## Students Feedback Report on Curriculum and Syllabus Analysis and Action Taken Report

Feedback from the students are collected to strengthen the quality of teaching-learning process and improve the performance of the students.

### Points on analysis

- Most of the students are satisfied with the laboratory exercises which improve their ability to understand concepts and helps to relate theory to practice.
- Majority of the students agreed that the text books and reference books are relevant, updated and appropriate.
- Most of the students accepted that the syllabus is career oriented
- Students are satisfied with the examples of concepts / principles and description provided by the teachers.
- Majority of the students reported that the placement training and support provided by the college is excellent.

### Suggestions

1. To include adequate industry oriented courses to fulfill the industry needs.
2. Suggested to include courses of recent trends in curriculum.

### Action taken

1. One credit courses, value added courses and industrial seminars are conducted to meet out the industrial needs.
2. Recent trends courses as Machine Learning, Virtual Instrumentation are included in curriculum

## Faculty Feedback Report on Curriculum and Syllabus Analysis and Action Taken Report

Feedback from the faculty members are collected to strengthen the quality of teaching-learning process and improve the performance of the students.

### Points on analysis

- Many faculty members agreed that curriculum and syllabus are on par with recent trends.
- Most of faculty members accepted the adequacy of academic tasks in the course plan.
- Majority of faculty members are satisfied with course equilibrium between theory and application.
- Most of faculty members are satisfied with the accessibility of relevant reading materials and e-sources in the library.

### Suggestion

1. To make students learn industry oriented online courses.

### Action taken

1. Students are encouraged to undergo NPTEL online courses and course exemption is provided to students who clear the exams.
