Strategic Plan 2021-2026

NANDHAENGINEERINGCOLLEGE

STRATEGIC PLAN FOR THE YEARS 2021 TO 2026

- To reach the University status by next 15years.
- To attain NAACA++ grade during 3rd Cycle Accreditation.
- To be ranked among the TOP 200 in the NIRF Ranking under Engineering Category.
- To secure one among the TOP 150 position in NIRF-Innovation Ranking 2025.
- To promote Industry-Institution Collaboration with top MNCs.
- To launch Centers of Excellence in upcoming emerging fields.
- To nurture successful start-ups creating innovative products and business models using the engineering knowledge developed by the Institution.
- To provide healthy and energetic working environment for faculty and staff.
- To expand the active participation of alumni in all aspects of Institution development by collaborating with them in placements, guest lecture, mentoring students in various projects, consultancy, research and development through alumni chapter.
- To join hands with various industries in the field of Research & Development and Consultancy.
- To collaborate with Institutions around the world to promote quality higher education and for supporting students/faculty exchange programmes.
- To create infrastructure for effective Teaching-Learning Processes and Extracurricular activities.

Strategic plan:

Strategic planning is the process of setting goals, deciding on actions to achieve those goals, and mobilizing the resources needed to take those actions. A strategic plan describes how goals will be achieved using available resources.

A solid strategic plan articulates a shared vision, mission, and values, increasing engagement while providing a framework to ensure students' needs are met so they can reach their full potential.

Vision Statement:

To be an Institute of excellence providing quality Engineering, Technology and Management education to meet the ever changing needs of the society.

Mission Statement:

- To provide quality education to produce ethical and competent professionals with social Responsibility.
- To excel in the thrust areas of Engineering, Technology and Entrepreneurship by solving real- world problems.
- To create a learner centric environment and improve continually to meet the changing global needs.

Strategic Goals:

1. Academic Excellence:

- Enhancing teaching-learning processes through innovative pedagogical methods including the integration of technology and experiential learning.
- Increasing student enrolment in high-demand disciplines while ensuring academic rigor and quality.
- Strengthening of faculty development initiatives to promote research, publication and industry collaboration.
- Achieve and maintain accreditation from relevant national and international bodies (e.g., NIRF, NBA, NAAC and IIC).

2. Research and Innovation:

- Establishment of research centres of excellence focused on emerging technologies and interdisciplinary fields.

- Increasing research funding and collaboration with industry, government and international institutions.
- Encourage faculty and student involvement in research projects, patents and publications.
- Fostering a culture of innovation and entrepreneurship through incubation centres and industry partnerships.

3. Infrastructure and Facilities:

- Upgrading existing infrastructure and laboratories to meet the evolving needs of academic programs and research activities.
- Expand campus facilities to accommodate growing student and faculty populations.
- Implement sustainable practices in campus development and maintenance.

4. Student Success and Well-being:

- Enhance student support services, including academic advising, career counselling and mental health resources.
- Promote diversity and inclusion initiatives to create a welcoming and equitable campus environment.
- Providing opportunities for holistic development through extracurricular activities, leadership programs and community engagement.

5. Industry Collaboration and Placement:

- Strengthen ties with industry partners through collaborative research projects, internships and guest lectures through MoUs.
- Enhance placement services and career development programs to facilitate successful transitions from academia to industry.
- Align curriculum with industry needs and trends to ensure graduates are well-prepared for the workforce.

Implementation Strategies:

- Development of detailed action plans with specific objectives, timelines, responsible parties, and performance indicators for each strategic goal.
- Allocation of resources effectively, including financial, human and infrastructural to support strategic initiatives.
- Fostering a culture of accountability, transparency and continuous improvement through regular monitoring and evaluation of progress.
- Promoting communication and collaboration among faculty, staff, students, alumni, industry partners, and other stakeholders to ensure alignment and shared ownership of the strategic plan.

Monitoring and Evaluation:

- Establish mechanisms for ongoing monitoring and evaluation of key performance indicators (KPIs) to track progress towards strategic goals.
- Conduct of internal and external auditing periodically every semester, review of status of each department towards the strategic plan through monthly report and assessments to identify strengths, weaknesses, opportunities, and threats (SWOT analysis) and adjust strategies as needed.
- Solicit feedback from stakeholders through surveys, focus groups, and other feedback mechanisms to inform decision-making and enhance institutional effectiveness.

Conclusion:

A comprehensive strategic plan provides a roadmap for the institution's growth and development over the next five years guided by its vision, mission, and core values. The focus on academic excellence, research and innovation, infrastructure, facilities, student success and industry collaboration and placement can position the college itself as a leader in higher education, contributing to societal progress and economic development.

Minutes of the Meeting (MoM)

The Fourth meeting of the Strategic Plan Review Committee was held on 07.02.2024 at 10.30 AM in the Board room. The list of members attended the meeting is enclosed in Annexure - I

The meeting began with welcome note, followed by an introduction to the Strategic Plan 2021-26, highlighting its key objectives and summarizing the initiatives undertaken up to January 2024. The proceedings of the meeting are recorded as follows.

ITEM 4.01	Welcome note: The Principal warmly welcomed the members of the Strategic Plan (2021-2026) review committee to the first meeting since he assumed the role of Principal.
ITEM 4.02	Introduction of reconstituted strategic plan review committee members and their roles and responsibilities.
Discussion	<ul style="list-style-type: none"> ▪ After introducing the reconstituted members of the Strategic Plan Review Committee, the Principal explained the necessity of revising the Strategic Plan 2021-26 to align our institution's strategic objectives with the standards set forth by NIRF, NBA, and NAAC. ▪ The Principal emphasized the significant role of the Strategic Plan Review Committee members and directed them to collaborate with colleagues to uphold our institution's commitment to educational excellence. ▪ He further expressed his confidence that the members' expertise, dedication, and insights in accreditation and quality assurance would play a valuable role in guiding our strategic planning efforts.
ITEM 4.03	Review of strategic plan-2021-26 and its progress during the academic years 2021-22, 2022-23, 2023-24 and revision of targets for 2024-25 and 2025-26
Discussion	<p>The members deliberated the progress achieved year on year since 2021-22, 2022-23 and 2023-24 aligning with the strategic plan targets versus achievements and areas requiring improvements. The details of achievements are enclosed as annexure-II.</p> <p>The Principal suggested following guidelines to address areas that require further improvement.</p> <ul style="list-style-type: none"> ▪ Evaluate the current Strategic Plan (2021-2026) in light of the requirements and benchmarks established by NIRF, NBA, and NAAC. ▪ Identify areas where our strategic objectives may need to be revised or augmented to better align with the criteria outlined by these accrediting bodies. ▪ Propose strategic initiatives and action plans aimed at enhancing our institutional performance and meeting the prescribed standards for excellence in education.

- Ensure that the revised Strategic Plan reflects a comprehensive and cohesive approach to achieving our academic and institutional goals while also addressing the specific requirements of

- ✓ NIRF, NBA, NAAC
- ✓ Student diversity,
- ✓ Internationalization,
- ✓ Implementation of NEP, etc.

Dr. M. Easwaramoorthi, coordinator of the strategic plan review committee, outlined the key features of the 2021-26 Strategic Plan. He also put forth the deliberations had with the reconstituted strategic planning committee members and different stakeholders to identify potential key areas and parameters to be included for formulating the revised strategic plan. The summary of the key points considered for formulating the strategic plan 2021-26 is provided below.

- **Implementation of New Education Policy 2020**

- a) Multi-disciplinary, holistic Under Graduate education with flexible curricula, creative combinations of subjects, integration of vocational education.
- b) Various Entry/ Exit to be allowed with relevant certification. This will permit students to take a sabbatical and then join back their studies after a period of time, without losing any credits.
- c) Students are free to choose major and minor subjects for their degree.
- d) Provide importance to students' practical knowledge
- e) Curriculum content will be reduced in each subject to its core essentials
- f) Experiential learning and story-telling-based pedagogy and others
- g) Creating digital content for online courses in cutting-edge domains, with the mode of delivery being in both English and regional language.
- h) The power of online pedagogy shall be utilized for effective learning.

- **Research & Development**

- Improve journal publication per Faculty.

- Improve research funding proposal submission & success rate

- **Consultancy services**

- **Faculty Development**

- Enhance Faculty with PhD qualification

- **Students Development**

- **Students Career Development**

- Enhance Placement in Core & IT Sector Companies

- **Awards and Ranking**

- NIRF rank, NIRF- Innovation rank, SDG rank, QS rank, AICTE-CII survey, etc.

- **Infrastructure Development**

- **Intellectual Property Right (IPR)**

- **Technology and Innovation centre**

	<ul style="list-style-type: none"> ▪ New UG and PG Programmes ▪ Diversity: Students & Faculty Other state, other country Women diversity (Students & faculty) ▪ Accreditation NAAC and NBA
ITEM 4.04	Discussion on roadmap to achieve the revised targets.
Discussion	<p>The list of members involved in preparing the draft strategic plan is enclosed in Annexure-I. The responsibility of each member is to monitor and communicating progress of the plan as given below.</p> <ul style="list-style-type: none"> ▪ To place responsibility, timelines, and specific work with an aim to ensure that the plans are implemented ▪ To maintain documents related to the strategic plan, goals, initiatives, and accomplishments. • To review the progress and challenges in implementing the strategic plan ▪ To prepare the compliance report on the extent of compliance for the strategic plan once in a year. ▪ The targets corresponding to the year 2023-24 were discussed and reviewed, and the attainment was found to be low. In response, to achieve the Strategic Plan targets, the year targets for 2024-25 and 2025-26 have been revised. <p>The revised targets and road map for the years 2024-25 and 2025-26 are enclosed in Annexure-II.</p> <p>After due deliberations, it was decided to circulate the draft plan among faculty all members for their suggestions and feedback, inputs and ideas on the draft plan. The new ideas (if any) may be submitted with action plan, targets and probable outcomes. The final draft plan will be presented for approval of the Academic Council and Governing Body.</p>
ITEM 4.05	Any other matter - Nil
