Students Affairs

Name of the Meeting: Student Council (Second Year)			No: 2025-26/ NEC/EVEN/SCM/01	
Date:	24.11.2025	Time:	2.00pm to 3.00pm	Venue: Board Room

Minutes of the Meeting

The Principal welcomed everyone to the meeting and addressed the Second year students before initiating the feedback session

1. The Principal emphasized the importance of choosing a career path such as placement, higher studies, or entrepreneurship
2. Students were advised to develop additional skills to secure a job rather than relying only on conventional teaching methods.
3. The Principal advised the students to provide details of the credits earned through project presentations in NIRF-ranked institutions.
4. The Principal stressed that the quality of paper presentations in other states is not satisfactory; therefore, students need to gain expertise in their specific domain through quality presentation.
5. The Principal highlighted the importance of girl students learning and growing in their respective domains and becoming self-independent in the future.
6. The Principal emphasized that self-discipline is very important to all students.
7. The Principal instructed that all students should attend the industrial visit without any absence, as only then they can learn the current trends in their domain.
8. The Principal insisted that students use a separate laptop and textbook to learn additional skills

Students' Positive Feedback about the College

1. The campus is green and eco-friendly, with abundant trees and a pleasant atmosphere.
2. Faculty members provide strong positive motivation to the students.
3. Faculty members identify students' potential and nurture it in their respective fields.
4. Faculty members from the Cyber Security department motivate students to take up project work.

5. Faculty members from the IoT department encourage students to participate in events conducted outside the college.
6. In the ECE department, students' queries and feedback are addressed immediately
