POST EVENT REPORT

Department	Agricultural Engineering	
Name of the event	Alumni Interaction	
Title of the Event	“From Campus to Career: Developing the Skills Employers Want”	
Date & Time	10.01.2025	11.00 AM – 12.30PM
Venue	Block IV, CPE lab	
Name of the Alumni	Fiza Tabassum A	
Designation of the Chief Guest	Application Development Associate	
Number of Participants	35	
Outcome	During the interaction session, our alumna shared her inspiring journey from academic life to meeting professional expectations. The session provided students with a clearer understanding of the skills and qualities employers seek in fresh graduates. She offered valuable insights into industry expectations, trends, and challenges, and equipped students with practical advice on developing essential skills such as communication, teamwork, and problem-solving.	
Feedback	Many participants noted that the session helped them gain a clearer understanding of the skills and qualities employers seek in fresh graduates and that they felt more confident and prepared to transition into the workforce. Overall, the session was hailed as a huge success, with many calling for more such interactions in the future.

DEPARTMENT OF AGRICULTURAL ENGINEERING

From Campus to Career: Developing the Skills Employers Want

About the Interaction

The Department of Agricultural Engineering in Nandha Engineering College had organized an Alumni interaction in the topic “**From Campus to Career: Developing the Skills Employers Want**”. The guest alumni for the interaction was Fiza Tabassum A Alumni (2020-24). The Alumni interaction was conducted for IV year Agri department students on 10.01.2025. The welcome address and vote of thanks was given by Ms.S.Vanisha, AP/AGRI.

During the interaction session, our alumna shared her inspiring journey from academic life to meeting professional expectations. The session provided students with a clearer understanding of the skills and qualities employers seek in fresh graduates. She offered valuable insights into industry expectations, trends, and challenges, and equipped students with practical advice on developing essential skills such as communication, teamwork, and problem-solving.

Many participants noted that the session helped them gain a clearer understanding of the skills and qualities employers seek in fresh graduates and that they felt more confident and prepared to transition into the workforce. Overall, the session was hailed as a huge success, with many calling for more such interactions in the future.
