OCTOBER 2022

NATIONAL UNITY DAY

The NSS unit of Nandha Engineering College celebrates October 31 as National Unity Day to pay tribute to veteran freedom fighter Sardar Vallabhbhai Patel, whose contribution in convincing many of the princely states to join the Union of India after independence remains especially notable. As the country remains grateful for Patel's crucial efforts leading to the integration of India, the day is celebrated as homage to that "national unity" at the college campus on October 31, 2022.

The students from various departments of Nandha Engineering College took part in the pledge. On National Unity Day, a pledge is read out by students: "I solemnly pledge that I dedicate myself to preserving the unity, integrity, and security of the nation and also strive hard to spread this message among my fellow countrymen. I take this pledge in the spirit of the unification of my country, which was made possible by the vision and actions of Sardar Vallabhbhai Patel. I also solemnly resolve to make my own contribution to ensure the internal security of my country."
