Dear Candidate,

We're thrilled to welcome you to the Techjays team! Your application impressed us, and we believe you have the potential to make a real impact here. We're excited to have you join our **Artificial Intelligence (AI) internship** program, starting on **17th April 2024**.

This internship is your launchpad to an amazing career. It's a journey of learning, growth, and collaboration, and we're confident you'll find it valuable and rewarding. You'll find the attached program details informative, but please don't hesitate to reach out if you have any questions.

To confirm your acceptance of this offer, kindly send us scanned copies of the following documents:

1. Education certificates
2. Proof of identity (Aadhar Card)
3. A recent passport-size photo

Please note that your official employment offer comes after you ace our training program. The final offer will be based on your performance and available positions at that time.

While there is no monetary compensation during the training period, you'll gain valuable skills and experience that will enhance your career. We appreciate your understanding and a five-day notice period is required if you choose to leave the program before completion.

We're eager to have you join us and embark on this exciting journey together. Please acknowledge receipt of this email and let us know if you accept the offer. We look forward to hearing from you soon!

Dear **Mr.SAKTHIVEL K.**

Based on your application and the subsequent discussions you had with us we are pleased to have you associated with us as a **PROJECT TRAINEE** for a period of 6 months from the date of commencement in our organization. During this association you will be paid **Rs.20000/- (RUPEES TWENTY THOUSAND ONLY)** per month as a consolidated amount.

The internship will be for a period up to 6 months from the date of commencement. Based on your performance during this period and your interest in continuing the internship, your manager may extend the internship period beyond the initial 6 months. On successful completion of your curriculum project, you may be absorbed as an employee of Zoho as **MEMBER TECHNICAL STAFF**. Salary will be decided at that time based on your performance.

This offer is subject to the following terms and conditions.

1. During the period of your association with Zoho, you shall keep strictly confidential any and all information that may come to your knowledge. You may share any such information with others, only on a 'need to know' basis.
2. You shall sign a Confidentiality Agreement with Zoho to protect the interests of the Company by maintaining confidentiality of all information, which may be accessible to you in the course of your association.
3. Zoho reserves all rights to terminate you at any time during your association period, for any reason whatsoever, including without limitation, misuse of Zoho intellectual property, improper and unauthorized usage of internet Services, adverse finding in background verification report, misconduct and the like.
4. Zoho is under no obligation to recruit you on its roll of employees at the end of your project work. However if your project work and conduct are found to be completely satisfactory, you may be considered for employment, in accordance with Zoho's then current policy.

Mr.Dineshkumar S
B.E. Civil Engineering
Nandha Engineering College, Erode

Dear **Dineshkumar S,**

Further to our **Letter of Intent / Offer** for the position of Survey Assistant aligned to the hiring category and in response to your subsequent confirmation for Internship Program with us, we are pleased to offer you an Internship on premises with us for a period of 3 to 6 months. Your Internship onboarding will be scheduled based on your availability factoring your college exam schedule and our business requirements.

During this period, you will be provided with a stipend of **INR 5,000** per month equated to the planned duration of the Internship curriculum and will be paid only subject to successful completion of milestones as defined in the curriculum prior to the monthly stipend processing window for a given month based on your performance and attendance.

Though Global Internship is a pre-requisite skill and capability development program, it does not guarantee employment and there is no employer - employee relationship during the course of this internship program. However, the successful completion of internship will form a critical part of your eligibility for employment with global if an opportunity arises in future.

You will undergo a learning curriculum as per the learning track assigned to you. The learning path will include in-depth sessions, hands on exercise and project work to accelerate your learning. The outcome during Internship would be monitored through formal evaluations.

Prior to joining on the rolls of Global, you must have successfully completed the prescribed Internship program. In the event of unsatisfactory Internship, Global reserves rights at its sole discretion to revoke its employment offer.

Please also note that:

- ❖ The Internship timings would be for 10 hours per day from Monday through Saturday aligned to the working timings followed in Global which based on the need could also be operated model. Attendance is mandatory on all the days to stay active in the Internship Program. The Intern Offer would be terminated if the mandatory requirement of minimum 90% attendance at office is not met in a month.
- ❖ Interns are covered under Global calendar holidays of the respective location of internship, and you would need to adhere with minimum attendance requirements. Prior approvals are must towards any unavoidable leave or break requests during the program and internship would be terminated if leaves are availed without prior approvals.
- ❖ You would be required to ensure timely completion and submission of assignments, project work and preparation required prior to the sessions failing which your internship would be terminated.
- ❖ The Technical skills track mapped could change at the start or mid-way or even later during the program depending on business demand changes and you would be required to be flexible for this change failing which your internship would be terminated.
- ❖ After successful completion of your Internship if there is a business demand which expects you to get skilled on a different skill, you would be expected to get skilled in that demand failing which your Full Time Offer would be cancelled / withdrawn.

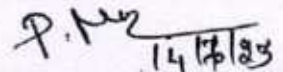

- ❖ Stipend payment will be done for the prescribed Internship Curriculum period only and no additional payment will be done for any delay in completion. Attendance and successful completion of Milestone(s) are the eligible factors for processing stipend payment and tenure spent will not guarantee your monthly stipend payment.
- ❖ There would be zero tolerance to plagiarisms and misconduct during the internship. Adherence to Global Internship policies and guidelines is mandatory and any breach of incident reported will lead to immediate cancellation of Internship without any notice.
- ❖ At the time of your reporting for the internship, you will be required to sign a Non - Disclosure Agreement with the company. During the course of your Internship and after completion of the same, you are required to maintain strictest confidentiality with respect to company proprietary or products that you access or come into contact with, during your project as an Intern, at all times as per our Policy. Use of company proprietary information or products shall not be made without prior permission from the concerned authority. Any breach of information security will be dealt as per Company Policy.
