(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai, Accredited by NAAC (A+) Grade)

NEC - Centre for Interdisciplinary Research (CFIR)

INVITING APPLICATIONS FOR

INTERNAL RESEARCH (SEED) FUND SCHEME

SEED Funding Scheme:

Nandha Engineering College proudly grants SEED fund to nurture the implementation of innovative project ideas in the campus to walk extra mile in Research and Development. To procure the necessary hardware components and materials for prototype model development, each department can collect to a maximum of Rs. 50,000/-.

Who Can Apply?

A faculty member at Nandha Engineering College who is enthusiastic to do active research and seeking project funding support to build a prototype.

Support Extended:

- Mentoring (Seeking Professional / Professors/ Experts mentoring assistance)
- Product development support (Procurement of equipment and tools, prototyping, raw material and consumables, fabrication etc.)
- Contingencies/Overrun (Not more than 5%)
- Any other area recommended by the Committee from time to time

Selection Criteria:

- The Project idea should be technically sound for execution
- Project Proposal to be submitted in offline mode in the prescribed format
- The technology readiness level (before funding and expected level of after funding) to be precisely given
- Initial screening to be done by internal Committee
- Final selection will be done by External Experts
- The individual project cost should not exceed 50K.

SEED Money Grant and Bill settlement:

- Similar to the norms followed by the Department of Science and Technology (DST)
- Project proforma will be available in the college website under the Research and Development cell on 28.10.2024.
- Download the Application Form and fill the particulars.
