Department of Electrical and Electronics Engineering and IEEE Student Branch organized **Alumni Interaction on Placement Series 1.0 – 1 on "Unlocking IT Opportunities: A Placement Guide for Success"** on July 26th 2024. The keynote speaker **Mr. Senthil Kumar Deivasigamani, Quality Assurance Engineer, Oracle, Bengaluru** shared crucial strategies for navigating the IT industry, diverse perspectives on resume building, interview preparation, and networking. The session provided a valuable platform for students to gain insights into the IT job market through an engaging keynote address and a dynamic discussion featuring accomplished alumni. The event concluded with a lively Q&A session and a networking opportunity, allowing students to connect directly. Overall, the event met its objectives of offering practical advice and fostering connections, with positive feedback from both students and alumni, setting a strong foundation for future interaction of the placement series.

IEEE Student Branch Nandha Engineering College organized an *Expert Talk on "Building Dynamic Dashboards with Power BI: A Comprehensive Guide"* on October 05th, 2024. The expert speaker was *Mr. Harivishnu Viswanathan, Data Processing Analyst at NEILSENIQ, Chennai*. He covered the fundamentals of creating interactive and dynamic dashboards using Power BI. He focused on data integration, visualization techniques, and best practices for effective dashboard design. Participants were engaged with hands-on exercises to build their own dashboards, enhancing their skills in data analysis and reporting. The expert talk was concluded with Q&A session, addressing queries on advanced features and practical use cases of Power BI.

Celebrating Connections, Shaping Tomorrow

The Alumni Meet is organized by the Department of EEE on 21.12.2025. It is provided a platform for former students to reconnect with their alma mater and contribute to its growth. A key highlight of the event was the discussion on the Alumni Scholarship and Fundraising Initiative, where alumni pledged support to financially assist deserving students. The session also included alumni feedback on placements, where they shared insights on industry expectations, hiring trends, and challenges faced by fresh graduates. A significant part of the discussion focused on the required skills and curriculum enhancement, with alumni suggesting the inclusion of emerging technologies, industry-relevant certifications, and soft skills training to bridge the gap between academia and industry. The event concluded with a commitment from both alumni and faculty to strengthen collaboration for student development and institutional progress.
