## Vision

- To be an Institute of excellence providing quality Engineering, Technology and Management education to meet the ever changing needs of the society.

## Mission

- To provide quality education to produce ethical and competent professionals with social responsibility.
- To excel in the thrust areas of Engineering, Technology and Entrepreneurship by solving realworld challenges
- To create a learner centric environment and improve continually to meet the changing global needs.

## **DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

## Vision

- To foster academic excellence imparting knowledge in Electronics, Communication and allied disciplines to meet the ever growing needs of the society

## Mission

- To impart quality education and develop an aptitude for professional career and continuous learning with ethics and social responsibility
- -To provide a framework for research and regular interaction with industry and innovation to meet the emerging challenges through
- To be a learner centric environment by upgrading knowledge and skills to cater the needs and challenges of the society

# Chairman's Message”

I am immensely pleased to know that Nandha Engineering College has become alma mater for many of young and future generations. Success starts with a thought or an idea when nourished with hope and confidence, that idea sprouts, blossoms and leads to action with knowledge. Nandha Engineering College is a creation to impart and provide such a knowledge which is strength and power to the society with the learning of the latest developments of the world to meet the growing demand for trained man power. We are set to take mission of implementing new methodologies to enable

quality learning. It also encourages independent thinking and helps students in developing wholesome personality so that they can contribute their best to the society and the country. Nandha Engineering College takes keen interest in updating its infra structures which provides an ambience that stimulate intellectual thinking and academic interaction to meet the technological revolution and new challenges of modern era.

THIRU.S.NANDHAKUMAR  
PRADEEP,  
SECRETARY

# Secretary's Message”

**I**n an era of firm competition, success can only be achieved if one makes the right kind of effort at the right time. Your effort in choosing Nandha as your Alma mater should be your best choice and I am pleased to welcome you. I am happy to note that Nandha is following the ideals of integrated learning by giving opportunities to students to develop their personality through different extracurricular activities and soft skills courses. An important component of academic excellence is remarkable faculty that teach with skills and passion. India is one of the few countries in the world that is blessed with rich cultural heritage.

**O**ne of the oldest human civilizations, and highly hard working pool of young people seeking knowledge and education to raise India's stature to the top economies in the world. I am sure that your search for knowledge will definitely find its quench here and you will enjoy your stay at Nandha. All the best for your exciting career.

Thiru. S Thirumoorthi,  
Secretary

**F**oresight, ability to seize the opportunity, relentless drive to succeed and tremendous acumen in recognizing the needs of the industry and integrating knowledge with professional inputs are the secrets behind Nandha which have always kept us at the forefront of Education value creation and a sustainable model of growth and achievement for the past decades. Nandha provides a rich and diversified culture to hone the young brains so as to get evolve in to the challenging scenario with performance, competitiveness, value creation and other professional skills. Nandha believes in imparting quality education based on ethics. It is a place that reflects an aura of global learning.

**I** am pleased that you have chosen to explore the opportunities that we offer here and I am also confident that you would find your graduation here to be challenging and a rewarding experience. I look forward to welcoming you to join and contribute to our journey towards exploring new frontiers in the field of education with wisdom.

**Dr. S.Arumugam,  
CEO**

# CEO's Message”

**E**ducation enables a person to face new challenges, achieve progresses and lead a successful life. I, therefore, would like to encourage all students to acquire right education through right educational institution. I appreciate both the parents and the students for having made a right choice of choosing Nandha. Education at Nandha is neither just about academic brilliance nor a consistent return, but an ambience where culture and human skills meet together.

**T**he college undertook a series of reforming exercises to become what it has become today. We welcome the students to come forward to experience the difference. Keeping abreast of this contemporary world of cut throat competitions, we the Nandha team, aim at creating an inter-disciplinary and a holistic academic environment that enable students to gain knowledge without stress. I do strongly believe in my spirited staff members' capacity to build up the college as one among the leading colleges in the region. I am delighted to welcome all the students to this world of Education and my best wishes for them to unlock and realize their potential.

# Principal's Message”

---

**D**e Students, Faculty, and Staff, as we commence another academic year at our esteemed institution, I extend my warmest greetings to each member of our vibrant community. At the core of our mission lies a steadfast commitment to nurturing well-rounded individuals equipped with the knowledge, skills, and experiences necessary to excel in their chosen fields and contribute meaningfully to society. We take immense pride in providing robust placement opportunities to our students through strategic partnerships and a dedicated placement cell. Academic excellence remains our top priority, upheld by our dedicated faculty who employ innovative teaching methodologies to foster critical thinking skills. Our comprehensive internship and in-plant training programs bridge the gap between theory and practice, while our dynamic teaching-learning process ensures a personalized educational experience for every student. Moreover, our wide array of co-curricular and extra-curricular activities, including sports and community service initiatives, promote holistic development and leadership skills. I encourage each of you to seize the opportunities available and make the most of your time here as we strive towards academic and personal growth. Together, let us forge a path towards a brighter future.

**Dr. S.Kavitha,  
Professor &  
Dean / ECE**

# Dean's Message ”

---

**D**ear Students and Faculty Members, as we embark on a new academic journey at the Department of Electronics and Communication Engineering, I'm excited to reaffirm our unwavering commitment to your holistic development and success. Our department prioritizes key areas essential for your growth and preparation for the professional world. Through our dedicated placement cell, we ensure ample opportunities for promising career prospects by connecting you with industry partners. Academic excellence remains our focal point, with our esteemed faculty delivering high-quality education through innovative teaching methodologies and rigorous coursework. We facilitate internships and in-plant training to provide real-world exposure and practical experience, enhancing your employability. Our teaching-learning process emphasizes active participation, critical thinking, and modern teaching tools to enrich your learning experience. Moreover, our department offers a wide array of co-curricular and extra-curricular activities, fostering personal growth, leadership development, and networking opportunities. As we navigate the year ahead, I encourage your active participation, seizing every opportunity for growth and striving for excellence. Together, let's shape a brighter future and realize your full potential. Best wishes for a successful and fulfilling academic year ahead!

Certainly! Here's a concise and professional message from the Association Incharge of the ECE Department to students, suitable for inclusion in the department newsletter:

Message from the Association Incharge  
Department of Electronics and Communication Engineering

Dear Students,

It gives me great pleasure to share a few words in this edition of our ECE department newsletter. As the Association Incharge, I am proud of the vibrant student community that continues to bring life and energy to all our departmental activities. The ECE Association plays a crucial role in encouraging student-led initiatives, organizing technical events, workshops, and fostering innovation beyond the classroom. Your active participation is the driving force behind our success, and it is truly heartening to see your enthusiasm and commitment. I encourage all students to make the most of the opportunities provided by the association be it through learning, networking, or leadership. Let us continue working together to build a dynamic and collaborative learning environment.

Wishing you all continued success and growth.

Warm regards,  
Ms.V.Parameshwari

# ABOUT ECE DEPARTMENT

The Department of Electronics and Communication Engineering (ECE) was established in 2001 and equipped with state-of-the-art industry supported labs and research facilities, ensuring students have access to the latest technologies and practical experiences. AICTE funded research laboratories paves way to develop projects and contribute to research. Research centre fosters innovation and advanced studies, Laboratories cater to different specializations within ECE, providing comprehensive learning environment. In addition to the Bachelor of Engineering (B.E) in ECE, we also offers Master of Engineering (M.E) in VLSI Design. Signed Memorandums of Understanding (MoUs) with numerous reputed companies, enhancing industry connections and opportunities for students. Faculty members actively pursuing research in diverse domains, contributing significantly to the field of electronics and communication.

## Hands-on Training

A Hands-on Training Programme on **Real-Time Embedded Applications with IoT Technology using Raspberry Pi PICO W** was successfully conducted 16.08.24 & 17.08.24, led by Mr. M. Maruthupandi, Project Engineer at Vi Microsystems Pvt. Ltd., Chennai. The session was effectively coordinated by Ms. V. Parameshwari, AP/ECE, and Mr. P. Logamurthy, AP/ECE. A total of 41 students participated in this engaging and interactive training. The programme offered participants valuable practical exposure to real-time embedded systems and IoT applications using Raspberry Pi PICO W. It equipped students with essential technical skills in IoT integration and embedded system design, significantly enhancing their confidence to undertake advanced projects and explore career opportunities in emerging technology fields.

## Motivational Programme

A Motivational Programme on **Path to Recovery – A Journey Beyond Addiction** was successfully conducted on 26.07.2024. The session was led by Dr. K. Karthikvelu, Psychological Life Skill Trainer and CEO of One Life One Chance Life Skill Academy. The programme was internally coordinated by Mr. P. Logamurthy, AP/ECE, and Ms. V. Parameshwari, AP/ECE. A total of 780 students actively participated in the event. The programme made a profound impact by raising awareness about addiction recovery and inspiring participants with powerful messages of resilience, hope, and the importance of embracing second chances. It encouraged students to prioritize their mental well-being, adopt healthy coping mechanisms, and foster a culture of empathy, openness, and support within the campus community.

## Intra-Department Meet

An Intra-Department Meet was organized on 19.10.2024, in association with IETE. The event was successfully coordinated by Ms. V. Parameshwari, AP/ECE, and witnessed the active participation of 176 students. The meet provided a valuable opportunity for students to collaborate with peers from other departments, exchange innovative ideas, and enhance their teamwork and communication skills.

## Teachers' Day celebration

The **Department of ECE, in association with IETE, celebrated Teachers' Day** on 04.09.2024. The event was coordinated by Ms. V. Parameshwari, AP/ECE, with enthusiastic participation from 21 faculty members in various fun-filled activities and events organized by the students. The feedback from the faculty regarding the celebrations was overwhelmingly positive. Teachers deeply appreciated the thoughtful mementos presented by the students, noting that these gestures made them feel valued and recognized for their hard work and commitment. The personal effort and creativity shown by the students added a special, memorable touch to the celebration.

## Academic Seminar

An **Association Inauguration & Academic Seminar on Internet of Things and Artificial Intelligence: Concepts, Methodologies, Key Challenges, and Future Directions** was successfully conducted, featuring an expert session by **Dr. M. Sabarimalai Manikandan, Associate Professor, Department of Electrical Engineering, Indian Institute of Technology, Palakkad, Kerala.**

The event was coordinated internally by Ms. V. Parameshwari, AP/ECE and Ms. V. Gunasundari, AP/ECE. A total of 350 students actively participated in the programme. The seminar proved to be highly informative and impactful, offering valuable insights into emerging technologies and their future potential. It effectively raised awareness about the transformative role of IoT and AI and motivated students to strengthen their technical skills while actively engaging in academic, research, and professional opportunities provided by the newly inaugurated association.

## Industrial Seminar

### INDUSTRIAL SEMINAR ON PRODUCT DEVELOPMENT IN EMBEDDED TECHNOLOGY

An Industrial Seminar on **Product Development in Embedded Technology** was conducted on 19.08.2024. **The session was led by Mr. K. Gunasekaran, Techno-Management Consultant at Tech Global India, Madurai.**

The event was organized under the guidance of faculty coordinators Mr. P. Logamurthy, AP/ECE and Ms. R. Monica.

The seminar witnessed enthusiastic participation from 150 students, providing them with valuable exposure to the latest practices and trends in embedded product development. The Outcome of the programme proved to be a highly effective platform for narrowing the gap between academic learning and industrial expectations in the field of embedded technology, equipping students with relevant insights and skills for their future careers.

## INDUSTRIAL SEMINAR ON GENERATIVE AI

An Industrial Seminar on Generative AI was conducted on 07.10.2024, with Mr. T.P. Harishbabu, Growth Manager at NXTWAVE, serving as the resource person. The event was coordinated by Ms. R. Monica, AP/ECE, and Ms. P.S. Niji, AP/ECE, and saw enthusiastic participation from 97 students. During the seminar, students not only gained insights into the applications of Generative AI but also received valuable guidance on resume building techniques and effective strategies for cracking interviews. The session provided practical tips and tools to enhance students' professional readiness, aligning their skills with industry expectations.

## INDUSTRIAL SEMINAR ON RECENT TRENDS IN THE SEMICONDUCTOR INDUSTRY

An Industrial Seminar on Recent Trends in the Semiconductor Industry was held on 01.10.2024. The session featured Mr. K. Kumar, VLSI Mentor from Bengaluru, as the esteemed resource person. The seminar was coordinated by Mr. E.K. Arulkarthick, AP/ECE, and Mr. D. Anandakumar, AP/ECE, and saw active participation from 240 students. During the seminar, students gained valuable insights into essential tools and technologies used in the semiconductor industry, including semiconductor materials, FPGA, and ASIC applications. The session also covered transistor properties, particularly various types of FETs, and provided a solid understanding of basic digital logic design concepts. Additionally, participants were made aware of core job opportunities available in the semiconductor field, equipping them with knowledge about potential career paths in this rapidly growing sector.

## INDUSTRIAL SEMINAR ON THE RISE OF COLLABORATIVE HUMANS AND MACHINES IN THE REAL WORLD

An Industrial Seminar on The Rise of Collaborative Humans and Machines in the Real World was held on 16.11.2024, conducted by Ms. L. Harini Logambal, Regional Manager at Emglitz Technologies, Salem. The seminar was coordinated by Dr. R. Murugasamy, ASP/ECE, and Mr. D. Anandakumar, AP/ECE, with 128 students participating. The seminar provided students with valuable insights into the importance of collaboration between humans and machines in real-world applications, highlighting how this synergy is transforming industries and shaping the future.

## INDUSTRIAL SEMINAR ON PHYSICAL DESIGN FLOW IN VLSI DESIGN

An Industrial Seminar on Physical Design Flow in VLSI Design was conducted by Dr. K. Saravanan, Senior Design Engineer, Physical Design at Quest Global, Bengaluru 07.03.2025. The seminar was coordinated by Mr. P. Logamurthy, AP/ECE, and Mr. C. Prabhu, AP/ECE, with 131 students participating. The seminar provided students with a comprehensive understanding of the various steps in VLSI physical design, including placement, routing, and verification. Participants also learned how to optimize chip design by effectively managing timing, power, and space, ensuring efficient design processes.

## INDUSTRIAL SEMINAR ON ADVANCED DRIVER ASSISTANCE SYSTEMS (ADAS) FOR NEXT-GEN CARS

An Industrial Seminar on Advanced Driver Assistance Systems (ADAS) for Next-Gen Cars was conducted with Dr. R. Vimalathithan, Director of Krish Tec, Coimbatore, as the resource person 18.02.2025. The seminar was coordinated by Mr. P. Logamurthy, AP/ECE, and Mr. D. Anandakumar, AP/ECE, and saw active participation from 114 students. The seminar provided students with valuable insights into cutting-edge developments in automotive safety, automation, connectivity, and real-world driving scenarios, enabling them to better understand how ADAS technologies contribute to enhancing vehicle safety.

## **Short-Term Training Programme (STTP) on Next-Gen System-on-Chip (SoC)**

A Short-Term Training Programme (STTP) on Next-Gen System-on-Chip (SoC) Design for Advanced Semiconductor Technology was conducted with an esteemed panel of resource persons, including:

- Dr. D. Vaithyanathan, Assistant Professor and Chief Vigilance Officer, Department of ECE, NIT-Delhi
- Dr. M. Jayasanthi, Professor, PSG Institute of Technology and Applied Research, Coimbatore
- Dr. K. Kalpana, Associate Professor, Hindustan Institute of Technology, Coimbatore
- Mr. K. Kumar, Synopsys Certified Physical Design Trainer, VLSI Mentors, Bangalore
- Mr. N. B. Mahesha, Technical Trainer, Maven Silicon, Bangalore
- Mr. Boddeda Naga Subrahmanyam, Senior Design and Verification Engineer, Digicomm Semiconductors, Bangalore
- Dr. K. Gavaskar, Assistant Professor III, Kumaraguru College of Technology, Coimbatore
- Dr. Bindiya T. S., Assistant Professor (Grade I), NIT Calicut, Kerala
- Mr. V. Navaneethkrishnan, Simulation Debug and Coverage Instructor, Entuple Technologies, Bangalore
- Dr. N. Saravanakumar, Associate Professor, Dr. Mahalingam College of Engineering and Technology, Pollachi
- The programme, coordinated by Ms. P. S. Niji, AP/ECE, and Ms. V. Gunasundari, AP/ECE, saw active participation from 135 students.

The STTP equipped participants with knowledge and skills to design and develop advanced SoC solutions, integrating cutting-edge semiconductor technologies and modern engineering tools for real-world applications.

# Workshop

## WORKSHOP ON DEVELOPMENT OF ROBOTICS USING AI

A Workshop on Development of Robotics using AI was conducted on 28.10.2024, in association with ISTE and the Robo Club. The session was led by Dr. B. Krishnakumar, Founder & CEO of New Technology, as the resource person. The event was efficiently coordinated by Ms. V. Parameshwari, AP/ECE, and Mr. D. Anandakumar, AP/ECE, with the enthusiastic participation of 124 students. The workshop provided participants with valuable exposure to both theoretical concepts and practical applications in the field of robotics powered by artificial intelligence. Overall, the event served as an effective platform to inspire students to engage with emerging technologies and real-world AI-based robotics innovations.

## WORKSHOP ON COMPUTER VISION USING TENSORFLOW

A Workshop on Computer Vision using TensorFlow was conducted on 29.10.2024, with Mr. M. Thanigaivel, Project Engineer at Pantech eLearning Pvt. Ltd., Chennai, serving as the resource person. The event was coordinated by Ms. R. Monica, AP/ECE, and Ms. V. Gunasundari, AP/ECE, and saw active participation from 73 students. The workshop effectively enhanced the participants' technical skills and inspired them to explore emerging AI technologies, particularly in computer vision, and their applications in solving real-world challenges.

## WORKSHOP ON AI IN PCB MANUFACTURING

A Workshop on AI in PCB Manufacturing was conducted by Dr. R. Vimalathithan, Director of Krish Tec, Coimbatore 28.02.2025, and coordinated by Mr. P. Logamurthy, AP/ECE. The workshop saw the participation of 144 students. The event successfully facilitated discussions between AI developers and PCB manufacturers, highlighting key areas for AI integration and paving the way for collaborative projects focused on modernizing PCB production through artificial intelligence.

Product Development in Embedded Technology on 19.08.2024

## **Seminar on Unlocking Global Opportunities**

A Seminar on Unlocking Global Opportunities: The Power of Overseas Education was held on 13.03.2025, led by Mr. Sridhar Sekar, CEO of Sridhar Overseas Educational Consultancy, Namakkal. The event was coordinated by Ms. V. Parameshwari, AP/ECE, and Ms. P. Kokila, AP/ECE.

The seminar effectively broadened students' understanding of the vast educational and career opportunities available globally. It guided students in exploring potential academic paths beyond national borders, equipping them with the knowledge and inspiration to pursue international opportunities. Participants expressed great enthusiasm and recommended follow-up sessions on country-specific education systems and exam preparation workshops.

## SOCIAL CLUB AND ROBO CLUB

# Social Club Activity

## Diwali Donation to Sri Venkateswara Welfare Society

Organized by : Department of ECE, Nandha Engineering College

Date : 29.10.2024

Faculty Representatives : Dr.S.Kavitha, HOD/ECE  
Ms.T.G.Dhaarani,  
Ms.P.Kokila,  
Ms.V.Gunasundari,  
Mr.G.Rathanasabhpathy,  
Mr.P.Logamurthy

In the spirit of Diwali, the faculty members of Department of ECE, Nandha Engineering College organized a donation to extend festive cheer and support to Sri Venkateswara Welfare Society. The initiative aimed to spread kindness, share happiness, and foster a sense of social responsibility within our academic community.

A voluntary contribution drive was conducted among the faculty members of the department. The funds collected were utilized to provide essential items and festive treats to the residents of Sri Venkateswara Welfare Society, including Groceries and daily necessities.

On 29.10.2024, a team of faculty representatives visited Sri Venkateswara Welfare Society to personally hand over the donations and celebrate Diwali with the residents. The visit was filled with moments of warmth, interaction, and shared joy. The residents warmly welcomed the team, and the faculty members expressed their gratitude for the opportunity to contribute to such a meaningful cause. Sincere thanks to all the faculty members of ECE for their generous contributions and enthusiastic participation.

The Diwali Donation Drive to Sri Venkateswara Welfare Society was a heartwarming success, reinforcing the importance of community service and collective responsibility. We hope to continue such outreach activities in the future, fostering a culture of empathy and social commitment.

## ROBO CLUB ACTIVITIES

**Event Name** : One Day Seminar

**Event Date** : 16.11.2024

**Event Title** : The rise of collaborative robots:  
Bridging humans and machines in the real world

**Event Venue** : NEC campus - Microprocessor lab

**DEPARTMENT  
ACHIEVEMENT**

Received Overall championship for girls and Overall championship for boys award on Sports day 2025 at Nandha Engineering College

Department of ECE received Best Department of the college Award during Annual Day'25 on 27.03.2025 at Nandha Engineering College
