SESSION- II

TEACHING AND LEARNING -THE OBE WAY

Session Outcome:

At the end of the session on Teaching and Learning – The OBE way, participants will be

- Understand the Revised Bloom Taxonomy of learning, and the three domains (Cognitive, Affective and Psychomotor) of learning.
- Write good outcomes of a course in an engineering program.
- Design instruction for attaining the course outcomes ensuring good alignment between course outcomes, instruction and assessment

About the session:

Dr.U.S. Ragupathy explained the importance of integrating OBE principles into their teaching practices. He discussed the various instructional methods and classroom activities to ensure that they support the attainment of learning outcomes. He also insisted the participants to gain insights into quality assurance processes related to OBE and understand how OBE aligns with accreditation standards.

KEY TAKE AWAYS FROM THE SESSION

Continuous Improvement

- ❖ Participants should understand the importance of ongoing assessment and feedback to continually improve the educational process. This involves using assessment data to make informed decisions about curriculum and instructional improvements.

Designing Aligned Curriculum:

- ❖ Training should empower participants to design or modify curriculum in a way that aligns with the identified learning outcomes. This includes selecting appropriate teaching and assessment strategies to support the achievement of these outcomes.

Stakeholder Engagement

- ❖ Participants should be able to deliver OBE concepts and benefits to all student. Effective communication is crucial for gaining support and understanding for the implementation of OBE.

PARTICIPANT DETAILS:

TOTAL NUMBER OF FACULTY PARTICIPANTS (From all the Departments)	12
---	-----------

Outcome:

At the end of this Train your Brain on Aptitude shortcuts, participants will be able to

1. Employ shortcuts, individuals can solve quantitative problems more quickly and efficiently.
2. Improve their accuracy in solving quantitative problems, minimizing the risk of making mistakes and achieving more consistent results through shortcuts.
3. Recognize patterns, identifying common shortcuts, and understanding the rationale behind them, individuals develop stronger problem-solving

skills that transcend specific techniques.

About the session:

Mr.R.Shankar, Aptitude Trainer encouraged participants to get an overview of a quantitative aptitude session designed to enhance numerical reasoning and problem-solving abilities. Depending on the level of the session, participants might also learn advanced problem-solving techniques and shortcuts to tackle quantitative problems more efficiently. These shortcuts can be particularly helpful in timed assessments where speed is crucial.

KEY TAKE AWAYS FROM THE SESSION

Problem-Solving Skills:

- ❖ Enhanced their problem-solving skills in quantitative aptitude and logical reasoning. They should be able to apply various techniques and strategies to solve different types of problems efficiently and accurately.

Time Management:

- ❖ Time management in aptitude involves planning and allocating time for different types of questions or sections in an exam.
- ❖ Prioritize questions based on difficulty level, personal strengths, and time constraints.

Challenge Level:

- ❖ Develop a strategic approach for tackling challenging questions, including breaking down complex problems into smaller, manageable parts.
- ❖ Use shortcut methods and logical reasoning to approach difficult questions easily.

Mr.R.Shankar, Aptitude Trainer delivered the shortcuts to the faculty members about the importance of problem solving.

Session - I & II: NETWORKING AND COLLABORATIVE RESEARCH & ART OF PUBLISHING BOOKS

Session Outcome:

At the end of this session on Networking and Collaborative Research, participants will be able to

4. Understand valuable insights and practical guidance on various aspects of research.
5. Identify key strategies and practices to enhance their skill in networking, collaborative research, paper publishing, and research proposal writing.
6. Empowered to excel in their research endeavours.
7. identify suitable publishers, writing book proposals, and navigating the publication process.

About the session:

Dr. Maheshwar delivered an insightful session on networking and collaborative research. He shared valuable strategies and tips for establishing effective research

networks and fostering collaborations. Additionally, resource person provided guidance on the art of publishing papers, covering key aspects such as selecting suitable journals, writing impactful manuscripts, and navigating the publication process.

KEY TAKE AWAYS FROM THE SESSION

Networking Opportunities:

- ❖ Provide networking opportunities for participants to connect with peers, researchers, and experts in their respective fields.
- ❖ Collaboration and knowledge-sharing with conducive environment for future research endeavors.

Collaborative Research Activities:

- ❖ Discuss the significance of having diverse expertise enhances research outcomes.
- ❖ Help participants explore their Collaboration which enhances innovation and productivity in research.

Art of Publishing Book:

- ❖ Help the faculty members in Writing and publishing books which contribute to academic.
- ❖ Selection of wise topics, considers target audiences, and adheres to publisher guidelines.

Dr. R. Maheshwar addressed the faculty members about the networking and collaborative research & Art of publishing papers

**SESSION- III & IV: HOW TO WRITE A COMPETITIVE RESEARCH PROPOSAL
A GENERAL GUIDE &
DEMONSTRATION OF WINNING PROPOSAL**

Session Outcome:

At the end of the session on How to Write a Competitive Research Proposal- a general guide and Demonstration of winning proposal, participants will be

1. Gained clarity on essential components of a research proposal, including problem definition, objectives, and methodology.
2. Practical insights for structuring a compelling proposal to attract funding.
3. Learned effective presentation techniques to showcase the research's significance and feasibility

About the session:

Dr. T. Daniel Thangadurai conducted a session focused on writing competitive research proposals. He offered practical advice on structuring proposals, identifying research gaps, formulating research questions, and highlighting the significance of the

proposed research. Participants gained valuable insights into crafting compelling proposals that stand out in competitive grant applications.

KEY TAKE AWAYS FROM THE SESSION

Understanding Research Proposal Essentials:

- ❖ Participants gained a comprehensive understanding of the essential components of a research proposal.
- ❖ They learned about the importance of clearly defining the research problem, objectives, and methodology.

Crafting a Competitive Proposal:

- ❖ Dr. T. Daniel Thangadurai provided practical guidance on structuring a research proposal to make it competitive.
- ❖ Attendees learned how to present their research in a compelling and persuasive manner to attract funding.

Demonstration of Winning Proposal:

- ❖ Through a demonstration of a winning research proposal, participants gained insights into effective proposal writing strategies.
- ❖ They learned from real-life examples of successful proposals and identified key elements contributing to their success.

2. Develop practical examples and case studies that bridge the gap between theoretical concepts and real-world application.
3. Gain professional development opportunities by interacting with industry experts

About the session:

Thiru. Kannan Narsimhan is an experienced industry person currently working as a Dean- Industry & International Relationships, Sri Eshwar College of Engineering, Coimbatore.

During his session, he insisted that faculty members can build connections with industry experts, leading to potential collaboration opportunities such as joint research projects, internships, or job placements for student and he also added that Collaboration between faculty members and industry experts can lead to joint research

projects, funding opportunities, and the exchange of ideas that benefit both academia and industry.

KEY TAKE AWAYS FROM THE SESSION

Professional Development

- ❖ Faculty members can gain valuable professional development opportunities by interacting with industry experts, staying abreast of the latest advancements, and expanding their own networks and knowledge

Minutes of the Meeting (MoM)

The Fourth meeting of the Strategic Plan Review Committee was held on 07.02.2024 at 10.30 AM in the Board room. The list of members attended the meeting is enclosed in **Annexure - I**

The meeting began with welcome note, followed by an introduction to the Strategic Plan 2021-26, highlighting its key objectives and summarizing the initiatives undertaken up to January 2024. The proceedings of the meeting are recorded as follows.

ITEM 4.01	Welcome note: The Principal warmly welcomed the members of the Strategic Plan (2021-2026) review committee to the first meeting since he assumed the role of Principal.
ITEM 4.02	Introduction of reconstituted strategic plan review committee members and their roles and responsibilities.
Discussion	<ul style="list-style-type: none"> ▪ After introducing the reconstituted members of the Strategic Plan Review Committee, the Principal explained the necessity of revising the Strategic Plan 2021-26 to align our institution's strategic objectives with the standards set forth by NIRF, NBA, and NAAC. ▪ The Principal emphasized the significant role of the Strategic Plan Review Committee members and directed them to collaborate with colleagues to uphold our institution's commitment to educational excellence. ▪ He further expressed his confidence that the members' expertise, dedication, and insights in accreditation and quality assurance would play a valuable role in guiding our strategic planning efforts.
ITEM 4.03	Review of strategic plan-2021-26 and its progress during the academic years 2021-22, 2022-23, 2023-24 and revision of targets for 2024-25 and 2025-26
Discussion	<p>The members deliberated the progress achieved year on year since 2021-22, 2022-23 and 2023-24 aligning with the strategic plan targets versus achievements and areas requiring improvements. The details of achievements are enclosed as annexure-II.</p> <p>The Principal suggested following guidelines to address areas that require further improvement.</p> <ul style="list-style-type: none"> ▪ Evaluate the current Strategic Plan (2021-2026) in light of the requirements and benchmarks established by NIRF, NBA, and NAAC. ▪ Identify areas where our strategic objectives may need to be revised or augmented to better align with the criteria outlined by these accrediting bodies. ▪ Propose strategic initiatives and action plans aimed at enhancing our institutional performance and meeting the prescribed standards for excellence in education.

- Ensure that the revised Strategic Plan reflects a comprehensive and cohesive approach to achieving our academic and institutional goals while also addressing the specific requirements of

- ✓ NIRF, NBA, NAAC
- ✓ Student diversity,
- ✓ Internationalization,
- ✓ Implementation of NEP, etc.

Dr. M. Easwaramoorthi, coordinator of the strategic plan review committee, outlined the key features of the 2021-26 Strategic Plan. He also put forth the deliberations had with the reconstituted strategic planning committee members and different stakeholders to identify potential key areas and parameters to be included for formulating the revised strategic plan. The summary of the key points considered for formulating the strategic plan 2021-26 is provided below.

▪ **Implementation of New Education Policy 2020**

- a) Multi-disciplinary, holistic Under Graduate education with flexible curricula, creative combinations of subjects, integration of vocational education.
- b) Various Entry/ Exit to be allowed with relevant certification. This will permit students to take a sabbatical and then join back their studies after a period of time, without losing any credits.
- c) Students are free to choose major and minor subjects for their degree.
- d) Provide importance to students' practical knowledge

STRATEGIC PLAN FOR THE YEARS 2021 TO 2026

- To reach the University status by next 15years.
- To attain NAACA++ grade during 3rd Cycle Accreditation.
- To be ranked among the TOP 200 in the NIRF Ranking under Engineering Category.
- To secure one among the TOP 150 position in NIRF-Innovation Ranking 2025.
- To promote Industry-Institution Collaboration with top MNCs.
- To launch Centers of Excellence in upcoming emerging fields.
- To nurture successful start-ups creating innovative products and business models using the engineering knowledge developed by the Institution.
- To provide healthy and energetic working environment for faculty and staff.
- To expand the active participation of alumni in all aspects of Institution development by collaborating with them in placements, guest lecture, mentoring students in various projects, consultancy, research and development through alumni chapter.
- To join hands with various industries in the field of Research & Development and Consultancy.
- To collaborate with Institutions around the world to promote quality higher education and for supporting students/faculty exchange programmes.
- To create infrastructure for effective Teaching-Learning Processes and Extracurricular activities.

Strategic plan:

Strategic planning is the process of setting goals, deciding on actions to achieve those goals, and mobilizing the resources needed to take those actions. A strategic plan describes how goals will be achieved using available resources.

A solid strategic plan articulates a shared vision, mission, and values, increasing engagement while providing a framework to ensure students' needs are met so they can reach their full potential.

Vision Statement:

To be an Institute of excellence providing quality Engineering, Technology and Management education to meet the ever changing needs of the society.

Mission Statement:

- To provide quality education to produce ethical and competent professionals with social Responsibility.
- To excel in the thrust areas of Engineering, Technology and Entrepreneurship by solving real- world problems.
- To create a learner centric environment and improve continually to meet the changing global needs.

Strategic Goals:**1. Academic Excellence:**

- Enhancing teaching-learning processes through innovative pedagogical methods including the integration of technology and experiential learning.
- Increasing student enrolment in high-demand disciplines while ensuring academic rigor and quality.
- Strengthening of faculty development initiatives to promote research, publication and industry collaboration.
- Achieve and maintain accreditation from relevant national and international bodies (e.g., NIRF, NBA, NAAC and IIC).

2. Research and Innovation:

- Establishment of research centres of excellence focused on emerging technologies and interdisciplinary fields.

- Increasing research funding and collaboration with industry, government and international institutions.
- Encourage faculty and student involvement in research projects, patents and publications.
- Fostering a culture of innovation and entrepreneurship through incubation centres and industry partnerships.

3. Infrastructure and Facilities:

- Upgrading existing infrastructure and laboratories to meet the evolving needs of academic programs and research activities.
- Expand campus facilities to accommodate growing student and faculty populations.
- Implement sustainable practices in campus development and maintenance.

4. Student Success and Well-being:

- Enhance student support services, including academic advising, career counselling and mental health resources.
- Promote diversity and inclusion initiatives to create a welcoming and equitable campus environment.
- Providing opportunities for holistic development through extracurricular activities, leadership programs and community engagement.

5. Industry Collaboration and Placement:

- Strengthen ties with industry partners through collaborative research projects, internships and guest lectures through MoUs.
- Enhance placement services and career development programs to facilitate successful transitions from academia to industry.
- Align curriculum with industry needs and trends to ensure graduates are well-prepared for the workforce.

Implementation Strategies:

- Development of detailed action plans with specific objectives, timelines, responsible parties, and performance indicators for each strategic goal.
- Allocation of resources effectively, including financial, human and infrastructural to support strategic initiatives.
- Fostering a culture of accountability, transparency and continuous improvement through regular monitoring and evaluation of progress.
- Promoting communication and collaboration among faculty, staff, students, alumni, industry partners, and other stakeholders to ensure alignment and shared ownership of the strategic plan.

Monitoring and Evaluation:

- Establish mechanisms for ongoing monitoring and evaluation of key performance indicators (KPIs) to track progress towards strategic goals.
- Conduct of internal and external auditing periodically every semester, review of status of each department towards the strategic plan through monthly report and assessments to identify strengths, weaknesses, opportunities, and threats (SWOT analysis) and adjust strategies as needed.
- Solicit feedback from stakeholders through surveys, focus groups, and other feedback mechanisms to inform decision-making and enhance institutional effectiveness.

Conclusion:

A comprehensive strategic plan provides a roadmap for the institution's growth and development over the next five years guided by its vision, mission, and core values. The focus on academic excellence, research and innovation, infrastructure, facilities, student success and industry collaboration and placement can position the college itself as a leader in higher education, contributing to societal progress and economic development.

GRIEVANCE REDRESSAL CELL

Grievance Redressal Committee and portal has been formulated in NEC in order to register and rectify the grievances. The link of the Grievance Redressal Mechanism had been displayed at prominent places.

Objectives

- To uphold the dignity of the College by ensuring strife free atmosphere through promotion of cordial Student-Student and Student-Teacher relations.
- To encourage the Students to express their grievances / problems freely and frankly, without any fear of being victimized.
- To redress the registered grievances at once or within a month according to the nature of the Grievances.
- To monitor the complaints on the website and to arrange a meeting for grievance redressal committee members and discuss the complaints.
- To notify the decisions taken by the committee members to the knowledge of the respective HOD's and Principal.
- To intimate the effective redressal of his / her grievances to the person concerned through website.
- To resolve the grievances registered anonymously.
- To ensure effective solution to the student's grievances with an impartial and fair approach.
- To redress the complaints received from government school students who got admitted under 7.5 percentage criteria.

Scope

The cell deals with grievances received from the students about any of the following matters

- Academic Matters: Related to timely issue of duplicate Mark-Sheets, Transfer Certificates, Conduct Certificates or other examination related matters.
- Financial matters: Related to Library, Hostel and College dues and payments
- Other Matters: Issues related to sanitation, preparation of food, availability of transport, victimization by teachers etc.

REPORT ON

A HEALTH AWARENESS PROGRAMME ON

“HEALTH IS WEALTH”

02.08.2023

A Health Awareness Programme on “HEALTH IS WEALTH” was organized on 02.08.2023. The resource person was Dr.S.Leelambigai, M.D(S), Siddha Maruthuva Moola Thathuvam, Nandha Siddha Medical College and Hospital, Perundurai.

The resource person began by elucidating the age-old adage "Health is Wealth" and its profound implications. She told that Health, as emphasized, encompasses physical, mental, and emotional well-being. It is not merely the absence of disease but a state of complete harmony within oneself. The discussion delved into the significance of maintaining physical fitness through regular exercise, balanced nutrition, and adequate rest. The presenter stressed the role of preventive healthcare measures in warding off illnesses and promoting longevity. Emphasis was placed on the importance of preventive healthcare measures, including regular screenings, vaccinations, and health education. Early detection and intervention were highlighted as key strategies for mitigating the burden of diseases and promoting overall well-being.

The lecture on "Health is Wealth" provided valuable insights into the intrinsic link between health and well-being. By emphasizing the importance of proactive health management, the resource person underscored the notion that true wealth lies in nurturing one's health. The audience departed with a renewed commitment to prioritize their health and make informed lifestyle choices for a fulfilling and prosperous life.

REPORT ON HEALTH AWARENESS PROGRAMME ON

“PREVENTIVE HEALTHCARE – UTERUS CANCER”

17.02.24

Women Development Cell of Nandha Engineering College (Autonomous) organized a Health Awareness Program on “Preventive Healthcare - Uterus Cancer” on February 16, 2024. Dr. P. Chitra Thangavel, Ashwin Multispeciality Hospital, Erode, was the Chief Guest. The chief guest started her special address by mentioning the significance of Tamil language and reiterating the noteworthiness of celebrating International Mother Language Day on February 21st every year.

While talking about the pride of Erode, she especially mentioned Karungalpalayam Vasagar Saalai, where the great poet Mahakavi Bharathiyar gave his last speech, and about

Thiru. M.A. Eswaran, the first MLA from Erode, who conceived the LBP canal project that helps in irrigating over two lakh acres in the Kongu region now. When she spoke about health, she told that uterus cancer can be prevented by vaccinating with the injections, namely Gardasil, Cervavac, and HPV injection from 9 years until marriage. She told that all the women should undergo uterus tests from 30 years onwards as a preventive measure. The chief guest insisted all the spectators to do a self test to find breast Cancer from 18 years old. She added that mammograms can also be done after 35 years to diagnose breast cancer. In general, she suggested taking protein rich foods like pulses, eggs, and meat. She further insisted that it is of prime importance to keep our bones safe by exposing ourselves to morning and evening sunlight and to do exercises and yoga to be fit.

She spoke not only about physical health but also mental health. The chief guest informed the students about the increasing teenage pregnancy. She cautioned them to be focused on their studies and not to get diverted in unwanted activities. She urged the students to read epics regularly to be self disciplined and to acquire moral values. To be self controlled, she quoted tales of Yaksha, a crane, from the Mahabharata. In addition, the chief guest quoted Lord Rama and Sita's lives to lead a disciplined life. She concluded her speech by saying that one can be happy by oneself, and we cannot derive happiness from others.

Gomathi, Silambam Player & Coach, and Ms. R. Ramaprabha, B.A., B.L., D.L.L., Advocate were honoured by Dr. Sumathi Padmanaban, M.D., D.G.O Nishanth Hospital, Erode with Kalki Award for their excellence in their respective field and their achievements were displayed to the spectators. Further, Dr. Sumathi Padmanaban addressed the gathering. In her address, she told that International Women's Day is not just about celebrating the successes of individual women, but about acknowledging the collective struggle for gender equality. It's about recognizing the countless women who have fought for their rights, often in the face of adversity, and who continue to inspire us with their courage and determination. Further, she made a clarion call to everyone that all should recommit themselves to the cause of gender equality. All should work together to dismantle the structures of oppression that hold women back, and to create a world where every woman and girl can live up to her full potential. In addition, she advised all the students to be aware of early pregnancy. Amidst the programme, the students of Ayurvedha, Naturopathy, and School entertained the spectators with their mesmerizing performances.

Besides, Best performing Alumni of each institution were identified and awarded by their respective principals and their WDC coordinators. The programme ended with cultural programmes by the female students of all the institutions. This programme was really memorable and informative to the students and faculty members.

Sub: Formation of Anti-Ragging Committee -Reg.

Academic Year 2023-24

Objective:

To create awareness among the student community about the dehumanizing effect of ragging.

Functions:

- To give sufficient exposure to the law, prohibiting ragging and the pessimistic aspects of ragging.
- To discuss the measures to be taken to prevent ragging in the college premises
- To discuss the steps to be taken to identify the offenders and punish them suitably.
- To prevent any act or abuse by spoken words, emails, posts, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to the student.
- The tenure of the antiragging committee shall be 2 years from the date of its constitution and reconstituted every two years.

As per the UGC guide lines and Anna University direction, we need to curb the menace of ragging through precautionary measures like forming anti-ragging committee anti-ragging squad, CCTV cameras at vital points, regular interaction and counseling with the students.

In this regard the following faculty members are assigned as anti ragging committee and squad members.

Latest Trends in IT: Key Discussion Points by Alumni at Conclaves

At an alumni conclave, discussions on the latest trends in the **Information Technology (IT)** field often reflect the rapid evolution of the industry and its broad impact across various sectors. Alumni with expertise in diverse domains share insights on emerging technologies, innovations, challenges, and the future of IT. Below are some of the **key trends** that might be discussed:

Alumni discussions on the latest trends in IT are likely to be dynamic, reflecting the rapidly evolving landscape of technology. These trends are not just about technological advancements but also how they are reshaping industries, driving innovation, and challenging traditional business models. Alumni bring valuable perspectives from both the technical and business sides of the equation, offering practical insights into the opportunities and challenges posed by these emerging technologies like Artificial Intelligence (AI) and Machine Learning (ML), **Cloud Computing**, Cybersecurity, **Blockchain Technology**, Internet of Things (IoT), Quantum Computing

A **career settlement discussion** at an alumni conclave covers a wide range of topics relevant to individuals at various stages of their professional lives. From navigating the early career phase and overcoming challenges to transitioning into leadership roles or making career pivots, alumni offer invaluable advice based on their own experiences.

For younger professionals, alumni provide key insights into long-term planning, upskilling, and building resilience. For mid-career professionals, the focus might be on leadership development, overcoming plateaus, and managing transitions. Ultimately, these discussions foster a sense of community and support, as alumni share their wisdom and help guide each other through the ever-changing world of work.

Feedback

The **feedback from an Alumni Induction Day** helps the institution assess whether the event successfully met its objectives—such as fostering alumni engagement, supporting career development, and enhancing institutional pride. By gathering feedback, organizers can refine future events to better serve the needs of alumni, create more opportunities for networking and mentorship, and continue to strengthen the relationship between graduates and their alma mater.

Overall, positive feedback often highlights the sense of community, valuable networking opportunities, and career support, while constructive criticism usually focuses on improving event structure, content relevance, and accessibility.

Post Event Report

The Alumni Induction day Celebration for passed-out engineering students is a momentous occasion where faculty members reflect on the students' achievements, offer valuable career and life advice, and encourage them to continue growing beyond their academic journey. The feedback from faculty often includes a mix of **recognition, inspiration, practical advice**, and a final farewell, helping students feel appreciated, motivated, and prepared to embark on the next phase of their lives.

Ultimately, the faculty's role on Farewell Day is to not only celebrate the students' success but also to pass on wisdom and encouragement that will guide them through the next steps in their careers and lives.

Policy

ANTISEXUAL HARASSMENT

General Information

Nandha Engineering College (Autonomous) is committed to moulding a generation which safeguards the virtues of gender equality and equity. Nandha Engineering College (Autonomous) strives to create and maintain a work environment in which people are treated with dignity, decency and respect. The environment of the company shall be characterized by mutual trust and the absence of intimidation, oppression and exploitation. Our college attempts to uphold the constitutional mandate ensuring the human rights of all those who fall within its jurisdiction. Nandha Engineering College (Autonomous) has constituted an "Antisexual Harassment Cell." The following policy has been made keeping in mind the above facts

Objectives

1. To sensitize students on gender equity and to prevent sexual harassment in any form
2. To promote dialogue about sexual harassment possible in academic communities

According to **THE SEXUAL HARASSMENT OF WOMEN AT THE WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT 2013**, sexual harassment includes any one or more of the following unwelcome acts or behavior (whether directly or by implication) namely:

Physical contact and advances; or

1. A demand or request for sexual favors; or
2. Making sexually colored remarks; or
3. Showing pornography; or
4. Any other unwelcome physical, verbal or non-verbal conduct of sexual nature.

Any act falling under the purview of following cases will be considered as an incident of sexual harassment:

1. Unwelcome sexual advances, verbal, non-verbal and/or physical conduct such as loaded comments, remarks or jokes, letters, phone calls or e-mails, gestures, exhibition of pornography, lurid stares, physical contact, stalking, sounds or display of a derogatory nature.

E-Mail: info@nandhaengg.org

2. Interfering with her work or creating an intimidating, offensive, or hostile environment for her
3. When a person uses the body or any part of it or any object as an extension of the body with a sexual purpose in relation to another person without the latter's consent or against that person's will, such conduct will amount to sexual assault.
4. When deprecatory comments, conduct or any such behavior is based on the gender identity/sexual orientation of the person and/or when the premises or any public forum of the institute is used to denigrate/discriminate against person(s), or create a hostile environment on the basis of a person's gender identity/sexual orientation.
5. When a person shows any humiliating treatment to woman that is likely to affect her health and safety

Why is it important?

Any student/staff member can be a potential victim and hence it's important for everyone to understand how to recognize and deal with sexual harassment.

Applicability of Policy

Complaints against sexual harassment can be made by

1. A student of Nandha Engineering College (Autonomous) against another student of the College
2. A student of Nandha Engineering College (Autonomous) against a staff (teaching or non-teaching) of the college
3. A staff of Nandha Engineering College (Autonomous) against another staff of the college
4. A staff (Teaching or non-teaching) against a student of the Nandha Engineering College (Autonomous)

Minutes of the Meeting are as Follows:

Item : 01	Welcome of the Chairman
Discussion	Welcome by the Chairman for RAC members
Resolution	—
Item : 02	Review of AY(2021-2022) RAB Meeting Minutes

Discussion	All the R&D activities carried out for the AY (2021-22) are discussed briefly.					
Resolution	The RAC minutes for the AY (2021-22) are approved by this meeting.					
Item :03	Review of Seed Money request from faculty members and recommendation					
Discussion	The Seed Money to the faculty members those who are carried out recent research are discussed based on their quality publications in referred journals for the AY (2022-23). WoS-24 & Scopus-43.					
Resolution	The committee members had recommended the list of faculty members those who are eligible to receive the Seed Money based on their quality publications in referred journals for the AY(2022-23) and the details are attached as Annexure – I.					
Item : 04	Review of Proposal Submission and its status.					
Discussion	The committee had reviewed the proposal submission to the various funding agencies for the AY (2022-23).					
Resolution	The committee members had suggested concentrating on more number of Project proposal submissions to various funding agencies and to get a sanction for each department.					
Item : 05	Review of Ph.D research scholars' enrolment and completion for the AY (2022-23).					
Discussion	The committee had discussed about number of Ph.D research scholars' enrolment for the AY (2022-23) is 15 No's and the number of faculty members those who are getting supervisor recognition is 7 No's.					
Resolution	The committee members had appreciated the more number of Ph.D enrolment and supervisor recognition for the AY (2022-23).					
Item : 06	Review of faculty and Student publications in referred journals.					
Discussion	The committee members had reviewed the faculty and Student publications in referred journals as follows 1. The number of papers published in WoS indexed journals – 42 No's. 2. The number of papers published in Scopus indexed journals – 44 No's 3. The number of papers published in UGC CARE indexed journals – 07 No's 4. The number of papers published in other journals – 235 No's					
Resolution	The committee members had appreciated the publication done by both student and faculty for the AY (2022-23).					
Item : 07	Review of department wise consultancy work carried out for the AY (2022-23).					
Discussion	The committee members had reviewed the Consultancy work carried out by the faculty members of various departments as per the following					
	<table border="1" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th style="text-align: center;">No. of Consultancy Work</th> <th style="text-align: center;">Revenue Generated (in Lakhs)</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">106</td> <td style="text-align: center;">38.52</td> </tr> </tbody> </table>		No. of Consultancy Work	Revenue Generated (in Lakhs)	106	38.52
No. of Consultancy Work	Revenue Generated (in Lakhs)					
106	38.52					

Resolution	The committee members had appreciated the effort taken by the department to undergo Consultancy work by faculty members for the AY (2022-23).		
Item : 08	Review of No. of MoUs signed with reputed industry and its activities.		
Discussion	The committee members had reviewed the MoU signed and activities carried out by the faculty members of various departments as per the following		
	No. of MoU Signed Companies		No. of students participated in MoU Activities
	37		333
Resolution	The committee members had advised to make more MoUs belongs to CII registered industries and overseas universities to provide a knowledge about recent innovation and challenges in the world.		
Item : 09	Review of No. of Patents filled, Published and granted for the AY (2022-23).		
Discussion	The Committee members had reviewed the No. of Patents filled, Published and granted for the AY (2022-23) as follows		
	No. of Patent Filed	No. of Patent Published	No. of Patent Granted
	9	19	10
Resolution	The committee members had suggested getting more number of utility grant certificate for innovation.		
Item : 10	Review of Institution Research Policy and its implementation.		
Discussion	The committee members had reviewed the previous intuition research policy and the discussed about more number of full time Ph.D research scholar enrollment in three research departments.		
Resolution	The committee members suggested to provide a stipend to the full time Ph.D research scholars to attract more number of enrollment.		
Item : 06	Any other points		
Discussion	Reviewed about the status of Two ongoing AICTE-RPS project of " Design and Development of Proton Exchange Membrane Fuel Cell with Novel Cathode flow Field For Better Water Management and High Performance " and " Experimental Investigation and modeling of WO ₃ , ZnO and Graphene Nano particles in the field of Bio Medical applications "		
Resolution	The committee members are satisfied with the on going project

CIRCULAR FOR 1ST MEETING

Date: 13-06-2023

All the department R&D coordinators are asked to attend the third R&D coordinators meeting which will be held on 14.06.2023 by 12.10 P.M in Block 5, R&D Cell, Nandha Engineering College, Erode – 52, without fail. The agenda for the meeting is as follows

AGENDA	
Item 1.01	Review of R&D file updating for period up to June 2023
Item 1.02, 1.03, 1.04 & 1.05	Review of Article Publication, Proposal Submission, Consultancy Work and MoU activity

C.N. Ma

DEAN (R&D)

MINUTES OF THE 1st MEETING

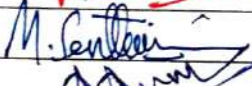

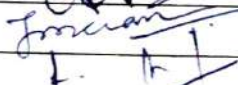

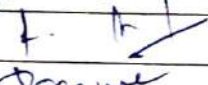

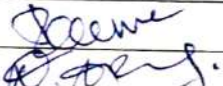

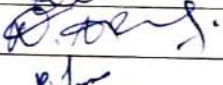

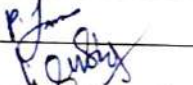

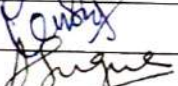

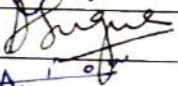

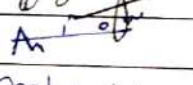

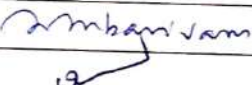

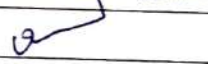

Minutes of the 1st meeting of Research and Development Cell (R&D) held on 14.06.2023

The 1st meeting of Research and Development Cell (R&D) was held on 14.06.2023 by 12.10 PM in Block 5, R&D cell, Nandha Engineering College, Erode - 52. After the brief introduction, the agenda items listed below were taken up for discussion and the following resolutions were passed.

AGENDA	
Item 1.01	Review of R&D file updating for period up to June 2023
Item 1.02 1.03,1.04 &1.05	Review of Article Publication, Proposal Submission, Consultancy Work and MoU activity

The discussions and resolutions were recorded as follows:

Item 1.01	Review of R&D file updating for period up to June 2023
Discussion	Review of department R&D activities under Patent filing and policy to be followed in the same.
Resolution	All the department R&D coordinators are informed to instruct respective faculty members to concentrate more on utility patents than the design patent.
Item 1.02	Review of Article publications
Discussion	The article publication done by faculty members of various departments is discussed as per the target from each department.
Resolution	The departments of Agri, AI&DS, Civil, MCA, Chemistry, and are instructed to meet out the publication target.
Item 1.03	Review of Proposal Submission
Discussion	The Proposal submission done by faculty members of various departments is discussed as per the target from each department.
Resolution	The departments of Agri, AI&DS, Civil, CSE (IoT), CSE (CS), MBA, MCA, Chemistry, English, Physics and Mathematics are instructed to meet out the proposal submission target.
Item 1.04	Review of Consultancy Work
Discussion	The Consultancy work done by faculty members of various departments are discussed and target is defined for next academic year.
Resolution	The department coordinators are instructed to convey to respective department faculties to undergo the consultancy work throughout the academic year evenly.
Item 1.05	Review of Ph.D details
Discussion	The Ph.D completion, Guiding and Guide ship award are discussed
Resolution	All research coordinators are informed to intimate their department faculties to intimate any progress the obtained in their research work with proof.

The discussions and resolutions were recorded as follows:

Item 1.01	Review of R&D Article publication for period up to August 2023
Discussion	Review of Article publication policy to be followed in the same.
Resolution	All the department R&D coordinators are informed to instruct respective faculty members to publish the articles being the position, within one to fourth author and fifth author along with UG students.
Item 1.02	Review of Seed Money sanction process
Discussion	The Seed Money to the faculty members those who are published their research findings in a referred journals like Scopus, WoS & UGC indexed journal
Resolution	The list of faculty members those who are published their research findings in a referred journals like Scopus, WoS & UGC indexed journal for AY (2022-23) are forwarded to RAC for approval.
Item 1.03	Review of Proposal Submission
Discussion	The Proposal submission done by faculty members of various departments is discussed as per the target from each department.
Resolution	The departments of Agri, AI&DS, CSE (IoT), CSE (CS), MBA, MCA and SCHU are instructed to meet out the proposal submission target.
Item 1.04	Review of Consultancy Work
Discussion	The Consultancy work done by faculty members of various departments are discussed and target is defined for next academic year.
Resolution	The department coordinators are instructed to convey to respective department faculties to undergo the consultancy work throughout the academic year evenly.
Item 1.05	Review of MoU
Discussion	The number of MoU signed and its activities are discussed for August 2023
Resolution	All department research coordinators are informed to meet out the number of MoU activities as per the requirement to enrich the skill set of students.

7. Any other matter

Minutes and Resolutions:

1. The members of the committee have reviewed the breaches and the counteraction for the previous academic year.
2. It has been decided that no changes to CoE are recommended; hence the current CoE will be maintained for the new academic year.
3. It has been decided to distribute the CoE to students, faculties, and non-teaching employees to know the importance of CoE. .
4. It has been decided to gather all required information about ethical practices and to create display boards with ethical quotations and anti-ragging guidelines.
5. The members made recommendations to the internal Disciplinary Committee, which will determine if the claim is serious enough to merit an Ethics Committee investigation. If the allegation is leveled at a PhD researcher. This responsibility may also be allocated by the Principal to the Department Head (s). The allegation's originator will be made to submit the allegation's justification in writing.

The Ethics Committee has the authority to:

- A preliminary investigation to evaluate whether the claim has enough merit to warrant a more thorough investigation.
- When necessary, a formal investigation may involve the consulting or involvement of external experts.

ACADEMIC AUDIT

Odd Semester 2023-2024

Date: 29.04.2024

External Auditor:

Dr. N. Senthilnathan,
Professor / EEE
Kongu Engineering College
Perundurai

Feedback / General Observations:

- * Good commitment by Faculty.
- * All the files are shown properly.
- * Rubrics need to be given for projects, IPT evaluation, Lab etc.
- * Data need to be verified to the authorities before signing.

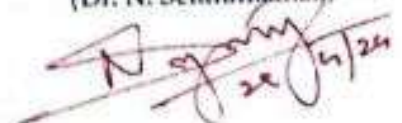

Suggestions to strengthen our Teaching Learning Process:

- * OBE need to be understand properly.
- * Target setting, Attainment calculation understanding needed.
- * CO calculation to be kept at fraction itself.
- * Teaching methodologies need to be diverse.

Suggestions to strengthen our Academic Audit Process:

- * May be One auditor / department will do the Justice.

Any other Comments:

- * No understanding of levels of mapping with CO-PO, CO-PSO.
- * No. of PEO's vary with department.
ECE - 5, Agri - 3
BME - 5.
- * Content beyond Syllabus - may be avoided in theory.
- * For Lab - CA marks & ES marks need to be clear.
- * CO - distribution may vary - Not necessarily common 20%.
- * In Q.P question verbs are very odd. Just inserted to satisfy the level.

Academic Audit Report 2023-2024 Odd Semester

Date: 01.05.24

The end semester Academic Audit of 2023-24 (Odd Semester) was conducted on 29.04.2024 (Monday) with External and Internal Auditors as per circular Ref.No:(NEC/Cir/2023-24/1042) dated: 23.04.2024 for UG (I, III, V & VII Semester) and PG (I & III Semester) Programs. The observations and suggestions of external members are listed below:

Observations:

Comments by Dr. N. Senthilnathan, Professor / EEE, Kongu Engineering College, Perundurai

- CO should be calculated in fraction in over all attainment.
- Course expert member may be course coordinator.
- Course coordinator meeting should be conducted even after the end semester examination.
- PSOs and PEOs should be verified department wise.
- While calculating end semester attainment, Grades are to be verified.
- The rubrics followed for awarding rank for the project students should be mentioned.
- Project supervisors should be allocated based on their area of specialization.
- Rules and regulations should be framed for project evaluation.
- Rubrics are to be framed for project mark allocation.
- Evaluation sheet is to be attached for in plant training.
- CO-PO correlation mapping needed to be improved.
- For fast track courses, in the course plan, in teaching tools column, besides mentioning PPTs, real time application oriented animated videos are to be included as mentioned in the course coordinator meeting.
- All the files are shown properly.
- Good commitment by faculty.
- Rubrics need to be given for projects, IPT evaluation, laboratory, etc.,
- Data needs to be verified by the authorities before signing.
- OBE needs to be properly understood.
- More understanding is needed on target setting and attainment calculation.
- Fractional values are to be kept for CO calculation.
- Diverse teaching methodologies shall be implemented.
- May be one auditor per department will do the justice.

- CO – PO and CO – PSO mapping can be more accurate.
- Content beyond syllabus may be included in assignments and seminar.
- COs distribution shall not necessarily be 20%.
- In question papers, question verbs are to be appropriate.

Comments by Dr. S. M. Senthil, AsP / Mechanical, KPR Institute of Engineering and Technology, Coimbatore.

- In course plan, the planned hour should be typed and actual hour is to be written manually.
- For PG courses, the knowledge level of the case studies allotted to the students should be of high order thinking. (Ap, E and CR).
- Proof for seminar taken by the students should be attached in the course file with signature.
- Course file content order should adhere to the audit format.
- End semester attainment of MBA department should be rechecked.
- CO-PO, PSO mapping for R17 regulation should be done accurately.
- ReCAT mark should be attached in the course file.
- OBE activities must be kept in the course file along with photos.
- Rubrics must be mentioned in the MBA lab record.
- Activities for experiential learning must be conducted and the same along with proof should be kept in the course file.
- Taking print out for course file in one side used sheet should be avoided.
- In log book, all the particulars should be furnished perfectly.
- Content beyond syllabus should be given as assignment to the students.
- Class Committee Meeting can be convened in the presence of Course coordinator and course instructor and the presence of HoDs is not needed.
- Different Target Attainment level can be fixed for each course.
- In Part B questions, either or part should be in the same knowledge level.
- Tests, assignments and seminar questions for slow, average and fast learners should be taken in such a way that the questions should help the students to take them to the next level.
- All the photos that are kept in the files should be with caption.
- Course end survey sample form should be with students' comments for further improvement.
- There is no need to keep two sets of CAT question papers in the course file. Only used question paper alone should be kept.
- In attainment template, CO values should be included.
- Internal Scrutiny should be done for the question papers set by the external examiners.
