MEMORANDUM OF UNDERSTANDING (MoU)

The Department has signed MoUs with the following companies.

We are delighted to announce that the Department of Computer Science and Engineering, specializing in Cyber Security, has recently forged a Memorandum of Understanding (MoU) with CSUITE TECH LABS, COIMBATORE. This collaboration brings forth a plethora of benefits and advantages for the participating students.
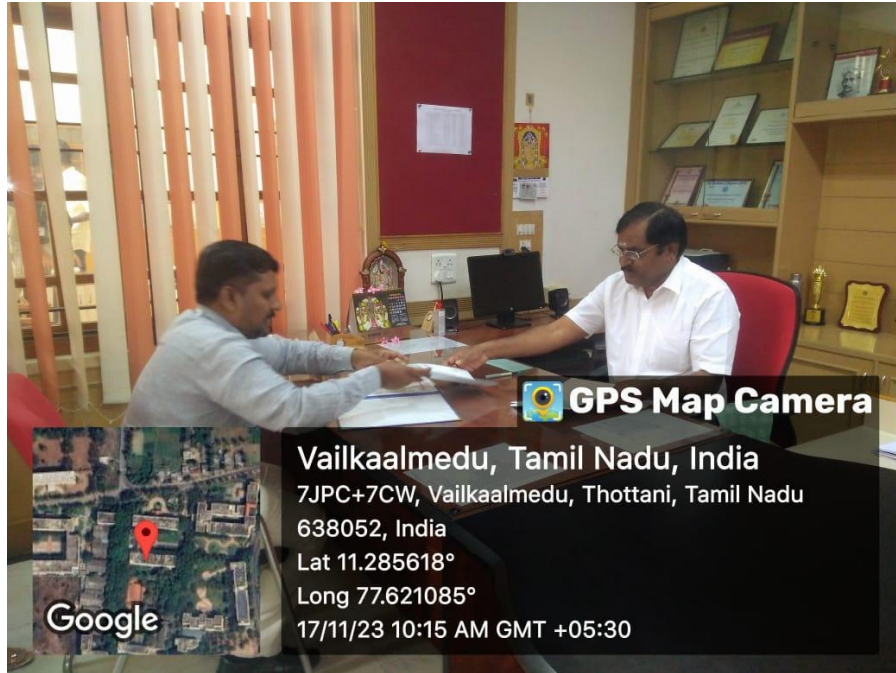

The CEO of CSUITE TECH LABS inked the Memorandum of Understanding with Nandha Institutions

It is with great pleasure that we inform you about the recent establishment of a Memorandum of Understanding (MoU) between the Department of Computer Science and Engineering, with a focus on Cyber Security, and Gateway Software Solutions in Coimbatore. This partnership promises a multitude of advantages and opportunities for the students actively engaged in the collaboration.

The Memorandum of Understanding was signed by Mr. Sabarinathan Muthu, the Founder and CEO of Gateway Software Solutions (IT & ITES), in collaboration with Nandha Institutions.
