#### EVENT REPORT

#### SESSION DETAILS:

Date	TIME	TOPIC	RESOURCE PERSON
05.09.2025 06.09.2025	09.15 AM- 06.00 PM (Both Days)	Leading With “ <b>Purpose</b> ” Building with “ <b>Unity</b> ”	Mr. Ajith Selvaraju, Trainer, Founder & CEO of N’kisi,

#### Introduction

The Center for Learning and Development (CLD), Nandha Engineering College, successfully organized a two-day Outbound Leadership Training Program for Deans, Heads of Departments, and key portfolio in-charges. The training aimed to enhance leadership qualities, team spirit, decision-making, and strategic thinking among academic leaders.

#### Objectives of the Training

- To strengthen leadership and management skills among institutional leaders.
- To promote collaboration, communication, and trust within the leadership team.
- To encourage problem-solving through experiential learning activities.
- To align leadership practices with institutional vision and sustainable development goals.

#### Sustainable Development Goals (SDG) Alignment

Training Objective / Activity	Linked SDG	Relevance
Developing leadership and management skills	<b>SDG 4</b> <b>Quality Education</b>	Strengthening leadership in higher education contributes to improved quality of teaching, learning, and administration.
Promoting teamwork and collaboration	<b>SDG 17</b> <b>Partnerships for the Goals</b>	Encourages collective action and stronger institutional partnerships for sustainable growth.
Enhancing decision-making and problem-solving	<b>SDG 16</b>	Builds accountable and effective institutional leaders.

	<b>Peace, Justice &amp; Strong Institutions</b>	
Outdoor experiential learning for health & well-being	<b>SDG 3 Good Health and Well-being</b>	Physical activities and stress management improve leaders' mental and physical well-being.
Building sustainable leadership practices	<b>SDG 8 Decent Work &amp; Economic Growth</b>	Effective leadership fosters innovation, efficiency, and institutional development, leading to economic contribution.
