Event Report:

On 15.10.2023, Nandha Engineering College Institutions Innovation Council and Entudi have jointly organized "Innovate to Inspire: Commemorating Dr. APJ Abdul Kalam's Legacy on Institution's Innovation Day" to honor the birth anniversary of the esteemed former President of India, Dr. APJ Abdul Kalam. The event was organized to pay tribute to Dr. Kalam's visionary leadership and his relentless pursuit of innovation and excellence. 850 students and 25 faculty members have participated in the event and witnessed the Drone Show.

The event commenced with a heartfelt inaugural ceremony, where dignitaries and guests paid homage to Dr. Kalam's unparalleled contributions to science, technology, and education. The inaugural session set the tone for the day's activities, emphasizing the importance of innovation in driving progress and transformation. Dr. M. Easwaramoorthi, Head- CIPD welcomed the gathering. An inspiring keynote address was delivered by Mr. Vijay Venkatesh, CTO Entudio, who shed light on Dr. Kalam's extraordinary life journey and his enduring legacy as the "Missile Man of India." The keynote underscored Dr. Kalam's passion for innovation and his belief in the power of youth to shape a brighter future through creativity and ingenuity. A Drone Show was organized to showcase groundbreaking inventions. The Drone show served as a platform for networking, collaboration, and knowledge exchange, fostering a culture of innovation and entrepreneurship within the institution.

**Workshop
on
Innovation and Product Development**

On 21st October 2023, a Workshop on Innovation and Product Development was organized. Mr.M.Srinevasan, Assitant Professor, Nandha Engineering College, Erode conducted the workshop for students.

Objectives of the Visit:

The workshop aims to provide a comprehensive understanding of the medical equipment industry, covering technological advancements, industry standards, and career opportunities, to enrich participants' learning experience and prepare them for future roles in healthcare.

1. **Understanding Regulatory Compliance:** Educate participants on regulatory requirements and compliance standards governing the medical equipment sector.
2. **Hands-On Experience:** Provide hands-on experience with operating and handling different types of medical equipment.
3. **Insight into Supply Chain Management:** Explore the logistics and supply chain processes involved in the procurement and distribution of medical equipment.
4. **Awareness of Industry Challenges:** Discuss challenges faced by the medical equipment industry, such as technological obsolescence, cost management, and market competition.
5. **Introduction to Innovations:** Showcase innovative technologies and solutions driving advancements in medical equipment design and functionality.
6. **Networking Opportunities:** Facilitate networking opportunities with industry professionals, healthcare practitioners, and researchers to broaden perspectives and build connections.
7. **Career Guidance:** Offer guidance on career paths, professional development opportunities, and educational pathways relevant to roles in healthcare and medical equipment management.

Visit Observations:

1. **Comprehensive Content:** The workshop covered a wide range of topics, including technological advancements, industry standards, and career opportunities, providing a holistic understanding of the semi conductor industry.
2. **Engaging Sessions:** Participants were actively engaged in hands-on sessions, interactive discussions with industry professionals, and informative presentations, enhancing their learning

experience.

3. **Networking Opportunities:** The workshop provided valuable networking opportunities, allowing participants to connect with experts in the field and build professional relationships.
4. **Practical Insights:** Participants gained practical insights into regulatory compliance, supply chain management, and challenges faced by the semi conductor industry, preparing them for real-world scenarios.
5. **Career Guidance:** The workshop offered valuable guidance on career paths and development opportunities in healthcare and medical equipment management, inspiring participants to pursue relevant roles.
6. **Positive Feedback:** Participants expressed satisfaction with the content, delivery, and organization of the workshop, highlighting its effectiveness in enriching their knowledge and skills.

POST EVENT REPORT

Department	Artificial Intelligence and Data Science	
Name of the event	Ideathon '23	
Title of the Event	Ideathon '23	
Date & Time	on 03.11.2023 and 04.11.2023	9.30AM
Venue	Conference Hall, Nandha Engineering College, Erode-52	
Name of the Chief Guest	Mr.Santhosh sundararaj	
Designation of the Chief Guest	Research associate, Fraunhofer IAIS, Sankt augustin, Germany	
Number of Participants	77	
Outcome	The Ideathon bring together individuals or teams to generate innovative ideas and solutions. With the main purpose of fostering creativity and collaboration, ideathon provide a platform for participants to pitch their ideas and receive valuable feedback.	
Feedback	Spending two days at the Ideathon was a rewarding experience. Thanks to the variety of challenge topics as the students working in a range of fields.

The resource person for this faculty development program was Mr. Santhosh Sundararaj, Research Associate, Fraunhofer IAIS, Sankt Augustin, Germany.

Juries Profile

Mr. Santhosh Sundararaj, Research Associate, Fraunhofer IAIS, Sankt Augustin, Germany. Ph: +91 9715859844. He was Studying Master's in Autonomous Systems in Hochschule Bonn-Rhein-Sieg, Germany. He was a former student Research Assistant at **Fraunhofer FKIE** and he was a former student Research Assistant at **GESIS - Leibniz-Institut für Sozialwissenschaften**. Ago, he was a Former Project engineering at Wipro Technologies. He Studied Electrical Engineering at KSR collage of technology, Erode and studies Robotics and Autonomous Systems at **Hochschule Bonn-Rhein-Sieg, Germany**.

Mrs.Maheswari.S, is a HoD incharge of IoT department, Nandha Engineering College,Erode. She has experience as Assistant Professor in the same institute since 2008. She is expertise in the field of computer science.

The event was conducted by the department of AI&DS on 03 November 2023. 32 teams from various department has participated in the event. Mr. Santhosh Sundararaj, research associate, IAIS sankit augustin, germany, was the chief guest and judge for the event. All the teams participated actively and the winners were determined.

The ideathon final was conducted on 3rd and 4th November 2023. Mr. Santhosh Sundararaj was the chief guest and judge for the event. All the participants were participated actively. The best idea submission was identified and that students were appreciated by the cash awards.

The final winners were:

1st place – Blood Bank[CSE-IoT]

2nd place-Certificate validation using BlockChain[CSE-CS]

3rd place-Automatic Timetable [IT]

The event was completed successfully with the help of our department HoD and all our faculty members.

Seminar on

"Entrepreneurial Insights for E-mobility with Embedded Automation, AI, and IoT Advancements"

Objective

- To create entrepreneurial strategies aimed at developing scalable solutions that seamlessly integrate embedded automation, artificial intelligence (AI), and Internet of Things (IoT) technologies into e-mobility systems
- To explore entrepreneurial opportunities to drive innovation in intelligent fleet management and mobility services by leveraging embedded automation, AI, and IoT advancements.

Benefit

Unlock opportunities for innovation, efficiency, sustainability, and competitive differentiation, driving the transformation of transportation towards a more connected, intelligent, and sustainable future.

OVERALL REPORT OF THE ACTIVITY:

A session was jointly organised by IIC of Nandha Engineering College and Department of EEE on 07th Nov 2023. The topic of the session was on "Entrepreneurial Insights for E-mobility with embedded automation, AI and IoT advancements" and the resource person was Mr. R.Praveen, Technical Lead, SAN Technovation. 60 Student from Nandha Engineering College had participated in the session

Schedule of Program:

- ✓ Inauguration – Welcome
- ✓ Expert sessions
- ✓ Questions- answers.
- ✓ Vote of thanks

Topics covered:

Expert session began with talk of Mr. R.Praveen, he enlightened students with grass root knowledge future of e-mobility. He further explained role of AI and IoT techniques in autonomous transport vehicles. He described how is embedded system used in electric vehicles and integration of AIoT in Autonomous vehicles. In addition, he shared his views on automated vehicles connectivity domains and AI applications in vehicles with sample illustrations and discussion. His speech was followed by question answer session in which student get their doubts solved.

Skills Expertise: Embedded Development and Testing

- Device Driver Development.
- Good Knowledge of C and Embedded C.
- Peripherals- ADC, DAC, Timer, Interrupt, Counter, PWM. Protocols - UART, I2C, SPI and CAN.
- Exposure to requirements analysis, proof-of-concepts, Defect Raising, Test cases writing, testing and implementation, and maintenance of Project.
- Experience in CAN and UDS Protocols.
- Good knowledge of different Inputs like Device operation ranges, Fault Reaction, Speed, Temp, Engine start and stop, Gear recommendation, power mode, Operational modes, debugging, etc.
- Proven ability to successfully work for multiple requirements, Test case development approaches, and project management methodologies (agile, A spice/iterative, waterfall, V mg Knowledge of Vector tools such as Canoe and CANalyzer.
- Hands-on Experience in CAPL Scripting, HiL Testing, and ADAS.
- Hands-on experience in Automotive Passive safety testing Airbag modules as per ASPICE compliance.
- Good Knowledge of ISO-15765.

Product Development

- Timer based motor on-off control
- Timer based Digital Valve Controller for Agriculture
- Sanitary Napkin Vending Machine
- Smart Energy Auditing Device
- Automatic College Bell
- RTC Clock Display for Wall
- PIR Motion sensor switch
- Automatic Load Control & Indication System
- Six-Channel Volume Controller
- Automatic Solar Powered Street Light Control System
- Hour based safety instruction audio player for the industry
- Device control using GSM by sending SMS
- IOT-based home appliance control
- POV for bike wheels
- Hand Wash Machine
- Ventilator Design

ACTIVITY REPORT

Event Name : National Education Day
Venue : Nandha Engineering College, Erode (Dt), Tamil Nadu
Date : 11.11.2023
No of Participants : 75

Report of the Event:

Nandha Engineering College, in collaboration with the Institutions Innovation Council (IIC), organized an event on 11th November 2023, to commemorate National Education Day. This significant day marks the birth anniversary of Maulana Abul Kalam Azad, the first Education Minister of Independent India, and a multifaceted personality who played a pivotal role in shaping the education landscape of the country.

Event Summary:

Dr. U. S Ragupathy, Director of the Quality Assurance Cell at KPR Institute of Engineering and Technology, Coimbatore, presided over the event, which saw the participation of 75 students and faculty members. In his opening address, Dr. Ragupathy underscored the pivotal role of education in societal transformation, echoing the visionary ideals of educationist Maulana Abul Kalam Azad. The Chief Guest elaborated on Mr. Maulana Abul Kalam Azad's multifaceted contributions as a freedom fighter, scholar, and key figure in India's post-independence development. Specifically, he emphasized Azad's instrumental role in establishing institutions like the All India Council for Technical Education, University Grants Commission, and the first Indian Institute of Technology at Kharagpur.

The Chief Guest expressed joy in partaking in the National Education Day 2023 celebrations, noting the event's successful transmission of Azad's educational vision and its significance in fostering a progressive society. The active participation and enthusiasm of the college community exemplified a collective dedication to furthering Azad's ideals.

In conclusion, the event served as a poignant tribute to Maulana Abul Kalam Azad, instilling a deep appreciation for the transformative power of education. It left a profound impact on attendees, inspiring them to continue their pursuit of knowledge and contribute to the nation's educational advancement
