ACTIVITY REPORT

Event Name : World Environment Day
Venue : College Campus
Date : 05.06.2023
No of Participants : 120

Event Details:

On the occasion of World Environment Day, the Rotaract Club of Nandha Engineering College and the National Service Scheme jointly organized a workshop on carbon footprint on 05.06.2023 at the conference hall. The day began with a beautiful message shared by our Principal, Dr. N. Rengarajan, which motivated everyone to celebrate this special day with great zeal and enthusiasm. Rtn. MD.M.K. Sivabal, Co-Chair of ESRAG South Asia IPP, Rotary Club of Erode, was the Chief Guest for the workshop. He motivated every student to keep them aware of environmental issues and the ways to deal with them. The student participants formed a group and prepared various charts, like educational institutions, industries, etc., to show how the environment is affected and how we can solve the issues. 120 students have actively participated in this workshop.

The main objective of observing this day was to bring about a change in their attitude towards the environment and advocate partnership between each human being and society to ensure a safe future for all.

ACTIVITY REPORT

Event Name : Awareness on drug Abuse
Venue : College Campus
Date : 11.08.2023
No of Participants : 580 II Year

Event Details:

The National Service Scheme of Nandha Engineering College organized an awareness programme on drug abuse on 11.08.2023 at the Placement Auditorium. Our Principal, Dr. N. Rengarajan, addressed the students and raised awareness about drug abuse. Dr. Navaneethan, Associate Professor, Government Erode Medical College & Hospital, Perundurai, Erode, was the Chief Guest for the Awareness Programme. The Chief Guest addressed the students about the issues involving drugs and alcohol. Alcohol and drug abuse by young people is extremely dangerous to themselves, their families and friends, and society as a whole. He also pointed out that every day; India sees 10 suicides related to drug abuse. He also added that a report by the central government demonstrated that the vast majority of youth are receiving drug and alcohol prevention messages from sources such as TV, radio, posters and pamphlets, movie ads, and campaigns like this. Furthermore, the report's special analysis showed that those who have been exposed to such messages are significantly less likely to abuse drugs. 580 students participated in this awareness-raising program on drug abuse.

Event Details:

Nandha Engineering College's NSS unit commemorated Communal Harmony Week on the college campus on 21.11. 2023 and 22.11.2023. NSS student volunteers took part in the event and collected funds for a voluntary contribution. The pupils were educated on the importance of communal harmony this week. They have explained the advantages of monetary donations. During this initiative, student volunteers raised Rs. 5500/- by collecting directly from the students and faculty members and Rs.5000 through digital payment, which they donated to the National Foundation for Communal Harmony in New Delhi. This voluntary gift was enthusiastically engaged in by six student volunteers, with the majority of students and faculty members from Nandha Engineering College contributing.

ACTIVITY REPORT

Event Name : Energy Conservation Awareness
Venue : Kanjikovil
Date : 16.12.2023
No of Participants : 47

Event Details:

The NSS Volunteers of Nandha Engineering College conducted an energy conservation awareness programme at Kanjikovil on December 16, 2023, as a part of Energy Conservation Week 2023. During this programme, the student volunteers created awareness of energy conservation among the people of Kanjikovil. The volunteers promoted awareness and understanding of energy conservation practices within our community. The event was organized to address the importance of responsible energy consumption and foster a sense of collective responsibility towards a sustainable future. 47 student volunteers, along with 2 faculty members, participated in this energy conservation awareness programme.

Objectives of the Event:

- Educate participants on simple yet effective energy-saving practices.
- Promote the use of energy-efficient technologies and appliances.
- Raise awareness about the significance of energy conservation.
- Encourage behavioral changes to reduce energy consumption.

ACTIVITY REPORT

Event Name : Voter Day Awareness Programme
Venue : District Collector Office, Erode
Date : 25.01.2024
No of Participants : 12

Event Details:

National Voters Day is celebrated every year as a mark of the foundation day of the Election Commission of India, i.e., January 25, 1950. On the eve of National Voter Day, volunteers of Nandha Engineering College took part in this celebration organized by the Erode District Election Department at the District Collector Office, Erode. The main purpose of the National Voters Day celebration is to encourage, facilitate, and maximize the enrollment of new voters. The theme for this year, "Nothing Like Voting, I Vote For Sure", envisages active and participating voters during elections. It also focuses on ECI's commitment to conducting elections safely. By taking this pledge, our students understood the importance of voting. 12 student volunteers have participated in this celebration.

ACTIVITY REPORT

Event Name : Pledge against Untouchability
Venue : College Campus
Date : 30.01.2024
No of Participants : 200 (Mech & Agri)

Event Details:

The NSS Units of Nandha Engineering College conducted a pledge-taking session on account of Martyrs Day, when people laid down their lives in the struggle for India's freedom. Every year, we pay this homage on January 30. Students at our college took a pledge against untouchability. By taking the pledge, our volunteers learned to avoid violence against "untouchables," which is a crime.

தீண்டாமையை ஒழிக்க மேற்கொள்ளும்

உறுதிமொழி

இந்திய அரசியலமைப்பின்பால் இடைவிடாத, உளமாந்த பற்றுள்ள இந்தியக் குடிமகன் / குடிமகள் ஆகிய நான், நமது அரசியலமைப்பின்படி தீண்டாமை ஒழிக்கப்பட்டு விட்டது என்பதை அறிவேன். தீண்டாமையை அடிப்படையாகக் கொண்டு, எவரீதும் தெரிந்தோ, தெரியாமலோ சமூக வேற்றுமையை மணம், வாக்கு, செயல் என்ற எந்த வகையிலும் கடைபிடிக்கமாட்டேன் என்று இதனால் உளமாற உறுதியளிக்கிறேன். அரசியலமைப்பின் அடிப்படைக் கருத்திற்கிணங்க, சமய வேறுபாடற்ற சுதந்திர சமுதாயத்தை உருவாக்குவதில் நேர்மையுடனும், உண்மையுடனும் பணியாற்றுவது எனது கடமையாகும் என்பதையும் உணர்வேன். இந்திய அரசியலமைப்பின்பால் எனக்குள்ள முழுப்பற்றிற்கு இது என்றென்றும் எடுத்துக்காட்டாக விளங்குமென்றும் இதனால் உளமாற உறுதியளிக்கிறேன்.

ACTIVITY REPORT

Event Name : First Safety Awareness
Venue : College Campus
Date : 15.04.2024
No of Participants : 247

Event Details:

The NSS Club of Nandha Engineering College organized a Fire Safety Awareness Programme on the college campus on April 15, 2024. The event was inaugurated by our principal, Dr. U. S. Ragupathy. A team from the Tamil Nadu Fire and Rescue Services Department, led by an Inspector, conducted the awareness session for students, faculty members and drivers. During the programme, the team demonstrated practical methods of fire prevention and firefighting techniques.

They educated participants on the following key points:

- Fire Prevention: Importance of preventing fire hazards by maintaining electrical safety, proper handling of flammable materials, and ensuring good housekeeping practices in high-risk areas.
- Types of Fires and Extinguishers: Explanation of different types of fires (Class A, B, C, D) and how to select and use the appropriate fire extinguisher for each type.
- Using Fire Extinguishers: A demonstration on the correct usage of fire extinguishers, using the PASS technique (Pull, Aim, Squeeze, Sweep).

NATIONAL SERVICE SCHEME

- Emergency Evacuation: Guidelines for safely evacuating a building during a fire emergency, including using designated fire exits, staying low to avoid smoke, and having a pre-arranged meeting point outside.
- Firefighting Techniques: Demonstration of basic firefighting methods and the importance of quick response to small fires.
- First Aid for Burns: Basic first aid measures to take in case of burns, including cooling the burn, covering it with a clean cloth, and seeking immediate medical attention.
- Smoke Alarms and Sprinklers: Importance of installing and maintaining smoke alarms and sprinkler systems in both residential and commercial settings.
- The session emphasized the need for everyone to be prepared for fire emergencies, ensuring the safety of the community.

Event Name	: First Safety Awareness
Venue	: Kondathu Kalamman Temple, Pariyur, Gobi
Date	: 18.05.2024
No of Participants	: 43

Event Details:

The NSS unit of Nandha Engineering College conducted a cleaning and awareness programme at Arulmigu Kondathu Kalamman Temple, Pariyur, near Gobi on May 18, 2024. In this programme NSS volunteers cleaned the temple area and created awareness about cleanliness among the devotees. The NSS volunteers gathered to clean the surroundings of the temple. NSS volunteers enthusiastically collected plastic waste, tea cups, weeds, and dry leaves spread over the surrounding areas. The volunteers gathered all the waste and trash bags at the place where the temple arranged for the removal of the collected waste. The whole cleaning drive was quite inspiring and motivating for the NSS team members.

To emphasize the importance of a clean environment in the temple and neighborhood, awareness is being created. During the cleaning programme, students actively interacted with the devotees about the current scenario of the environment, the role of youth in power consumption, pollution control and the control of global warming, the preservation of groundwater, and many more issues. There was some realization found in the people, and they were willingly taking part in the clean and green program and in waste management. 43 student volunteers, along with two faculty members, participated in this cleaning awareness programme.

On 28th OCTOBER,2023, YRC Club of PCD Cell in Nandha Engineering College (Autonomous) organized a session on Awareness Program on FIRST AID. The session was open to the students of YRC Club of First year. 40 students were Attended the session. DR. JASMINE Operation theater incharge delivered the brief session on the first aid awareness. The session started at 11.30 am and ended at 3.30 pm. The students acquire basic knowledge on various first aid activities.

First aid refers to medical attention that is usually administered immediately after the injury occurs and at the location where it occurred. It often consists of a one-time, short-term treatment and requires little technology or training to administer. First aid can include cleaning minor cuts, scrapes, or scratches; treating a minor burn; applying bandages and dressings; the use

of non-prescription medicine; draining blisters; removing debris from the eyes; massage; and drinking fluids to relieve heat stress.

On 25th November 2023, YRC Club of PCD Cell in Nandha Engineering College (Autonomous) organized a session on Awareness Program on humanity. The session was open to the students of YRC Club of First year. 38 students were Attended the session. The students meet the public to their home and provide awareness about humanity. The students are interacted with public and the public was very much interested to acquire students' speech. This is very much useful for the public to make them understand how the humanity place the role in life. The students were learned how to interact with public and how to convey the information to the public.

Students brief these details to public:

Humanity is a quality of an individual that is being gifted by the nature to one and by which one is distinguished from other beings. Being human does not mean that an individual

possesses humanity. The quality of humanity in an individual take note of what he do for people who give noting back in return to the favour they had offered. Extra- ordinary humanity in a human being has been portrayed beautifully by Mother Teresa as She had created a glorious example of Humanity across the world and particularly in India. Humanity means caring for and helping others whenever and wherever possible.

Humanity means helping others at times when they need that help the most, humanity means forgetting your selfish interests at times when others need your help. Humanity means extending unconditional love to each and every living being on Earth.

Feedback	<ul style="list-style-type: none">• Visiting NL Karunai Illam was a profoundly moving experience. The residents and staff welcomed us warmly, and their hospitality was heartwarming.• Engaging with the elderly and hearing their stories offered valuable life lessons for our students.• Our donations were gratefully received, emphasizing the importance of community support. This visit reinforced our students commitment to humanitarian efforts and the joy of giving back	

Write Up:

On May 18, 2024, members of the Youth Red Cross (YRC) Club visited NL Karunai Illam, a renowned home for the elderly and orphans located in Rangampalayam. The primary objective of this visit was to engage with the residents, understand their needs, and offer our support through various activities and donations. This initiative aligns with the core values of the YRC Club, which emphasizes humanitarian service and community support.

The day was meticulously planned to ensure maximum interaction and benefit for the residents. The activities included ice-breaking sessions to create a warm and welcoming atmosphere. Games and short storytelling sessions helped to engage the elderly. Both year club members and residents shared personal stories and experiences, fostering a sense of camaraderie and understanding.

During the visit, we handed over a biscuit for the elderly people. The residents and staff at NL Karunai Illam expressed heartfelt gratitude for the visit and the support provided. The feedback from all elderly people about this club visit is more positive. They blessed our club students to take part in this visit. This positive feedback has motivated the YRC Club to plan regular visits and explore more ways to support the Illam.

The visit to NL Karunai Illam was a profound experience for the members of the Youth Red Cross Club. It not only provided an opportunity to serve and bring joy to the residents but also reinforced the importance of community involvement and humanitarian efforts. We are committed to maintaining this relationship and continuing our support for the residents through ongoing initiatives.

POST EVENT REPORT

Write Up:

On May 18, 2024, members of the Youth Red Cross (YRC) Club visited NL Karunai Illam, a renowned home for the elderly and orphans located in Rangampalayam. The primary objective of this visit was to engage with the residents, understand their needs, and offer our support through various activities and donations. This initiative aligns with the core values of the YRC Club, which emphasizes humanitarian service and community support.

The day was meticulously planned to ensure maximum interaction and benefit for the residents. The activities included ice-breaking sessions to create a warm and welcoming atmosphere. Games and short storytelling sessions helped to engage the elderly. Both year club members and residents shared personal stories and experiences, fostering a sense of camaraderie and understanding.

During the visit, we handed over a biscuit for the elderly people. The residents and staff at NL Karunai Illam expressed heartfelt gratitude for the visit and the support provided. The feedback from all elderly people about this club visit is more positive. They blessed our club students to take part in this visit. This positive feedback has motivated the YRC Club to plan regular visits and explore more ways to support the Illam.

The visit to NL Karunai Illam was a profound experience for the members of the Youth Red Cross Club. It not only provided an opportunity to serve and bring joy to the residents but also reinforced the importance of community involvement and humanitarian efforts. We are committed to maintaining this relationship and continuing our support for the residents through ongoing initiatives.

DATE: 18.05.2024

TOTAL STRENGTH: 90

PRESENT: 43 / ABSENT: 16 / OD: 31

CLUB INCHARGE: Mr.P.Krishnagandhi, AP/EEE

Mrs.E.Sharmila, AP/CSE

The road safety club under Personality and Character Development (PCD) arranged the Awareness campaign held at Tiruppur Bus Stand on 18.05.2024. 90 students are elected and registered in this club. The 43 students are present and contribute to the Awareness campaign. During this activity, students create awareness among the public about traffic rules and traffic penalties, while driving in rainy weather. It helps to know the essentials of road safety while driving a vehicle.

The road safety club activity is mapped a Program Outcome such as with PO6 Engineer an society where the students get their contextual knowledge of safety, health, legal issues, PO8 Ethics where the students follow professional ethics and responsibilities, PO9 Individual and Teamwork, where students perform in individually, P10 Communication where the students give clear instruction among the people and diverse teams and PO12 Lifelong Learning, which in turn helps the students possess skills to be valued for safety and a healthy life.

LET'S SAVE OUR PLANET

THE 3-R'S

The 3-R's are reduce, reuse, and recycle. Those are the key elements that you need to save our earth from pollution.

SAY NO TO PLASTIC

As time goes by, people have chosen plastic over paper bags, which has caused us a big issue because plastic is harder to disintegrate paper bags.

SAVE ENERGY

Energy is also one of the factors that cause us to destroy our earth, hence, we need to learn how to save energy when we don't use them.

PLANT TREES

SHOP WISELY

When you shop excessively, this can become a big problem because other people also need household goods and this can lead to a lot of land waste.

Name of the event	Tree Plantation and Awareness Program	
Title of the Event	Tree Plantation	
Date & Time	18-05-2024	9.30 AM – 4.00 PM
Venue	Kavindapadi Agri farm	
Number of Participants	89	
Feedback	Learned about varieties of trees.	

The Tree Plantation Club of Nandha Engineering College (Autonomous) Erode, have organized a trip to Kavindapadi Agri farm on May 18, 2024 as a part of Personality and Character Development Activity. In order to sensitize students towards the need to preserve our environment, a trip was arranged. Our students are motivated to plant the trees and learn about maintaining the growth of trees and gain knowledge about varieties of trees. The trip was started at 10.00 AM from the college campus and return back to college at 3.00 PM

The main purpose of this event was to:

- To motivate the students to keep their surroundings green by undertaking plantation of trees.
- Mobilize action towards environmentally sound practices like plantation, regular watering, farm waste like dry leaves as fertilizers and maintaining of large varieties of trees etc.

Report on Donating Basic needs to Helping Hearts Trust

08.11.2023

On 8th November 2023, the social club Aram Sei of Nandha Engineering College organized a donation drive at Helping Hearts Trust in Erode. The event aimed to extend support to the trust by providing essential items such as Dettol, baby diapers, and Lactogen. A total of 50 students from the ECE department and 20 faculty members participated in the initiative, ensuring a significant representation from the institution. The students actively recorded the amount contributed, ensuring transparency and accountability in the process. Faculty members guided the team, fostering a collaborative and impactful event. The Helping Hearts Trust appreciated the thoughtful gesture and highlighted the importance of such contributions in supporting underprivileged individuals.

This event not only provided material aid to the trust but also instilled a sense of social responsibility and teamwork among the students. It served as a valuable opportunity for participants to connect with the community and understand the significance of giving back. Aram Sei remains committed to organizing similar initiatives to create meaningful change in society.

“Social Innovation Camp”

IEEE Student Branch Nandha Engineering College in association with IEEE R10 WIE organized "**Social Innovation Camp**" during Nov 04th – 05th, 2023. The function was inaugurated and chief guest address by Chun Che (Lance) Fung Director IEEE R10(2023-24) which address emphasizing the importance of social innovation and the role of technology in creating positive societal impact.

Throughout the camp, participants engaged in a series of workshops and training sessions led by experts from academia, industry, and the social sector. These sessions covered essential topics such as design thinking, social entrepreneurship, project management, and sustainable development, equipping participants with practical skills and insights. Participants were then grouped into teams based on their interests and expertise, tasked with identifying specific social problems they were passionate about solving. The teams participated in brainstorming sessions and discussions to explore different perspectives, followed by ideation sessions where they developed innovative solutions.

The teams proceeded to create prototypes or models of their solutions, with guidance from mentors who provided support during the ideation and prototyping process. The camp culminated in a pitching session, where each team presented their solution to a panel of judges, including industry experts, academics, and social entrepreneurs. The judges provided constructive feedback on the feasibility, impact, and scalability of the proposed solutions. Additionally, networking sessions allowed participants to connect with like-minded individuals, mentors, and potential collaborators, fostering long-term relationships and partnerships for future social innovation projects.

The event attracted participants from various educational institutions. Participants expressed positive feedback about the camp, appreciating the hands-on approach and the opportunity to work on real-world problems.
