Hands-on Training using Total Station

The Institution's Innovation Council (IIC) and Department of Civil Engineering, Nandha Engineering College (ICI-NEC) has arranged a "Hands-on training using Total Station" on 12th November, 2022. The session was engaged by **Er. T. Srivishnu, Surveyor, V. S. Institute of Technology, Coimbatore**. The training was about the importance and handling of total station. The total station proves to be a game changer in the field of surveying. Students were given exercises to do using total station.

ABOUT THE COLLEGE

Nandha Educational Trust was promoted by Thiru V. Shanmugan, chairman cum managing trustee in 1992 with a vision to serve and lead the society by imparting quality value based education as the mission. Nandha Engineering College was started in 2001 and is affiliated to the Anna University. The college is located in a serene atmosphere at a distance of 13 km from Erode. The college has state-of-the-art infrastructural facilities and offers 9 undergraduate, 6 postgraduate programmes in various disciplines of Engineering, Technology and Management with approved Research Centre for PhD programs.

ABOUT THE DEPARTMENT

The Department of Civil Engineering was started in the year 2009. The Department has state-of-the-art facilities equipped with the latest instruments, equipments, and softwares for imparting technical knowledge. The department is approved

by AICTE and affiliated to Anna University, Chennai. Presently the department is offering

- B.E in Civil Engineering and
- M.E., Structural Engineering

Experienced and well-qualified faculty members, well-equipped laboratories and workshops are the strength of this department. The Department is committed to rendering our students with the latest technology and modern methods to acquire knowledge and skills in all sectors to make them nationally and globally competent Civil Engineers.
