

## ABOUT THE COLLEGE

Nandha Educational Trust was promoted by Thiru V. Shanmugan, chairman cum managing trustee in 1992 with a vision to serve and lead the society by imparting quality value based education as the mission. Nandha Engineering College was started in 2001 and is affiliated to the Anna University. The college is located in a serene atmosphere at a distance of 13 km from Erode. The college has state-of-the-art infrastructural facilities and offers 12 undergraduate, 6 postgraduate programmes in various disciplines of Engineering, Technology and Management with approved Research Centre for PhD programs.

## ABOUT THE DEPARTMENT

Biomedical Engineering is started in the academic year 2018-19 with clear vision to promote the challenges in the current medical field through education and research that bridges the gap between Engineering, Biology and Medicine. The

Biomedical Engineers are ideally trained to work at the intersection of science, medicine, and mathematics to solve biological and medical problems to find placements in leading Multi-National Companies, Hospitals, and KPO's.

We have signed MoUs with many reputed industries which enables full utilization of our respective comparative advantages and initiatives in working at the interface of Engineering and Medical domains.

The laboratories like Electronic Circuit and Devices, Microprocessor and Microcontroller, Digital Image /Signal Processing, Human Physiology and Biomedical Instrumentation will explore the state-of-the-art techniques to meet the industrial needs.

## PROFILE OF RESOURCE PERSON

Name: Mr. Muhammadu Sathik Raja

Designation: HR & CR Advisor  
Medingers Healthcare Solutions, Erode.

**Mr. Muhammadu Sathik Raja**

**HR & CR Advisor – Medingers Healthcare Solutions, Erode**

- Professor & Head – Department of Medical Electronics, Also play role as HR & CR Advisor to “**Medingers Healthcare Solution**” (Multinational Company).
- Completed B.E.(BioMedical Engineering), M.E(Applied Electronics), MBA (Hospital Administration).
- His research area is stress Recognition & Management.
- He has keen interest in the Medical regulatory & Medical Auditing.
- He was diagnose the boon of Medical Coding & Medical Scribe & growing employability in healthcare industry, because of his strong network in both Academic & the Industry Circles, which leads him to offer 100% Placement opportunities & support to the students consequently.

## SEMINAR REPORT

The Department of Biomedical Engineering and IIC jointly organized seminar on Innovation in Healthcare Equipment and patent, a Self-Driven Activity on Feb 10, 2023.

Resource person – Mr. Muhammadu Sathik Raja, HR & CR Advisor – Medingers Healthcare Solutions, Erode interacted with the students of Third year BME about various healthcare Equipment's and provided the information about various career opportunities available for the Biomedical Engineers. He gave some insight on the patent procedures and benefits of getting patent for student's ideas.

"Medingers" means "Medical" + "Engineers". Creating atmosphere of Trust, Respect and Security through whole hearted commitment. Company also meet the bottom-line requirements of healthcare facilities for biomedical equipment servicing, sales, AMC, project consultancy, and training to your staff in order to provide the best services & an improving clinical experience.

## SEMINAR REPORT

The Department of Biomedical Engineering and IIC jointly organized seminar on Entrepreneurship & Innovation in Biomedical Engineering, a Self-Driven Activity on May 12, 2023.

Resource person – Mr. Kannan A G - Director, Infinity Biomedicals, Coimbatore worked in sales and service field - M M Medical systems for 4 years and successfully started his own company in 2019. Being fiercely focused in developing cutting edge medical devices, he shared his experience on building up his own Medical devices based Start-up company. Also elaborated on importance of Biomedical Engineering, various career opportunities and guidelines to setup career pathway for students. While concluding, he invoked the necessity of venturing more startup companies to meet the needs of Healthcare.
