- ✓ Developing a Simple Android Application
- ✓ Web Applications
- ✓ Linux operating system
- ✓ Mobile Application Development
