

NANDHA ENGINEERING COLLEGE, ERODE - 638 052

(Autonomous)

Students Affairs

Name of the Meeting: Student Council (First Year)		No:2025-26/ NEC/EVEN/SCM/02		
Date:	24.11.2025	Time:	3.30pm to 4.30pm	Venue: Board Room

Minutes of the Meeting

The Principal welcomed everyone to the meeting and addressed the First year students before initiating the feedback session

1. Students were advised to develop additional skills to secure a job rather than relying only on conventional teaching methods.
2. The Principal advised the students to provide details of the credits earned through project presentations in NIRF-ranked institutions.
3. The Principal stressed that the quality of paper presentations in other states is not satisfactory; therefore, students need to gain expertise in their specific domain through quality presentation.
4. The Principal highlighted the importance of girl students learning and growing in their respective domains and becoming self-independent in the future.
5. The Principal emphasized that self-discipline is very important to all students.
6. The Principal instructed that all students should attend the industrial visit without any absence, as only then they can learn the current trends in their domain.
7. The Principal insisted that students use a separate laptop and textbook to learn additional skills

Students' Positive Feedback about the College

1. The campus is green and eco-friendly, with abundant trees and a pleasant atmosphere.
2. The interaction between faculty members and students is good

Depart.	Points discussed	Responsibility
AI&DS	<ul style="list-style-type: none">• An alumni interaction session is needed to provide insights into current job opportunities and to offer a clear roadmap for students to progress in their career path	HoD - AI&DS
CSE	<ul style="list-style-type: none">• Teaching the subjects in both English and Tamil helps Tamil-medium students understand the concepts clearly• In the Electronics Lab, the teaching is not clearly understood;	HOD - S&H HoD - EEE

	students request more explanations in the upcoming classes	
AI&DS	The Empower Her program needs to be reformed in the forthcoming sessions	Head-Empower Her
BME	The Problem-Solving and C Programming Lab systems are not working properly, and students request that the issues be rectified	HoD - CSE
ECE	<ul style="list-style-type: none"> • In the Chemistry Lab, damaged pipettes and flasks need to be replaced • In the Engineering Practices Lab, the register and bulb are not functioning. Students request that these items be replaced as early as possible 	HoD-ECE & Chemistry
IOT	<ul style="list-style-type: none"> • Classrooms are cleaned regularly • There has been a delay in providing T-shirts and ID cards; please ensure they are issued at the earliest 	HoD -S&H
ECE-A &B , IOT, Agri, CSE-B and CSE(CS)	<ul style="list-style-type: none"> • A television is needed in the classroom to enhance understanding of the subject 	HoD -S&H
